Eastman, 2010 *Red Hunters and the Animal People with Original Foreword by CMarie Fuhrman (Annotated)* Charles A Eastman, 2024-07-16 An ancient land a timeless people From the author of Indian Boyhood and The Madness of Bald Eagle comes a collection of twelve gripping tales inspired by Native American folklore and culture Who can save a starving village What does it take to change foe to friend What is the cost of triumph Learn of the people found beneath fur and feather Each of these short stories opens a door into the world of the animals that roam this earth Read the wisdom of nature as it was told for thousands of years before being written down This new edition highlights the importance of native knowledge with a new foreword by award winning poet and author CMarie Fuhrman The mysteries lost to the westward expansion are preserved here once more Turn back the page of time and hear the call of the past **Red Hunters and the Animal People (Annotated)** Charles Eastman, 2015-11-11 That these stories about animals were written by an Indian accounts largely perhaps for a certain quality differentiating them from others of their class Many current stories of bird and beast show a wider knowledge of animals than do these under consideration In this collection however there is expressed a feeling of camaraderie between the author and the subjects of the tales a kinship between man and the animal world which is not expressed elsewhere Red Hunters and the Animal People Eastman Charles Alexander, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Red Hunters and the Animal People** Charles Alexander Eastman, 1905 **Red Hunters and the Animal People.** by Charles A.
