Reckless Mind:

Reckless Mind Christopher M. Henry, 2012-10-08 Author of In These Eyes this man pieces together a book from a mind filled with musical lyrics through inner life experiences Its poetry revised at its best Youll read what some think but wouldnt dare say You might even get a laugh with his sarcastic sense of humor Its a view of life written out to be a work of art A Perfect Book to Muse Your Mind

The Reckless Mind: Intellectuals in Politics Mark Lilla, 2016-09-06 European history of the past century is full of examples of philosophers writers and scholars who supported or excused the worst tyrannies of the age How was this possible How could intellectuals whose work depends on freedom defend those who would deny it In profiles of six leading twentieth century thinkers Martin Heidegger Carl Schmitt Walter Benjamin Alexandre Kojve Michel Foucault and Jacques Derrida Mark Lilla explores the psychology of political commitment As continental Europe gave birth to two great ideological systems in the twentieth century communism and fascism it also gave birth to a new social type the philotyrannical intellectual Lilla shows how these thinkers were not only grappling with enduring philosophical questions they were also writing out of their own experiences and passions These profiles demonstrate how intellectuals can be driven into a political sphere they scarcely understand with momentous results In a new afterword Lilla traces how the intellectual world has changed since the end of the cold war The ideological passions of the past have been replaced in the West he argues by a dogma of individual autonomy and freedom that both obscures the historical forces at work in the present and sanctions ignorance about them leaving us ill equipped to understand those who are inflamed by the new global ideologies of our time

Mind's Journey Deepak Chalise, 2012-02-06 This Minds Journey is my second book in poetry In this writing I have tried to let fly the mind wherever it tends to travel through the help of knowledge Woven interestingly covering many aspects of lives including the activities of natural phenomena as well I have inserted flow of the writings in a way to bathe in the realm of poems Feelings and events converged in it are solely art of the beautiful heart which can dramatize the wave lengths of humans intention Beyond imagination in this book I have penned facts and effects of the society of the human behaviors And many urges have done with human beings to reform it

Experiences in Reality GC Bryant, 2013-03-13 My name is Georgia known as Sista My hometown is Augusta Georgia a private person is how I choose to be I have a family of three plus me My writings are a blessing from God who I have dedicated my life to serve I pray you are given the vision to see some of my experiences through words My poetic poems are my way of communicating some of the obstacles I have faced instead of a long writing about me I prefer hearing about your obstacles while journeying this race My journey has not been easy but I know I m not alone God before me and encouraging friends my journey has been strong Mr Tyrone Russell the only best male friend of mines felt something in reading my poems supported and invested his time Ms Helen Alexander is like a sister to me she also felt these were poems that the world should see God Bless

Brown Skin, White Masks Hamid Dabashi, 2011-01-06 This book is a critical examination of the role that immigrant intellectuals play in facilitating the global domination of American

imperialism In his pioneering book about the relationship between race and colonialism *Black Skin White Masks* Frantz Fanon explored the traumatic consequences of the sense of inferiority that colonised people felt *Brown Skin White Masks* picks up where Fanon left off and extends Fanon's insights as they apply to today's world Dabashi shows how intellectuals who migrate to the West are often used by the imperial powers to misrepresent their home countries Just as many Iraqi exiles were used to justify the invasion of Iraq Dabashi demonstrates that this is a common phenomenon and examines why and how so many immigrant intellectuals help to sustain imperialism
