Reconciliation A Study Of Pauls Theology:

Reconciliation Ralph P. Martin, 1997-04-24 Martin isolates a single theme of Paul's theology reconciliation and suggests that this one term is sufficiently broad as an umbrella idea to accommodate the leading aspects of Paul's main thinking

Reconciliation Ralph Philip Martin, Peter Toon, 1981-05-01 The Theology of Paul the Apostle James D. G.

Dunn, 2006-05-17 Using Paul's letter to the Romans as the foundation for his monumental study of Paul's theology James D. G. Dunn describes Paul's teaching on God sin humankind Christology salvation the church and the nature of the Christian life

The Social Significance of Reconciliation in Paul's Theology Corneliu Constantineanu, 2010-04-08 This is an assessment of the social dimension to reconciliation as displayed in Paul's Letter to the Romans Traditional exegetical scholarship has treated Paul's presentation of reconciliation as referring to reconciliation between people and God and has primarily focused use of the word *katallage* traditionally translated as atonement Constantineanu challenges this view and argues that Paul's understanding of the concept is more complex employing rich symbolism to describe reconciliation with God and between human beings forming together an inseparable reality The discussion is placed within Paul's overall religious social and political contexts showing that an analysis of the social dimension of reconciliation in his thought is both plausible and necessary Constantineanu offers an analysis of two major sections of Romans chapters 5-8 and 12-15 Special emphasis is placed on Paul's use of the story of Jesus for community formation for the shaping of identity values and community practices It is thus demonstrated that for Paul God's reconciling initiative shown in the crucifixion is not only the pronouncement of God's reconciling the world but also the ground and model for reconciliation among human beings It was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches *Romans and the People of God* Sven K. Soderlund, N. T. Wright, 1999 Nineteen New Testament scholars of international standing here offer fresh new insights to the ongoing interpretation of Romans Including essays on various exegetical theological and pastoral aspects of Paul's epistle this volume not only honors Gordon Fee's major contribution to New Testament scholarship but also presents the very best work available in a vital area of biblical research **Maccabean Martyr Traditions in Paul's Theology of Atonement** Jarvis J. Williams, 2010-01-01 In an age in which scholars continue to produce books on the nature and significance of Jesus's death books that often assume the Old Testament cult was the New Testament authors primary background for their conception of Jesus's death Jarvis J. Williams offers a fresh and novel contribution regarding both the nature of and background influences behind Paul's conception of Jesus's death He argues that Paul's conception of Jesus's death both as an atoning sacrifice and as a saving event for Jews and Gentiles was significantly influenced by Maccabean Martyr Theology To argue his thesis Williams engages in an intense exegesis of 2 and 4 Maccabees while also interacting with other Second Temple Jewish texts that are relevant to his thesis Williams further

interacts with relevant Old Testament texts and the key texts in the Pauline corpus He argues that the authors of 2 and 4 Maccabees present the deaths of the Jewish martyrs during the reign of Antiochus Epiphanes IV as atoning sacrifices and as a saving event for Israel He further argues that although the Old Testament's cultic language certainly influenced Paul's understanding of Jesus's death at certain junctures in his letters the Old Testament cult alone which emphasized animal sacrifices cannot fully explain why or even how Paul could conceive of Jesus's death a human sacrifice as both an atoning sacrifice and a saving event for Jews and Gentiles Finally Williams highlights the lexical theological and conceptual parallels between Martyr Theology and Paul's conception of Jesus's death Even if scholars disagree with Williams's thesis or methodology serious Pauline scholars interested in the background influences behind and the nature and significance of Jesus's death in Paul's theology will want to interact with this work

Reconciling Theology Paul Avis, 2022-03-31 In *Reconciling Theology* leading thinker on Anglicanism and ecumenism Paul Avis focuses on the perennial Christian issues of argument debate polemic and conflict on the one hand and dialogue search for common ground working for agreement and harmony on the other Exploring the tension and interaction between them in a range of contexts in modern theology and the Church Avis offers a rigorous but accessible vision of church which moves beyond the usual dichotomy of liberal or orthodox

Paul and his Theology Stanley E. Porter, 2006-11-01 Does Paul have a theology If so what is it or rather what is it on various topics that he and the early Church confronted This volume moves beyond the traditional discussion of whether Paul had a center to his theology to raise questions regarding his perspective on a number of important theological issues These issues include his gentile mission the concepts of faith grace and the law reconciliation the temple eschatology miracles gender and Paul's trinitarian tendencies This collection of essays addresses topics of current interest in the study of Paul's theology not to arrive at the center of his thought but to understand what factors helped to center his thinking on a variety of important theological concerns

Paul and Isaiah's Servants Mark Gignilliat, 2007-07-10 Provides theological rationale for Paul's Old Testament reading that moves beyond pigeon holing Paul either into his religious historical situation or into modern conventions about the *sensus literalis*

Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain
