Reconnecting Worship:

Work and Worship Matthew Kaemingk, Cory B. Willson, 2020-11-17 The modern chasm between secular work and sacred worship has had a devastating impact on Western Christianity Drawing on years of research ministry and leadership experience Kaemingk and Willson explain why Sunday morning worship and Monday morning work desperately need to inform and impact one another Together they engage in a rich biblical theological and historical exploration of the deep and life giving connections between labor and liturgy In so doing Kaemingk and Willson offer new ways in which Christian communities can live seamless lives of work and worship

Reconnect Your Church David Brown,2023-02-16 Reconnect Your Church provides a practical road tested vision and process to equip church leaders to reinvigorate their church How can churches stay healthy and dynamic over the long term What s needed to avoid or reverse church stagnation and decline While some churches are vibrant and growing many more are struggling especially after Covid The congregation might be declining and ageing there s little success in reaching out to with the gospel and more time is spent on inward facing problems than loving God and loving others But the potential that could be released is huge David Brown draws on his experience revitalising a church in central Paris to offer a vision and a process for church revitalisation with a focus on UK and European contexts Whether you are church planting in a well established and thriving church or looking to turn around a church in decline Brown provides biblically grounded wisdom along with change management principles for long term health When we reapply God s priorities to the church we unleash new life and energy in following Christ in community

Reconnect Ed Cizewski,2020-06-02 Protect your time Prioritize relationships Restore your spirit Technology teaches us to crave the hum and buzz of activity and the dopamine hit of notifications Yet social media and technology have shortened our attention spans disrupted our connections with others and even muddled our spirituality In Reconnect contemplative author and retreat leader Ed Cizewski investigates the crisis of attention that is leading to mental health challenges and extending to our souls Yet the Christian contemplative tradition deeply rooted in the spiritual traditions and practices of the church offers a way forward grinding the gears of this frenetic activity and thinking to an unspectacular halt For all its benefits and promises technology trains its users to pursue the exact opposite of contemplative prayer practices every day claims Cizewski Grounded in current research into the impact of technology Reconnect helps Christians rewire their technology addictions and train themselves to be present and aware of God rather than tuned into the constant distractions and deceptions of this digital age When phones go dark and social media feeds stop scrolling can we step into a deeper stillness and presence with an always present God

Reconnecting the Church is offered as a practical guide to assist pastors and laypeople in understanding the city engaging and serving the local community in which the church is located The book's purpose is to come along side the local church that wishes to reconnect to its local community and offer practical ways to accomplish that task There are 25 chapters each of which describes briefly an aspect of life in the city At the end of each chapter are practical action reflection projects These projects are designed to give the reader first hand experience of their church's immediate neighborhood They are specific tasks most of which will be done outside the church Each action is described and guidance is given for reflection after each project **Justice Calling** Palmer Chinchon, 2016-06-14 From the author of Barefoot Tribe whose manifesto offers hope and inspiration for people of all faiths Booklist comes a spiritually exhilarating guide toward living a life full of purpose authenticity and justice Do you feel stuck in your faith Are you searching for purpose Do you desire a more authentic life If your faith experience has been in the Western church you have probably missed an essential part of spiritual growth without even knowing it For decades the church has been focused on personal piety instead of the needs of the world around it But Christians have not been entrusted with the story of the Gospel to simply start building campaigns and run programs rather we are to bring the world the message of hope and love And to meet the needs of those we come in contact with In Justice Calling Palmer Chinchon offers a call to a fuller expression of following Christ He says our faith must be a faith of doing not just hearing Our gaze must shift from ourselves and our small enclave like minded individuals to the world filled with opportunities to bring justice and mercy We must go To the poor the enslaved the lost and the lonely There we will find fulfillment as we live out our calling Are you ready to join the movement toward living with a purpose loving authentically and engaging in the cause of justice around the globe In Justice Calling you will find that not only will you bring change to the lives of those you seek to serve but in so serving you will be indelibly changed as well Live Love Show Compassion Be Changed justice is calling
