Recovery Spiral A Pagan Path To Healing:

The Recovery Spiral Cynthia Jane Collins, 2004 Employing an eclectic mix of ancient wisdom modern psychology and creative spiritual empowerment to help readers recover from trauma and destructive behaviour from drug abuse to sexual issues to overspending this book interweaves principles from her last one Building a Magical Relationship with a 12 step programme for recovery and healing This groundbreaking work will help those readers who cannot find help in standard 12 step recovery literature which does little to aid those who do not practice a traditional religion **Healer Zorodzai**

Dube, 2020-12-31 This book explores the established field of healing narratives in the New Testament by focusing on the remembered tradition regarding Jesus healings and comparing them with those of other healers such as Asclepius A sub theme to the book is to investigate the reception of Jesus as healer in various African communities The book exposes the various healing methods employed by Jesus such as exorcism touch and the use of spittle Like any other healing performances that reflect the healthcare system of a given culture Jesus healings were holistic healing the bodily pain restoring households and combatting stigmatisation and marginalisation The book demonstrates Jesus healing activities as shalom performances that seek to re establish peace in all its social dimensions With regard to the reception of Jesus as healer in the African context the book elaborates the sacrificial lamb motif and the need for restoring a relationship with God All the contributions in the book present a unique and original perspective in understanding Jesus as healer from an African healthcare system **The Pagan In Recovery: The Twelve Steps From A Pagan Perspective** Deirdre A.

Hebert, 2011-06-11 The Twelve Steps developed by Alcoholics Anonymous are powerful tools to transform the lives of people who struggle with addiction co dependency and compulsive behaviors Unfortunately Pagans in recovery are likely to struggle with the Christian assumptions and language found in many of these programs This book is intended to support a Pagan s participation in any Twelve Step program by showing that the effectiveness and relevance of these tools does not depend on a specific religious or spiritual tradition This book attempts to bridge the gap between the Christian and Pagan understanding of the Twelve Steps while remaining faithful to the original Twelve Step process The Pagan in Recovery is the result of Deirdre Hebert s ability to live her Pagan faith in the midst of a program with a deeply Christian heritage and demonstrates that anyone of any faith can experience freedom from addictions compulsive or co dependent behaviors through this process **Forthcoming Books** Rose Arny, 2003-12 **Becoming an Ally, 3rd Edition** Anne
