Amy Chazkel

Reconstructing Criminality In Latin America:

Reconstructing Criminality in Latin America Carlos A. Aguirre, Robert Buffington, 2000-02 The only reader currently available on criminality in Latin America *Reconstructing Criminality in Latin America* reconstructs the way in which different Latin American societies have viewed described defined and reacted to criminal behavior Crime in Latin America is explored in terms of gender race class and criminological theory The highly readable essays in this book explore how Catholic notions of sin natural law the divine rights of absolutist monarchs liberal rights of man positivism and social Darwinism received a sympathetic even enthusiastic endorsement from policy makers throughout Latin America *Reconstructing Criminality in Latin America* also shows how new methodologies have given scholars deeper insight into the significance of crime in Latin American societies The selections testify that the insights of scholars like Eric Hobsbawm and Michel Foucault are the foundations of modern histories of crime in Latin America This book is ideal for criminal justice sociology and Latin American social history courses

Reconstructing Criminality in Latin America Carlos Aguirre, Robert Buffington, 2000 The only reader currently available on criminality in Latin America *Reconstructing Criminality in Latin America* reconstructs the way in which different Latin American societies have viewed described defined and reacted to criminal behavior Crime in Latin America is explored in terms of gender race class and criminological theory The highly readable essays in this book explore how Catholic notions of sin natural law the divine rights of absolutist monarchs liberal rights of man positivism and social Darwinism received a sympathetic even enthusiastic endorsement from policy makers throughout Latin America *Reconstructing Criminality in Latin America* also shows how new methodologies have given scholars deeper insight into the significance of crime in Latin American societies The selections testify that the insights of scholars like Eric Hobsbawm and Michel Foucault are the foundations of modern histories of crime in Latin America This book is ideal for criminal justice sociology and Latin American social history courses

Violence and Crime in Latin America Gema Santamaría, David Carey, 2017-02-21 According to media reports Latin America is one of the most violent regions in the world a distinction it held throughout the twentieth century The authors of *Violence and Crime in Latin America* contend that perceptions and representations of violence and crime directly impact such behaviors creating profound consequences for the political and social fabric of Latin American nations Written by distinguished scholars of Latin American history sociology anthropology and political science the essays in this volume range from Mexico and Argentina to Colombia and Brazil in the twentieth and twenty first centuries addressing such issues as extralegal violence in Mexico the myth of indigenous criminality in Guatemala and governments selective blindness to violent crime in Brazil and Jamaica The authors in this collection examine not only the social construction and political visibility of violence and crime in Latin America but the justifications for them as well Analytically and historically these essays show how Latin American citizens have sanctioned criminal and violent practices and incorporated them into social relations everyday practices and institutional settings At the same time the

authors explore the power struggles that inform distinctions between illegitimate versus legitimate violence Violence and Crime in Latin America makes a substantive contribution to understanding a key problem facing Latin America today In its historical depth and ethnographic reach this original and thought provoking volume enhances our understanding of crime and violence throughout the Western Hemisphere **Criminal and Citizen in Modern Mexico** Robert

Buffington,2000-01-01 Criminal and Citizen in Modern Mexico explores elite notions of crime and criminality from the late eighteenth to the early twentieth century In Mexico these notions represented contested areas of the social terrain places where generalized ideas about criminality transcended the individual criminal act to intersect with larger issues of class race gender and sexuality It was at this intersection that modern Mexican society bared its soul Attitudes toward race amalgamation and indios lower class lifestyles and l peros women and sexual deviance all influenced perceptions of criminality and ultimately determined the fundamental issue of citizenship who belonged and who did not The liberal discourse of toleration and human rights the positivist discourse of order and progress the revolutionary discourse of social justice and integration sought in turn to disguise the exclusions of modern Mexican society behind a veil of criminality to proscribe as criminal those activities that criminologists penologists and anthropologists clearly linked to marginalized social groups This book attempts to lift that veil and to gaze like Jos Guadalupe Posada at the grinning calavera that it shields

Crime and the Administration of Justice in Buenos Aires, 1785-1853 ,2006-01-01 Crime and the Administration of Justice in Buenos Aires 1785 1853 analyzes the emergence of the criminal justice system in modern Argentina focusing on the city of Buenos Aires as a case study It concentrates on the formative period of the postcolonial penal system from the installation of the second Audiencia the superior justice tribunal in the viceroyalty of R o de la Plata in 1785 to the promulgation of the Argentine national constitution in 1853 when a new phase of interregional organization and codification began Through analysis of criminal cases Barreneche shows how different interpretations of liberalism the changing roles of the new police and the military and the institutionalization of education all contributed to the debate on penal reform during Argentina s transition from colony to state Only through understanding the historical development of legal and criminal procedures can contemporary social scientists come to grips with the struggle between democracy and authoritarianism in modern Argentina Rethinking Development in Latin America Charles H. Wood,Bryan R. Roberts,2010-11-01 **Seeing**

and Beyond Deborah J. Johnson,David Ogawa,Kermit Swiler Champa,2005 This volume is an exciting eclectic collection of essays in honor of Kermit S Champa a leading scholar of impressionism and critic of twentieth century art The lead essay by David Carrier is followed by others from several generations of scholars and museum curators trained by Professor Champa Together they cover an extremely wide historical range from the eighteenth to twenty first centuries and honor Professor Champa s own scholarly rigor methodological diversity and intellectual breadth through topics ranging from art history to cultural studies Jacket **Laws of Chance** Amy Chazkel,2011-06-28 Chronicles the first decades of an informal lottery

called the jogo do bicho or animal game which originated in Rio de Janeiro in 1892 and remains popular in Brazil today

Street Democracy Sandra C. Mendiola Garcia, 2017-04-01 No visitor to Mexico can fail to recognize the omnipresence of street vendors selling products ranging from fruits and vegetables to prepared food and clothes The vendors compose a large part of the informal economy which altogether represents at least 30 percent of Mexico's economically active population Neither taxed nor monitored by the government the informal sector is the fastest growing economic sector in the world In *Street Democracy* Sandra C Mendiola Garcia explores the political lives and economic significance of this otherwise overlooked population focusing on the radical street vendors during the 1970s and 1980s in Puebla Mexico's fourth largest city She shows how the Popular Union of Street Vendors challenged the ruling party's ability to control unions and local authorities power to regulate the use of public space Since vendors could not strike or stop production like workers in the formal economy they devised innovative and alternative strategies to protect their right to make a living in public spaces By examining the political activism and historical relationship of street vendors to the ruling Institutional Revolutionary Party PRI Mendiola Garcia offers insights into grassroots organizing the Mexican Dirty War and the politics of urban renewal issues that remain at the core of street vendors experience even today

In the Wake of Neoliberalism Karen Ann Faulk, 2012-11-21 Understanding the various meanings given to human and citizenship rights in Argentina is an important task particularly so given the nation's prominence in global discussions An exporter of tactics ideas and experts Argentina has become a site of innovation in the field of human rights This book investigates two prominent Buenos Aires protest organizations Memoria Activa and the BAUEN workers cooperative to consider how each has framed its demands within a language of rights Fundamentally this book is concerned with the complex interrelationship between the discourse of human rights and the neoliberal project In exploring the way in which rights talk is used and adapted locally by various activist groups the book looks at the mutually formative and contentious interactions between ideas of human rights rights of citizenship and the concrete and envisioned social relationships that form the basis for social activism in the wake of neoliberalism

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Reconstructing Criminality In Latin America eBooks, including some popular titles.

FAQs About Reconstructing Criminality In Latin America Books

What is a Reconstructing Criminality In Latin America PDF? A PDF (Portable Document Format) is a file format

developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reconstructing Criminality In Latin America PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reconstructing Criminality In Latin America PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reconstructing Criminality In Latin America PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reconstructing Criminality In Latin America PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
