Dashiell Hammett

Red Harvest:

Red Harvest Dashiell Hammett, 2010-12-29 From one of the great pioneers of detective stories a classic novel reissued with a new introduction by S A Cosby The steadfast and sturdy Continental Op has been summoned to the town of Personville known as Poisonville a dusty mining community splintered by competing factions of gangsters and petty criminals The Op has been hired by Donald Willsson publisher of the local newspaper who gave little indication about the reason for the visit No sooner does the Op arrive than the body count begins to climb starting with his client With this last honest citizen of Poisonville murdered the Op decides to stay on and force a reckoning even if that means taking on an entire town Red Harvest is more than a superb crime novel it is a classic exploration of corruption and violence in the American grain

Red Harvest Dashiell Hammett, 2025-01-01T09:01:00Z The Continental Op the nameless hard drinking and quick shooting detective arrives at Personville called Poisonville by its inhabitants in response to a call from the local newspaper publisher Donald Willsson But just as the Op arrives Willsson is murdered in cold blood The Op begins investigating the murder only to be ensnared in the deep web of power corruption and lies that undergirds the rough and tumble town Red Harvest was first published as a series of short stories in Black Mask magazine before Hammett rewrote them and linked them together to form this novelization It is therefore the first novel to feature the Continental Op the larger than life character who would go on to become the prototype for every hard boiled emotionally stunted fedora wearing detective cliché to grace media ever since The novel's influence has been widely recognized with Time magazine placing it in its list of 100 best novels from 1923 to 2005 and authors for a century to come riffing on the stereotype created by the Continental Op This book is part of the Standard Ebooks project which produces free public domain ebooks **Red Harvest** Dashiell

Hammett, 1994-09 The murder of the last honest citizen in Poisonville prompts the Continental Op to seek out the guilty in a facsimile edition of the classic exploration of corruption and violence first published in 1929 **Red Harvest** Dashiell

Hammett, 1929 When a hard fighting detective arrives in Personville and finds that his client has been murdered he decides to investigate local gangland activities **Red Harvest** Hammett Dashiell, 2018-04-27 Red Harvest is a classic crime novel

that helped establish the hard boiled genre This is most definitely not a polite parlor mystery where most of the blood is spilled off of the page As the title suggests this book is filled with mayhem and the bodies are falling left and right The Continental Op travels to Personville USA following an invite from the editor of the local newspaper but upon the Op's arrival he finds out that his host had been gunned down in cold blood Just another day in Poisonville When Personville's most powerful man enlists the help of the Op by floating a cool ten grand his way the Op puts forth a plan to clean up the town once and for all **The Red Corner** Verlaine Stoner McDonald, 2010 The Red Corner chronicles the Communist movement

in a rural Montana community from the late teens through the early 1930s Examining newspaper accounts and interviews the book explains how Sheridan County became one of the most class conscious areas in the nation according to historian

Lowell Dyson and why its reputation as red persisted for decades thereafter **Critical Perspectives on the Western** Lee Broughton, 2016-09-19 For decades the Western film has been considered a dying breed of cinema yet filmmakers from Quentin Tarantino to Ethan and Joel Coen find new ways to reinvigorate the genre As Westerns continue to be produced for contemporary audiences scholars have taken a renewed interest in the relevance of this enduring genre In **Critical Perspectives on the Western** From *A Fistful of Dollars* to *Django Unchained* Lee Broughton has compiled a wide ranging collection of essays that look at various forms of the genre on both the large and small screen Contributors to this volume consider themes and subgenres celebrities and authors recent idiosyncratic engagements with the genre and the international Western These essays also explore issues of race and gender in the various films discussed as well as within the film genre as a whole Among the films and television programs discussed in this volume are *The Assassination of Jesse James by the Coward Robert Ford* *Django Kill* *Justified* *Meek's Cutoff* *Tears of the Black Tiger* *Appaloosa* *The Frozen Limits* and *Red Harvest* Featuring a diverse selection of chapters that represent current thinking on the Western **Critical Perspectives on the Western** will appeal to fans of the genre film students and scholars alike **Hard-boiled Masculinities** Christopher Breu, 2005 The persona of the American male in the period between the two world wars was characterized by physical strength emotional detachment aggressive behavior and an amoral worldview This ideal of a hard boiled masculinity can be seen in the pages and even more vividly on the covers of magazines such as *Black Mask* which shifted from Victorian influenced depictions of men in top hats and mustaches in the early 1920s to the portrayal of much more overtly violent and muscular men Looking closely at this transformation Christopher Breu offers a complex account of how and why hard boiled masculinity emerged during an unsettled time of increased urbanization and tenuous peace and traces the changes in its cultural conception as it moved back and forth across the divide between high and low culture as well as the color line that bifurcated American society Examining the work of Ernest Hemingway Dashiell Hammett Chester Himes and William Faulkner as well as many lesser known writers for the hypermasculine pulp magazines of the 1920s and 1930s Breu illustrates how the tough male was a product of cultural fantasy one that shored up gender and racial stereotypes as a way of lashing out at the destabilizing effects of capitalism and social transformation Christopher Breu is assistant professor of English at Illinois State University [Reading Early Hammett](#) LeRoy Lad Panek, 2004-09-22 Dashiell Hammett like most successful writers honed his skills in the trenches Long before *The Maltese Falcon* and *The Thin Man* made him a household name Hammett developed his technique writing satirical magazine pieces then moved on to churn out tales of sex crime and adventure for pulp magazines Characters like Sam Spade and Nick and Nora Charles made him famous but Hammett perfected his style and created the first hard boiled detective fiction writing stories and novels about an anonymous middle aged detective known as the Continental Op This detailed examination of the early works of Dashiell Hammett takes a new look at one of the 20th century's most influential crime writers and his creation of the hard boiled detective story Each

chapter covers an element of Hammett's early writing career his magazine fiction the Continental Op's development as a character the Continental Op novels and the last Continental Op stories A concluding chapter provides afterthoughts on Hammett's career style and place in the history of detective fiction A chronology of works cited a bibliography and an index supplement the text Bulletin, 1918
