

The top half of the image features a dark, silhouetted tree with intricate branches against a background of a sunset or sunrise. The sky transitions from a deep orange near the horizon to a dark, almost black, at the top. A bright, full moon is positioned in the upper right quadrant, partially overlapping the tree's branches. The title 'RED MOON PASSAGE' is written in a large, white, serif font, with the words stacked vertically. The 'O' in 'MOON' is replaced by the image of the full moon.

Red Moon Passage:

Red Moon Passage Bonnie J. Horrigan, 1996 Viewing menopause as a life affirming transformation medical journalist Bonnie Horrigan renames it the passage of the red moon after which is not darkness but a magnificent new phase giving birth to new life and wisdom within Horrigan's interviews with many women from different spiritual traditions will awaken all women to the power and possibility of the menopausal experience

Red Moon Passage Bonnie J. Horrigan, 1998-07-01 Red Moon Passage does not come from one particular culture In renaming menopause for myself I tried to find words that would describe both our growing out of the blood cycles and childbearing years our indelible physical connection to the feminine and the fact that as menopause is completed we enter into a new realm of being In every way we are on a voyage to a new land Bonnie J Horrigan from the Introduction to Red Moon Passage In the spirit of The Feminine Face of God Coming Into Our Fullness and When I Am an Old Woman I Shall Wear Purple this new perspective on women and spiritual power Red Moon Passage celebrates menopause as an archetypal journey of transformation Written with notable grace it contains a personal story of sorrow and triumph as well as enlightening conversations with eight extraordinary women from different backgrounds and traditions Jeanne Achterberg Paula Gunn Allen Angeles Arrien Clarissa Pinkola Estes Kachinas Kutenai Carol S Pearson Jamie Sams and Barbara G Walker These women attest to the magical life affirming creative and regenerative potential of menopause that is within every woman Red Moon Passage provides uplifting thought provoking insights about menopause as a spiritual journey to a new way of being It shows that the Red Moon Passage is not a transition to an end stage of life but is itself a magnificent and powerful new phase From the Trade Paperback edition
