In Defence of Christianity Brian Hebblethwaite, 2006 This short book of apologetics originated in the two Gifford lectures which I contributed to a joint series in Glasgow in September 2001 and the four Hensley Hanson lectures which I delivered in Oxford in May 2002 Much rewriting and reordering has taken place Pref

Enlightenment, Ecumenism, Evangel Alan P.F. Sell, 2007-09-01 What is the Gospel and how is it to be commended This question encapsulates the running theme of this collection of papers In five essays Professor Sell discusses some Puritans Cambridge Platonists Quakers and critics of deism and pantheism who sought to articulate the Gospel in the intellectual environment in which they had been set Their underlying concerns are of continuing relevance in current ecumenical discussion as are questions of doctrinal change and development the subjects of two further papers A paper on spirituality echoes some of the concerns of the Separatists Platonists and Quakers but views them in relation to the widespread interest in the topic at the present time Two papers concern the ways in which the Gospel is shared in ecumenical circles with special reference to the Holy Spirit ecclesiology and the Reformed contribution to interconfessional discussion A bibliographical survey of Reformed theology in twentieth century Britain shows the range of interest within one

ecclesiastical tradition while such wider issues as contextual theology inclusivism and the peril of sectarianism are discussed in a further paper The book concludes with an attempt to answer the question what is involved in proclaiming the Gospel of reconciliation today Bonhoeffer and King James Deotis Roberts,2005-01-01 A study of two of the most significant prophetic leaders in the twentieth century J Deotis Roberts sBonhoeffer and Kingis an instructive work in theological ethics This book considers and compares the theological reflections that guided Bonhoeffer s courageous stand against Nazism and King s quest for civil rights in America **H.H. Farmer's Theological Interpretation of Religion** Christopher Hugh Partridge,1998 Providing a comprehensive survey of H H Farmer s writings this volume pays special attention to his treatment of the relationship of Christianity to other religions **The Lyre of Orpheus** Christopher Partridge,2014 The study of religion and popular culture is an increasingly significant area of scholarly inquiry Surprisingly however Christopher Partridge s *The Lyre of Orpheus* is the first general introduction to the subject of religion and popular music His aim in this book is to introduce a range of theoretical and methodological perspectives to be used in the study of religion and popular music and popular music subcultures He addresses a range of issues from postcolonialism to postmodernism from sex to drugs from violence to the demonic and from misogyny to misanthropy Part One provides a general overview of the history of popular music scholarship and the key approaches that have been taken Part Two looks at approaches from the perspectives of theology and religious studies examining key themes relating to particular genres and subcultures Part Three narrows the focus and examines key artists and bands mentioned in Part Two including Elvis Bob Dylan Madonna and Bj rk Written to be accessible to the undergraduate *The Lyre of Orpheus* will also appeal to general readers interested in the role of religion in our culture New Dictionary of Theology: Historical and Systematic (Second Edition) ,2016-04-21 Since its first publication in 1988 the *New Dictionary of Theology* has been widely appreciated by students and readers as a trustworthy and informative guide After almost thirty years however there are many new writers issues and themes on the agenda for theology does not stand still Hence this completely revised second edition includes over 400 new articles in the full set of over 800 Many of the original articles have been expanded and updated and almost all have additional bibliographical references Since material on biblical theology is now covered at length in IVP s *New Dictionary of Biblical Theology* this volume is therefore more specifically a dictionary of historical and systematic theology The *New Dictionary of Theology Historical and Systematic* has an international team of contributors and many are acknowledged experts in their fields The Dictionary combines excellence in scholarship with a high standard of clarity and insight into current theological issues yet it avoids being unduly technical Students teachers and ministers as well as scholars and everyone seeking a better understanding of theology will value it as an indispensable reference work The volume is enhanced by a spacious and clear design an extensive and easy to use cross reference system and bibliographies which feature the best and most readily available works in English *Roland Allen II* Steven Richard Rutt,2018-01-01 In *Roland Allen A Theology of Mission* a

companion work with Roland Allen *A Missionary Life* Steven Richard Rutt completes a portrait of Roland Allen 1868 1947 in this intellectual biography Extensive archival evidence discloses how apostolic principles formed the basis for Allen s missionary theology Although it is well known that Allen s hermeneutical ideas were born of Pauline principles Steven Richard Rutt expounds the ways in which Allen s missionary experiences had profoundly impacted Allen s theological beliefs Allen wrote about his findings in letters sermons articles and books some of which were never published Allen s writings tenaciously challenged the methodology of colonial missionary societies and exposed the causes hindering Church expansion failures occurred in missions due to the imposition of Western missionary paternalism and institutional devolution Allen advocated the empowerment of indigenous churches to apply the principles of self government and self support He asserted the importance of the Pauline concept of Spirit and order which encompasses both the doctrine of the Holy Spirit as well as that of the Church Allen s diagnosis of the missionary situation and the proposed ways to restore apostolic order presented contemporary controversy but since his death we have seen the importance of Allen s ideas in Mission studies grow steadily With an expert evaluation of Allen s theological insight *Roland Allen A Theology of Mission* also offers a superb contribution to the discipline of historical theology and historical missiology as Rutt delves into a contextual assay into the missionary landscape of the nineteenth and the twentieth centuries
