Duty & Desire Penny Jordan,2012-11-27 The Royal House of Niroli always passionate always proud THE FUTURE KING S PREGNANT MISTRESS Emily Woodford loves Marco Fierezza but has no idea he s a royal prince When she discovers the truth she s devastated to realize that Marco sees her only as his mistress not marriage material for a future king But what will this king in waiting do when he discovers his mistress is pregnant A ROYAL BRIDE AT THE SHEIKH S COMMAND As ruler of an eastern kingdom Sheikh Kadir lives a life full of every imaginable luxury with his every word obeyed But born after a torrid love affair he is also heir to the Niroli throne Now Kadir must leave his desert people and seek welcome from his new subjects and find himself a queen **To Desire a Highlander** Sue-Ellen Welfonder,2015-08-25 AN UNWILLING BRIDE Proud passionate Lady Gillian MacGuire is known as the Spitfire of the Isles She can take care of herself and hasn t

yet met a man who could impress her especially not Donell MacDonnell the odious older man she was promised to five years ago She s been dreading his return but when her intended comes back to claim her she s stunned at how different he seems The man she swore she would spurn forever now invades her thoughts her dreams and her heart AN UNEXPECTED DESIRE When Roag agrees to assume the identity of the recently deceased MacDonnell chieftain no one warns him that the man was betrothed As a member of the King s Fenris Guard he is oath bound to embark on whatever mission the crown gives him Of course he was expecting a battle not a bride Yet after sharing one kiss with Lady Gillian the powerful Highlander becomes the one seduced and captivated Now giving in to temptation could ruin them both *Creator Michael A Hills,2005-11* In the days of yore when the Christian God sent his only son to save the wretched human race the Olympian spirits had sent a saviour of their own Unlike Jesus however the saintly pagan son was not without sin nor error nor would he ignore temptations and desire Ill fated from the start he would not become a humble carpenter either but one who is skilled in warfare thievery and deceit He who would begin his life without a name or an inkling of whence he came the last descendant of a vanishing legacy would someday be called to perform great miracles and here his story will be told Through death the gods gave him life In his quest to create a heaven on earth Daedalus Rufus becomes a mortal god to the people He turns misery into bliss and doldrums into merriment and games Like Alexander the Great the gods favor Daedalus Rufus But as with all the illustrious names that march into the abyss he has also been cursed Have you ever read a book that truly enlightens Michael A Hills has scribed not only a highly entertaining story but to read and grasp the full meaning of *Creator* is to move one step closer to understanding one s self I honestly rank it among the best reads of my entire life David Wayne Hoffman *Glooming Magazine* **Shadows of Desire** Guy E. Harper,2025-06-30 In the heart of San Antonio Tiffanee Sky a trailblazing black businesswoman at the helm of a burgeoning cosmetics empire grapples with her inner demons Beneath the glamour and success Tiffanee is ensnared by a secret sex addiction that threatens to unravel her life When a seductive encounter leads to the unexpected murder of a powerful figure in her circle Tiffanee is thrust into a web of intrigue betrayal and peril As she navigates the treacherous landscape of lust ambition and self discovery Tiffanee must confront not just the darkness in the world around her but also the shadows lurking within Every decision she makes tests her limits forcing her to pick between her career her sanity or honoring the memory of her victim a personal journey that will either save her or leave her engulfed in chaos *Reckless Desire* Elaine Angelus Kehler,2016 **The Consequences of Desire** Dennis Hathaway,2011-08-15 The stories collected in *The Consequences of Desire* describe a modern urban society in its extraordinary complexity its often apparent absence of fixed values and its resistance to easy understanding In *Counting* Mercedes Benzes Marshall is a directionless young man who believes he can escape his parents Beverly Hills lifestyle by marrying for love He fails to realize however that the woman he thinks he loves his mother s Hispanic maid Geneveva has little in common with the person he imagines her to be The title story concerns a corporate lawyer who was a radical at

Berkeley in the sixties By chance he runs into his lover from that time and discovers how far the two have traveled in the intervening years In *Lost in Rancho Mirage* Denton is a young man who might have been picking up garbage or digging ditches if his grandfather hadn't left his Denton's father a piece of real estate that turned out to be directly in the path of a freeway He must come to terms with the fact that he can never fully possess his beautiful girlfriend The imaginary sunlight bathing Jill he realized was a microcosm of a world in which she would always be the center he would always be standing a little off in a shadow where he belonged The need to overcome reality often becomes an obsession for these characters In *Space and Light* an architect's realization that a former protege has surpassed him both financially and artistically prompts him to attempt something wholly original for the first time a project that leads him down an inexorable path to madness to a darkness from which there is literally no escape In *The Girl Detective* Justine's disappointment over her first sexual experience is juxtaposed to her resentment at being born a girl To her being a girl means always wanting to be something different someone else unable to accept the facts that some of her friends seemed to consider amazingly a stroke of the utmost fortune In the aftermath of her surrender to passion on the grass of the municipal golf course she indulges her childish fantasy of being a private eye not Nancy Drew but Philip Marlowe Sam Spade Lew Archer even the virulent violent Mike Hammer Set mainly in California these stories portray a world where dreams come into conflict with reality where perception fills the space between truth and fiction logic and emotion fantasy and disaster

I was a Cold War Monster

Cynthia Hendershot, 2001 Horror films provide a guide to many of the sociological fears of the Cold War era In an age when warning audiences of impending death was the order of the day for popular nonfiction horror films provided an area where this fear could be lived out to its ghastly conclusion Because enemies and potential situations of fear lurked everywhere within the home the government the family and the very self horror films could speak to the invasive fears of the cold war era *I Was a Cold War Monster* examines cold war anxieties as they were reflected in British and American films from the fifties through the early sixties This study examines how cold war horror films combined anxiety over social change with the erotic in such films as *Psycho* *The Tingler* *The Horror of Dracula* and *House of Wax*
