Recoveries A Poem:

Recoveries Theodore Russell Weiss,1982 **The Big Book of Recovery Poems** Yvonne Stringer,2015-08-17 Many of those who battle addiction cant see the light at the end of the tunnel I would say to not be discouraged there is a light Whether you have just started the recovery process or you have many years you cant do this alone Seek ye first the kingdom of God and all these things shall be added unto you Matthew 6 33 This book is to simply let you know that you are not as alone as you may think Here you will find poems from domestic violence to being a kid again There are poems from suicidal ideation to survival skills Hope strength faith courage and overcoming the bondage of self can be found within these covers The Big Book of Recovery Poems will make you cry and make you smile *Poems of a Spiritual Awakening* Anonymous,2014-04-11 Poems of a Spiritual Awakening offers an intimate look at one poets own spiritual awakening over a period of twenty seven years going into and out of recovery Most critical to this awakening is the all inclusive universal power of a loving God as He revealed Himself to the author through this inspiring poetry After many years knowing that change was needed but having no success finding what others had discovered to enable their recoveries the author began writing poetry to express those innermost feelings Through these verses God became an overwhelming presence awakening the authors innermost emotions and the need to finally begin recovery from addiction From the pain of acknowledging a troubled past in Boogie Man to the poignancy of Self Love the author gradually found a way to express deeply buried emotions and fears This poetry collection was written in less than fifty days with God providing the path to release and recovery The Voice I had a voice I made much noise I knew just what to do I yelled in here I talked out there the voice within my mind it drove me very blind I thought out there I thought out here could hardly get some air and then your voice that still small sound just threw me to the ground It quieted my spirit true and showed me what to do **Drunks and Other Poems of Recovery** Jack McCarthy,2013-07-06 Forty years sober when he neared the end of his life Jack McCarthy gives the world something special in his final collection of poetry and true stories This is his legacy to the people who saved his life Jack McCarthy s poem Drunks has gone around the world on recovery websites and is one of the most popular poems on the harsh climb out of alcoholism to date *Recovery* J. L. Conrad,2023 J L Conrad s Recovery inhabits a dreamscape filled with fragments of conversation remembered loved ones and the profound disorientation that accompanies loss Written over the span of a week this poetic sequence invites us to imagine how a body flooded with grief or physical pain becomes self identified with these sensations a takeover that Elaine Scarry describes as annihilation blurring all that is inside and outside and knotting them together If grief is an unreality that parallels dreams this doesn t feel real then poetry with its heightened awareness is what brings us back to the world outside the body The incantatory poems in this sequence offer a way of moving beyond the self at a time when the only way through is through Or in the words that Shoshana Felman offers about Paul Celan s poetry To seek reality is both to set out to explore the injury inflicted by it to turn back on and try to penetrate

the state of being stricken wounded by reality wirklichkeitswund and to attempt at the same time to reemerge from the paralysis of this state to engage reality Wirklichkeitsuchend as an advent a movement and as a vital critical necessity of moving on As Conrad s poetry provides glimpses into questions of human frailty loss and sentience itself the speaker in Recovery looks not for transcendence but embraces a body marked and wounded a body trailing ghosts From Recovery In my dream we were in a tree and we were suffering In this case suffering with could not alleviate suffering It proved impossible to overlook the pits in our stomachs The car lurched forward into the knees of the pedestrian the line of pilgrims
