Reconsidering Tu Fu Literary Greatness And Cultural Context:

Reconsidering Tu Fu Eva Shan Chou, 2006 Tu Fu is by universal consent the greatest poet of the Chinese tradition In the epochal An Lushan rebellion he alone of his contemporaries consistently recorded in poetry the great events and pervasive sufferings of the time For a millennium now Tu Fu's poetry has been accepted as epitomizing the Chinese moral conscience at its highest and as such his work has been placed almost beyond the reach of criticism Indeed objectivity about Tu Fu has often been viewed as criticism of him

Reconsidering Tu Fu Eva Shan Chou, 2006-11-02 Tu Fu is by universal consent the greatest poet of the Chinese tradition and the epitome of the Chinese moral conscience at its highest In Reconsidering Tu Fu Eva Shan Chou examines Tu Fu both as a cultural monument and as a poet She investigates the evolution of his stature as an icon and provides translations of many poems both well known and obscure Her analyses are both original in their formulation and considerate of the many fine readings of traditional commentators

Reading Du Fu Xiaofei Tian, 2020-06-23 This is the first collection of essays in English contributed by well known experts of Chinese literature as well as scholars of a younger generation dedicated to the poetry of Du Fu commonly regarded as the greatest Chinese poet These essays are engaged in historically nuanced close reading of Du Fu's poems both canonical and less known from new angles and in various contexts and discuss a series of critical issues including the local and the imperial the body politic and the individual body poetry and geography perspectives on the complicated relation of religion and literature materiality and contemporary reception of Du Fu poetry and visual art and tradition and modernity Many of the poems discussed in this book were written in the backwater town of Kuizhou far from Du Fu's earlier residence in the capital city Chang'an at a time when the Tang dynasty was going through devastating social and political disturbances The authors contend that Du Fu's isolation from the elite literary establishments allowed him to become a pioneer who introduced a new order to the Chinese poetic discourse However his attention to details in everyday reality his preoccupation with domestic life and the larger issues embroiled in it his humor and his ability to surprise tend to be obscured by the clichéd image of the poet sage and poet historian an image this collection of essays successfully complicates The scholarship that went into this collection of essays is extremely solid and fills an important gap in the study of China's greatest poet Du Fu The convincing and compelling collection of articles from distinguished scholars rereads Du Fu from fresh and different perspectives and informs the reader about the amazing power of intertextuality Kang I Sun Chang Yale University This rich and multilayered collection of essays about Du Fu all written by major scholars presents research of the highest quality and originality that succeeds most impressively in enriching and deepening our knowledge and appreciation of this great poet This volume has the potential to engender a new stage of Du Fu studies Antje Richter University of Colorado Boulder

Du Fu Du Fu, 2013-08-21 Du Fu 712-770 is one of the undisputed geniuses of Chinese poetry still universally admired and read thirteen centuries after his death Now David Young author of *Black Lab* and well known as a translator of Chinese poets gives us a sparkling new translation of

Du Fu's verse arranged to give us a tour of the life each chapter of poems preceded by an introductory paragraph that situates us in place time and circumstance. What emerges is a portrait of a modest yet great artist, an ordinary man moving and adjusting as he must in troubled times while creating a startling timeless body of work. Du Fu wrote poems that engaged his contemporaries and widened the path of the lyric poet. As his society, one of the world's great civilizations slipped from a golden age into chaos, he wrote of the uncertain course of empire, the misfortunes and pleasures of his own family, the hard lives of ordinary people, the changing seasons, and the lives of creatures who shared his environment. As the poet chases chickens around the yard, observes tear streaks on his wife's cheek, or receives a gift of some shallots from a neighbor, Young's rendering brings Du Fu's voice naturally and elegantly to life. I sing what comes to me in ways both old and modern, my only audience right now nearby bushes and trees, elegant houses stand in an elegant row too many if my heart turns to ashes, then that's all right with me from Meandering River.
