Cross-Cultural Perspectives on Couples with Mixed HIV Status: Beyond Positive/Negative Asha Persson, Shana D. Hughes, 2016-10-24 This edited volume presents a detailed portrait of couples living with mixed HIV status where one partner is HIV positive and the other negative. Readers will come to understand the various and complex ways in which these mixed status or serodiscordant couples build a life together within the shadow of HIV related stigma. Spanning the globe, coverage explores serodiscordance as a negotiated practice and process inseparable from the social context in which it is situated. The book shows how couples draw on diverse and sometimes contradictory cultural discourses of medicine, romance, and normality to make sense of and manage their mixed HIV status and any perceived risks not uncommonly in ways that depart from prevailing HIV prevention messages. Throughout compelling personal stories accompany the empirical research sharing the firsthand experiences of men and women in serodiscordant relationships. Bringing together research from diverse disciplines and geographical regions, this book contributes important insights for future HIV health promotion as well as offers new knowledge to scholarship on the cultural intersections of illness and intimacy. It will appeal to a broad audience working across the fields of HIV health, gender, sexuality, development, and human rights.

Wings of Red James W. Jennings, 2023-11-21 An inventive and stylish debut written by a Black educator, *Wings of Red* is a clear-eyed, funny, imperfect, and observant work of autofiction that grapples with the absurdity of the New York City educational system as a substitute teacher that in the end reads as an ode to the city itself. June Papers is a twenty-eight-year-old MFA grad with a felony record, the classic young Black and gifted American misfit. He's also a substitute teacher. He's also homeless. With dreams of becoming a writer, June endures a host of trials and dilemmas as he reluctantly realizes mentoring and teaching might actually be a path forward for him. *Wings of Red* is driven by June's unique narrative style, a propulsive voice that intimately and vulnerably guides readers through the condemned external reality of a Black educator's personal and professional world falling apart and coming together again. Populated by a host of true-to-life characters who are attempting to realize their dreams despite precarious professional and financial realities, *Wings of Red* elucidates the fallacy of the American dream while serving as a reminder of how powerful and necessary autofiction can be. Directed at students and educators but written for any audience, *Wings of Red* is an inspiring and poetic tour de force and an unexpectedly necessary ode to New York City that features a texture, velocity, and immediacy that speaks to the author's authentic and lived perspective.

Cloak of Red Isabel Jolie, 2023-08-31 In the past, he was paid to protect me. Now, he's being paid to marry me. My first operation in the field, the marriage, is a cover. Damian Fisher is a CIA legend with a shaggy beard, chocolate curls, and deep blue eyes. As a teen, my girlfriends swooned in his presence. I never expected to work with him as an equal. I'd bet he never expected it either. But my overprotective father is a powerful man, and I wouldn't put it past him to pull a stunt like this to protect his baby girl. Requesting my old bodyguard and his close friend to work by my side is right down Daddy Dearest's alley. But I no longer
