Reconstructing Prehistoric Pueblo Societies:

Reconstructing Prehistoric Pueblo Societies School of American Research (Santa Fe, N.M.),1970 *Reconstructing Prehistoric Pueblo Societies* William A. Longacre,School of American Research,1972-01-01 *Puebloan Societies* Peter M. Whiteley,2018-10-15 Puebloan sociocultural formations of the past and present are the subject of the essays collected here The contributors draw upon the insights of archaeology ethnology and linguistic anthropology to examine social history and practice including kinship groups ritual sodalities architectural forms economic exchange environmental adaptation and political order as well as their patterns of transmission over time and space The result is a window onto how major Puebloan societies came to be and how they have changed over time As an interdisciplinary conjunction Puebloan Societies demonstrates the value of reengagement among anthropological subfields too often isolated from one another The volume is an analytical whole greater than the sum of its parts a new synthesis in this fascinating region of human cultural history

Historic Zuni Architecture and Society Thomas John Ferguson,1996-03 A unique approach to the Zuni Pueblo s history applying the architectural method of space syntax linking the structure of Zuni society to the structure of the architecture housing it Drawing heavily on archeological findings the volume nonetheless disputes the traditional archeological theory of population change as a basis for the changes in Zuni society but does not offer any clear theories of its own However Ferguson adjunct curator of archeology Arizona State U does create a vivid historical architectural analysis of the Zuni culture society and social and architectural structure from 1540 to the 1980s Includes numerous diagrams illustrations and photographs **Archaeology of Communities** Marcello-Andrea Canuto,Jason Yaeger both at,2012-11-12 Wide range of approaches and settings unlike other books on similar topics International appeal on America centered courses Appeal for courses such as landscape studies and settlement Some contributors with enormous reputations in this collection Joyce Isbell Marcus Preucel **The Sociopolitical Structure Of Prehistoric Southwestern Societies** Steadman Upham,Kent G Lightfoot,Roberta A. Jewett,2019-06-26 This book examines current archaeological approaches for studying the organizational structure of prehistoric societies in the American Southwest It presents the historical background of the divergent theoretical models that have been used to interpret Southwestern socio political organizations *Population Circulation and the Transformation of Ancient Zuni Communities* Gregson Schachner,2012-04-01 Because nearly all aspects of culture depend on the movement of bodies objects and ideas mobility has been a primary topic during the past forty years of archaeological research on small scale societies Most studies have concentrated either on local moves related to subsistence within geographically bounded communities or on migrations between regions resulting from pan regional social and environmental changes Gregson Schachner however contends that a critical aspect of mobility is the transfer of people goods and information within regions This type of movement which geographers term population circulation is vitally important in defining how both regional social systems and local communities are constituted maintained and most important

changed Schachner analyzes a population shift in the Zuni region of west central New Mexico during the thirteenth century AD that led to the inception of major demographic changes the founding of numerous settlements in frontier zones and the initiation of radical transformations of community organization Schachner argues that intraregional population circulation played a vital role in shaping social transformation in the region and that many notable changes during this period arose directly out of peoples attempts to create new social mechanisms for coping with frequent and geographically extensive residential mobility By examining multiple aspects of population circulation and comparing areas that were newly settled in the thirteenth century to some that had been continuously occupied for hundreds of years Schachner illustrates the role of population circulation in the formation of social groups and the creation of contexts conducive to social change Ancient Andean Houses Jerry D. Moore,2021-12-14 In an extensive survey of vernacular architecture from across the entire length of the Andes this book explores the diverse ways ancient peoples made houses the ways houses re create culture and new perspectives and methods for studying houses **The Chimney Rock Archaeological Symposium** J. McKim Malville,Gary Matlock,1993 **Dynamics of Southwest Prehistory** Linda S. Cordell,George J. Gumerman,2006-05-28 Emerging from a School of American Research this work reviews the general status of archaeological knowledge in 9 key regions of the Southwest to examine broader questions of cultural development which affected the Southwest as a whole and to consider an overall conceptual model of the prehistoric Southwest after the advent of sedentism
