Recreating Relationships Collaboration And Educational Reform:

Recreating Relationships Helen Christiansen, Linda Goulet, Mhairi Maeers, Caroline Krentz, 1997-01-01 Focuses on two major themes the improvement of teaching practice through collaborative research and reflection on the process of collaboration itself to understand its role in educational change *The Special Educator's Guide to Collaboration* Sharon F. Cramer, 2006-04-05 Find case stories from up to date research reflection activities structured research and interview activities for developing collaboration skills **Collaboration in Teacher Education** Andrea Peter-Koop, Vânia Santos-Wagner, C.J. Breen, A.J.C Begg, 2013-03-09 This book systematically explores and reflects on a variety of issues related to collaborative mathematics teacher education practice and research such as classroom coaching mentoring or co learning agreements highlighting the evolution and implications of collaborative enterprises in different cultural settings It is relevant to educational researchers research students and practitioners *Forging Alliances in Community and Thought* Irma N. Guadarrama, 2002-10-01 Besides creating an outlet or vehicle for the promotion and the dissemination of theory and practice in the professional development school field the book series project will focus on topics at the forefront of current discussion and dialogue among experts The manuscripts will be carefully and systematically selected to provide the expression of an array of voices especially those that speak from insightful first hand experience Included are the voices of the researchers who strive to design and implement research that seeks to inform practice The book series will underscore the depth and substance of research quantitative and qualitative designs and their applications in a variety of contexts **Collaboration Uncovered** Merle Richards, Anne Elliott, Vera Woloshyn, Coral Mitchell, 2001-06-30 University faculty members describe their collaborative projects with other faculty members researchers graduate students professional educators and other stakeholders in the educational enterprise Through descriptions of several collaborative projects the chapters explore some of the less explicitly articulated aspects of collaborative ventures The authors use a variety of conceptual frameworks derived from a number of disciplines including education and business to deconstruct collaboration and to further understand its elements issues dynamics and problematics By confronting the challenges of building genuine and effective collaborative partnerships across institutions and cultures and by examining how the personal and the professional intertwine within the process the book extends and deepens the dialogue about such partnerships Collaboration is presented as a deeply personal and professionally challenging enterprise that offers satisfaction and enrichment when it is undertaken with eyes and minds wide open *Behind Closed Doors* Miriam Ben-Peretz, Shifra Schonmann, 2000-02-10 Provides insights into an uncharted territory in the educational environment of schools the teachers lounge *The Sage Encyclopedia of Qualitative Research Methods: A-L ; Vol. 2, M-Z Index* Lisa M. Given, 2008-08-21 An encyclopedia about various methods of qualitative research *Professional Practice in Health, Education and the Creative Arts* Joy Higgs, Angie Titchen, 2008-04-15 Society is rapidly changing its expectations of professionals in all arenas In this book we focus on changing patterns of professional practice in

health education and the creative arts In each of these areas professional practice care is undergoing major reform in a complex and rapidly changing environment This multi authored text explores professional practice in four key dimensions doing knowing being and becoming These concepts have been chosen to represent professional practice as much more than applying learned knowledge in practice situations The authors present professional practice as a lived and dynamic experience as well as a process a service for and with others and a way of being and behaving The text explores the essential unity of knowledge and practice through discourse narrative imagery and critical debate This is a book for all those seeking to learn and to improve practice
