The Tapestry of Culture Abraham Rosman, professor emeritus, Banard

College, Columbia University, Paula G. Rubel, professor emerita, Barnard College, Columbia University, Maxine Weisgrau, Barnard College, Columbia University, 2009-06-16 The most exciting thing about anthropology is that it enables the student to become acquainted with people of different cultures The Tapestry of Culture provides the student with the basic concepts necessary to understand these different cultures while showing that cultural variations occur within certain limits Though the forces of globalization have caused cultures of the world around us to become increasingly similar the book shows that people nevertheless cling to ethnic identities and their cultural distinctiveness

Mexican Migrants and Their Parental Households in Mexico Paula Fomby, 2005 Annotation Fomby explores how U S bound migrants participate in systems of intergenerational exchange with their families remaining in Mexico Taking the perspective of migrants as adult children in their families of origin she considers the factors associated with inception of migration careers and asks how migration by selected children affects the social and economic organization of the parental household Fomby s review of theoretical and empirical research shows that the dominant focus on male labor migration overlooks how migrants continue to relate to and influence parents and siblings She shows that migrant sending parental households in Mexico are distinctive in their composition and that migrants continue to make significant economic contributions from abroad
