THE OBJECTIVE OF THIS BOOK The objective that dictated both the subject and the content of this volume is the glory of God His kingdom like Himself is great and thus is apt to be perceived less clearly than is possible Because the kingdom of God involves His deliberate dealings with men it is of particular importance to them To neglect the kingdom is to neglect God Himself while to seek first the kingdom of God is to seek Him primarily We cannot think properly about God in separation from His kingdom It is related to His objectives His will and His person The law of God the grace of God the salvation of God all are resident in and associated with the kingdom of God Any concept of God or His kingdom that introduces contradictory thoughts or that mystifies God s person and work contributes to man s basic spiritual ignorance Such concepts obscure deity and thus constitute alienating influences My purpose is to elaborate upon that most worthy objective of the pure religion and sound doctrine to glorify God and to advantage men by clarifying the nature of God s kingdom and establishing the priority of an intelligently revealed religion as evidenced in the holy scriptures

Austin Farrer, 2012-06-26 Austin Farrer s writings show amazing originality and independence of thought To the end of his life he was developing a Christian apologetic that was both thoroughly orthodox and thoroughly contemporary

Interpretation and Belief is a collection of essays grouped round three themes Canon Creed and Criteria presenting Farrer s thoughts on the foundations of Christian belief As with *Reflective Faith* a recently published collection of his essays on philosophical theology the pieces vary considerably both in range and in date they are chosen to stimulate interest rather than to exhaust their subject matter Farrer s studies of the Gospels and his exploration of Christian doctrine both find their place in the larger framework of theistic belief and reveal their author s deep commitment profound learning and ability to hold faith and reason in a creative tension
