**Reckoning with Barth** Stephen Wigley, *Karl Barth's Doctrine of Sanctification* Michael Bartholomaeus, 2021-09-28 This book explores Karl Barth's doctrine of sanctification as set out in The Sanctification of Man 66 of the Church Dogmatics In his analysis Michael Bartholomaeus reflects on the role Barth's various engagements with Scripture play in the flow of his theological argument as well as the significance of his interaction with other voices from the tradition He then examines select aspects of Barth's theology of sanctification in greater depth including how Barth's use of Scripture in 66 can be understood as the exegetical background to his dogmatic exposition the similarities and differences between Barth and Calvin on the question of sanctification and how seriously and biblically Barth speaks of visibility and growth in the Christian life

**Church as Moral Community** Michael D O'Neil, 2014-07-08 This book details the development and contours of Karl Barth's robust and lively vision of Christian and ecclesial life in the early years of his career In this remarkable work Michael O'Neil investigates Karl Barth's theology in the turbulent and dynamic years of his nascent career between 1915 and 1922 It focuses on the manner in which this great theologian construed Christian and ecclesial existence The author argues that Karl Barth developed his theology with an explicit ecclesial and ethical motive in a deliberate attempt to shape the ethical life of the church in the troublesome context within which he lived and worked O'Neil adopts a chronological and exegetical reading of Barth's work from the initial dispute with his liberal heritage c 1915 until the publication of the second edition of his commentary on Romans Not only does this work contribute to a broader understanding of Barth's theology both in its early development and with regard to his ecclesiology and ethics it also provides a significant framework and material for contemporary ecclesial reflection on Christian identity and mission

**Barth's Ethics of Reconciliation** John Webster, 1995-06-08 A major scholarly treatment of Karl Barth's ethics of reconciliation

**Barth's Theology of Interpretation** Donald Wood, 2016-04-08 Through his single minded insistence on the priority of the Bible in the life of the church Karl Barth 1886-1968 decisively shaped the course of twentieth century Christian theology Drawing on both familiar texts and recently published archival material Barth's Theology of Interpretation sheds new light on Barth's account of just what it is that Scripture gives and requires In tracing the movement of Barth's earlier thinking about scriptural reading the book also raises important questions about the ways in which Barth can continue to influence contemporary discussions about the theological interpretation of Scripture

**Dictionary for Theological Interpretation of the Bible** Kevin J. Vanhoozer, 2005-11 This groundbreaking reference tool introduces key names theories and concepts for interpreting Scripture

**The Claim of God** Ethan Worthington, 2015-07-10 Through close

readings of Karl Barth's theological work from 1916 to 1929 this book offers an exposition of Barth's doctrine of sanctification in his earlier theology arguing that from his earliest writings after 1915 the doctrine of sanctification was one of the key theological components used in describing the encounter between God and man in a positive and concrete manner This book both fills an important gap in Barthian scholarship and responds to the appeal by other recent interpreters of Barth's theology for a more balanced and careful exposition of his work Throughout the course of this exposition the force of Eduard Thurnyesen's wonderfully insightful comments about Barth show themselves to be fruitfully borne out within his work from early on That is Karl Barth's theological thinking was from the beginning directed to the life of man the life of man on the one side and on the other the Word of God that meets this life lays hold of it and transforms it **Resounding Truth** Jeremy Begbie, 2007-12 A world renowned scholar and musician helps Christians respond with theological discernment to music Being in Action Paul T. Nimmo, 2011-02-24 This book investigates the way in which the actualistic ontology i.e the fact that God and human agents are beings in act in a covenant relationship that underlies the Church Dogmatics of Karl Barth affects his conception of ethical agency It analyses this effect along three paths of inquiry knowing what is right the noetic dimension doing what is right the ontic dimension and achieving what is right the telic dimension The first section of the book explores the discipline of theological ethics as Barth construes it both in its theoretical status and in its actual practice In the second section the ontological import of ethical agency for Barth is considered in relation to the divine action and the divine command The final section of the book examines the teleological purpose envisaged in this theological ethics in terms of participation witness and glorification At each stage of the book the strong interconnectedness of theological ethics and actualistic ontology in the Church Dogmatics is drawn out The resultant appreciation of the actualistic dimension which underlies the theological ethics of Karl Barth feeds into a fruitful engagement with a variety of critiques of Barth's conception of ethical agency It is demonstrated that resources can be found within this actualistic ontology to answer some of the diverse criticisms and that attempts to revise Barth's theological ethics at the margins would have catastrophic and irreversible consequences for his whole theological project
