Radical Recovery Kelly, 2012-12-20 In reading this book you will discover that you are much more powerful than your addiction much more powerful than the obsessive thoughts compulsive feelings and physical cravings that create so much pain and suffering in your life and the lives of those you love. It can inspire and motivate you to reach deep inside yourself and awaken the extraordinary powers that nature has bestowed on you as it guides you through a process that transforms cravings for alcohol or drugs into cravings for courage freedom honesty integrity humility and peace. According to HBO's documentary Rehab of the 2 million people who seek treatment each year in the United States 1 840 000 will relapse within twelve months some the first day. That's a 92 percent failure rate. This is a national disgrace. I Trudged Sergeant Skid Row, 2020-06-22 The book I Trudged describes the author's life going from a path of almost certain death to a life without complaints or regrets. The word trudged in the title implies that the journey was not an overnight event and that it wasn't always easy. His journey took him to eight countries and sixteen states. He describes the ups and downs in his recovery through a series of short stories. He ties together his personal experiences with the principles of recovery taught to him by those he met along the way.
