Recovering Christina Rossetti:

Recovering Nineteenth-Century Women Interpreters of the Bible Christiana de Groot, Marion Ann Taylor, 2018-04-25 Women have been thoughtful readers and interpreters of scripture throughout the ages yet the usual history of biblical interpretation includes few women's voices To introduce readers to this untapped source for the history of biblical interpretation this volume presents forgotten works from the nineteenth century written by women including Grace Aguilar Florence Nightingale and Harriet Beecher Stowe among others from various faith backgrounds countries and social classes engaging contemporary biblical scholarship Due to their exclusion from the academy women's interpretive writings addressed primarily a nonscholarly audience and were written in a variety of genres novels and poetry catechisms manuals for Bible study and commentaries on the books of the Bible To recover these nineteenth century women interpreters of the Bible each essay in this volume locates a female author in her historical ecclesiastical and interpretive context focusing on particular biblical passages to clarify an author's contributions as well as to explore how her reading of the text was shaped by her experience as a woman

Recovering Christina Rossetti M. Arseneau, 2004-04-30 This book re-conceives Christina Rossetti's poetic identity by exposing the androcentric bias inherent in the histories of the Rossetti family and of Pre Raphaelitism by turning new attention to the Rossetti women and by reconstituting a female and religious community for Rossetti's writing Drawing on extensive archival research Mary Arseneau investigates how Rossetti's religious faith sustains her poetic practice and authorizes her cultural and aesthetic critique the result is a re-evaluation and re-contextualization of the whole range of Rossetti's writing

The Afterlife of Christina Rossetti A. Chapman, 2000-06-13 Despite new historical study of her contexts Christina Rossetti continues to haunt the reader as a displaced subjectivity emptied of history Through an analysis of the posthumous in her work the construction of Christina Rossetti by her brothers and the history of reception this study asks how speaking with the dead can avoid critical ventriloquy The figure of the mother is offered as a paradigm for theorising a new reading that refuses to exorcise the ghost of Christina Rossetti

Christina Rossetti Emma Mason, 2018-06-10 Christina Rossetti 1830-94 is regarded as one of the greatest Christian poets to write in English While Rossetti has firmly secured her place in the canon her religious poetry was for a long time either overlooked or considered evidence of a melancholic disposition burdened by faith Recent scholarship has redressed reductive readings of Christian theology as repressive by rethinking it as a form of compassionate politics This shift has enabled new readings of Rossetti's work not simply as a body of significant nineteenth century devotional literature but also as a marker of religion's relevance to modern concerns through its reflections on science and materialism as well as spirituality and mysticism Emma Mason offers a compelling study of Christina Rossetti arguing that her poetry diaries letters and devotional commentaries are engaged with both contemporary theological debate and an emergent ecological agenda In chapters on the Catholic Revival Pre Raphaelite Brotherhood contemporary debates on plant and animal being and the relationship between grace and

apocalypse Mason reads Rossetti's theology as an argument for spiritual materialism and ecological transformation. She ultimately suggests that Rossetti's life and work captures the experience of faith as one of loving intimacy with the minutiae of creation, a divine body in which all things material and immaterial, human and nonhuman, divine and embodied are interconnected. Christina Rossetti and the Bible Elizabeth Ludlow, 2014-10-23 Through theologically engaged close readings of her poetry and devotional prose, this book explores how Christina Rossetti draws on the Bible and encourages her Victorian readers to respond to its radical message of grace. Structured chronologically, each chapter investigates her participation in the formation of Tractarian theology and details how her interpretative strategies changed over the course of her lifetime. Revealing how her encounter with the biblical text is informed by devotional classics, *Christina Rossetti and the Bible* highlights the influence of Thomas à Kempis, John Bunyan, George Herbert, and John Donne, and describes how Rossetti adapted the teaching of the Ancient and Patristic Fathers and medieval mystics. It also considers the interfaces that are established between her devotional poems and the anthology and periodical pieces alongside which they were published throughout the second half of the nineteenth century. Christina Rossetti Kathryn Burlinson, 1998 This builds on the reinterpretations of Rossetti that have emerged in the last 20 years, showing her as a persistent critic of her culture as well as one who explored language, sexuality, and feminine identity.

Christina Rossetti's Environmental Consciousness Todd Williams, 2019-05-01 Christina Rossetti's *Environmental Consciousness* takes a cognitive ecocritical approach to Rossetti's writing as it developed throughout her career. This study provides a unique understanding of Rossetti's identity as an artist through a cognitive model while also engaging significantly with her spiritual relationship to the nonhuman world. Rossetti was a deliberate and conscious creator who used her writing for therapeutic purposes to create, contemplate, maintain, verify, and revise her identity. Her understanding of her autobiographical self and her place in the world often comes through observations and poetic treatments of the nonhuman. Rossetti, her speakers, and her characters seek spiritual knowledge in the natural world and share this knowledge with an audience. In nature, Rossetti finds evidence for and guidance from a loving God who offers salvation. Her work places a high value on nature from a Christian perspective that puts conservation over renunciation. She frequently uses strategies that have now been identified by Christian environmentalists such as retrieval, ecojustice, stewardship, and ecological spirituality. With new readings of popular works like *Goblin Market* and *A Birthday*, along with treatments of largely neglected works like *Verses 1847* and Rossetti's devotional writings, *Christina Rossetti's Environmental Consciousness* offers an understanding of Rossetti's processes and purposes as a writer and displays new potential for her work in the face of twenty-first century environmental issues.

Christina Rossetti's Faithful Imagination D. Roe, 2006-10-31 This new study focuses on the critically neglected area of Rossetti's devotional poetry and her prose, offering a critical intervention in the feminist construction of an important Victorian woman poet.

Christina Rossetti's Gothic Serena Trowbridge, 2013-10-03 The poetry of Christina Rossetti is often described as gothic, and yet this

term has rarely been examined in the specific case of Rossetti's work. Based on new readings of the full range of her writings from *Goblin Market* to the devotional poems and prose works, this book explores Rossetti's use of Gothic forms and images to consider her as a Gothic writer. Christina Rossetti's Gothic analyses the poet's use of the grotesque and the spectral and the Christian roots and Pre-Raphaelite influences of Rossetti's deployment of Gothic tropes.

The Matrilineal Heritage of Louisa May Alcott and Christina Rossetti Azelina Flint, 2021-07-29

In an unprecedented comparison of two of the most important female authors of the nineteenth century, Azelina Flint foregrounds the influence of the religious communities that shaped Louisa May Alcott's and Christina Rossetti's visions of female creativity. In the early stages of the authors' careers, their artistic developments were associated with their patrilineal connections to two artistic movements that shaped the course of American and British history: the Transcendentalists and the Pre-Raphaelites. Flint uncovers the authors' rejections of the individualistic outlooks of these movements, demonstrating that Alcott and Rossetti affiliated themselves with their mothers and sisters' religious faith. Applying the methodological framework of women's mysticism, Flint reveals that Alcott's and Rossetti's religious beliefs were shaped by the devotional practices and life-writing texts of their matrilineal communities. Here, the authors' iconic portrayals of female artists are examined in light of the examples of their mothers and sisters for the first time. Flint recovers a number of unpublished life writings, including commonplace albums and juvenile newspapers, introducing readers to early versions of the authors' iconic works. These recovered texts indicate that Alcott and Rossetti portrayed the female artist as a mouthpiece for a wider community of women committed to social justice and divine communion. By drawing attention to the parallels in the authors' familial affiliations and religious beliefs, Flint recuperates a tradition of nineteenth-century women's mysticism that departs from the individualistic models of male literary traditions to locate female empowerment in gynocentric relationships dedicated to achieving a shared revelation of God.
