Reclaiming Your Christian Self In A Secular World

Robert C. Roberts

Reclaiming Your Christian Self In A Secular World:

Reclaiming Your Christian Self in a Secular World Cheryl Dickow, 2005-10-01 More than ever before we are longing to understand God's unique plan for our lives. We are questioning how to live more completely as He commands. The Holy Spirit has placed a sense of urgency upon our hearts that calls us to return to God's Word as our source of wisdom and guidance. We find through women like Ruth, Zipporah, Deborah, and Noah's wife how God supports and encourages us on our own individual journeys. Ultimately we believe that as we pursue the Father, He will be true to His word as given to us in Hebrews 11:6. And without faith, it is impossible to please God because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him. *Reclaiming Your Christian Self in a Secular World* inspires women to renew their commitment to their Creator and to their Christian identity. It helps them to answer the call that God has put on their lives. *Reclaiming Your Christian Self in a Secular World* clearly identifies the characteristics that the Lord values as seen through the examples of women in Scripture and gives meaningful ways for women to bring these traits into their daily lives. A must read for today's Christian woman. The perfect book for our women's group. PamA wonderful book with something for every woman. Kathy

Recovering Christian Character Robert C. Roberts, 2022-03-17 Discipleship guidance from the writings of Kierkegaard. Genuine Christian character often runs counter to prevailing notions of Christianity as much in today's era of nationalistic religiosity as in the staid Christendom of Søren Kierkegaard's time. Kierkegaard responded to the hypocrisy around him by becoming a missionary of sorts in the Western world. Through his writing, he exposed the illusions of conventional wisdom while advancing a compelling vision of the true Christian life that would give rise to essential virtues like faith, hope, love, patience, gratitude, and humility. What might Kierkegaard say to us today about recovering a genuine Christian character amid manifold corruptions of the gospel? Robert C. Roberts guides the reader through Kierkegaard's thought about character, clarifying while never unduly simplifying to show how Kierkegaard's prescient psychological insights can be applied in the lives of twenty-first century Christians interested in personal formation. Taking on a Kierkegaardian voice of his own, Roberts powerfully illustrates how virtue arises not from the mastery of individual ethical principles but from the continuity of one's soul with the heart of God. **Michigan Alumnus**, 2006

Secular World and Social Economist George Jacob Holyoake, 1855. The History of the Fleet Street House 20 p at the end of v 18. **God and the Crisis of Freedom** Richard Bauckham, 2002-01-01 This book outlines a biblical understanding of freedom and the particular ways in which Christians choose to exercise that freedom in response to major issues confronting the world today. Specifically, Bauckham constructs a Christian understanding of freedom, explores the authority of Scripture in modern and postmodern contexts, and also examines themes of tradition, ethics, oppression, and ecology as they relate to issues of freedom and authority. **Apologetics in Africa** Kevin Muriithi Ndereba, 2024-02-01 Divided into four major sections, this textbook provides an in-depth exploration of the biblical, philosophical, cultural, and practical concerns facing African Christians as they

proclaim and defend the gospel in Africa Written by a diverse group of pastors and scholars it provides a much needed interdisciplinary and contextualized approach to apologetics It also seeks to bridge the gap between academic research and ministry practice touching on such topics as hermeneutics biblical criticism church history the nature of evil religious inclusivism Muslim Christian engagement eldership rites domestic violence cults and the digital age Biblically robust contextually relevant ministry oriented and accessible this is a remarkable resource for enriching the life and ministry of Christians in Africa and beyond The Living Church ,1958 **Soul Savior, Soul Rebel** Mohamed Moussa Ghounem,2025-09-22 In an era when depression anxiety and trauma have reached epidemic proportions this revolutionary work bridges a critical gap that traditional approaches have failed to address the artificial separation between psychological healing and spiritual transformation Drawing from decades of clinical research and interfaith dialogue this comprehensive guide presents the first systematic integration of Islamic Christian and Jewish healing wisdom with cutting edge neuroscience and trauma research Through compelling personal narratives including the author s own soul journey readers discover how their deepest wounds can become their greatest sources of wisdom and service What Sets This Work Apart This meticulously researched volume introduces Comparative Spiritual Psychology a pioneering methodology that identifies universal healing principles across religious traditions while honoring their unique contributions Each chapter follows a rigorous Story Science Practice framework weaving personal narrative with peer reviewed research and practical exercises adapted for diverse cultural contexts The book addresses critical contemporary issues including Religious trauma and spiritual abuse recovery Integration of mental health treatment with spiritual practice Cross cultural healing approaches for immigrant and refugee populations LGBTQ affirmative spiritual care Intergenerational trauma and collective healing Community based approaches to the mental health crisis Unprecedented Scope and Depth With over 300 research citations culturally adapted healing practices emergency intervention protocols and professional referral guidelines this work serves multiple audiences simultaneously mental health professionals seeking spiritual integration spiritual directors requiring psychological sophistication individuals navigating their own healing journeys and communities building trauma informed support systems The 30 Day Soul Rebel Challenge provides readers with a structured transformation journey while extensive appendices offer interfaith resources crisis interventions and professional development guidelines making this both a profound personal healing guide and essential professional reference Timely and Transformative As mental health systems worldwide struggle to address rising rates of depression anxiety and trauma this book offers a paradigm shifting solution healing that honors both the psychological and spiritual dimensions of human suffering The author demonstrates how wounded healers who transform their pain into purpose become catalysts for collective transformation a message desperately needed as communities seek sustainable approaches to widespread trauma Written with remarkable vulnerability scholarly rigor and practical wisdom this work transcends typical self help or academic categories It represents a new genre of healing

literature that speaks simultaneously to the mind seeking understanding the heart seeking comfort and the soul seeking transformation For readers seeking Evidence based approaches to spiritual healing Trauma informed religious practice Integration of therapy with contemplative traditions Culturally sensitive mental health approaches Tools for transforming personal wounds into service Community based healing models This isn't merely another book about mental health or spirituality it's a comprehensive blueprint for individual and collective transformation that addresses the root causes of our contemporary suffering while offering practical pathways to liberation Part of the God of Verbs Trilogy and Trilogy Covenant Series revealing how faith transforms from static identity into living action these guides offer a complete blueprint for healing the divisions between religions and scientific healing with integrated spirituality **Shaping the Society**

Christianity and Culture Pastor Stephen Kyeyune, 2012-05-03 African theology involves theology that reflects the original thinking of African people Many African have expressed a need for the theology that reflects the original thinking of African peoples Some theologians have recklessly labeled every aspect of African culture to be evil whereas others have expressed contempt regarding Christianity wrapped in Europeans culture Having stayed away from my culture for more than twenty years I have encountered several cultural shocks My personal experience has induced me to invest time into intensive researching on the issue of culture and Christianity in anticipation to help somebody puzzled and drowned in confusion I mean somebody who will not draw a diving line between the two aspects of lives Within every cultural background setting there is a godly culture that is not in conflict with Christianity The culture of man apart from God equals to corruption God created culture and He sent His Son to restore and to preserve the moral values of the cultures The godly culture of man should therefore not be in conflict with the culture of the Bible This topic has been produced in a series of teachings in different volumes of books for deeper clarification I advise you to read all of the series available for your spiritual growth Pastor Stephen Kyeyune [T&T Clark Companion to the Theology of Kierkegaard](#), 2019-09-19 This companion explores Søren Kierkegaard's theological importance offering a comprehensive reading of his work through a distinctly theological lens including interpretative concerns his approach to specific doctrines and theological trajectories for thinking beyond his work Beginning with essays on key interpretative factors involved in approaching Kierkegaard's complex corpus there are also historical accounts of his theological development followed by for the first time in a single volume focused expositions of Kierkegaard's approach to particular doctrinal themes from those oft discussed in his work e.g Christology to those more understated e.g Pneumatology The book concludes with theological trajectories for Kierkegaard's thought in the twenty first century This volume helps not only to situate Kierkegaard's theology more firmly on the map but to situate Kierkegaard more firmly on the theological map as one who has much to offer both the form and content of the theological task
