Red Sails No Sunset:

Red Sails, No Sunset Lindsay Wright, 1993 *Sing Out! -- All Time and Old Time Favourites*, 1997-07 In 1970 the Ontario government prepared a book of All Time and Old Time Favourites to be available to all Senior Citizen Homes Clubs and Centers and adult Charitable Institutions for use by the members residents auxiliaries and staff But these contained only the words In 1973 the Markhaven Committee produced a music book to go along with the word The songs are pitched a little lower in a key that is easier for seniors to sing and the arrangements are simple enough for most pianists to be able to sit down and play The Man Who Wrote the Teddy Bears' Picnic J. J. Kennedy, 2011-11-04 A first biography of one of Britain's leading lyric songwriters The Man Who Wrote The Teddy Bears Picnic tells the story of Irish born Jimmy Kennedy one of the last and arguably the finest of the professional Tin Pan Alley songwriters of the pre Beatles golden age of popular song A fascinating insight into the life of a man who rose from small town beginnings to become for fifty years the lyrical and musical power behind some of the twentieth century's top popular song entertainers from the days of Variety right up to The Beatles era Jimmy had something like 30 No 1 hits to his credit worldwide but is little known outside of music business circles The book written by his younger son ex journalist J J Kennedy sets out to remedy this omission and celebrates his contribution to the genre Though his romantic ballads like Red Sails in the Sunset continue to be played all round the world Jimmy is possibly best remembered today for the Cokey Cokey which he adapted from a Canadian folk song in 1943 and The Teddy Bears Picnic which gave magical children's words to an old American tune Well written and easy to read the book serves as an excellent historical record of pop and is full of facts observations and authoritative comment on the cut and thrust village that was Tin Pan Alley It captures the bustle of the place and its almost industrial approach to song creation It paints a colourful picture of some of the leading characters of the period and exposes the double dealing greed and downright exploitation prevalent in that world But the book also creates a romantic mysticism around the characters who dashed around in Denmark street peddling their talent so often in vain It transports you to smoky little rooms with music coming from every corridor and it tells the story in black and white like an old Hollywood movie Swimming among all these sharks is the unlikely figure of Jimmy Kennedy dapper and charming modest and artistically fine tuned yet steely resilient and highly commercial A man who could spot the financial worth of his work write to order sometimes in lightning quick time and stand his ground when he knew he had a hit He was in fact a one man hit machine But it wasn't always one man and the book illuminates the winning partnerships with Michael Carr Will Grosz et al One of the key strengths of the book is its nostalgia appeal and has some wonderful anecdotes including recollections from Terry Wogan Val Doonican and others and non musical people such as Denis and Margaret Thatcher All in all a very intelligent book and one which will become a work of reference for anyone studying the popular music art form of the twentieth century **Engelbert - What's In A Name?** Engelbert Humperdinck, 2012-05-10 The man known simply as Enge by his millions of fans worldwide has sold over 150

million records and is in the Guinness Book of Records for achieving 56 consecutive weeks in the chart with Release Me From living on the dole and receiving last rites with tuberculosis to buying a Hollywood palace with a heart shaped pool and a fleet of fourteen Rolls Royces Engelbert wears his King of Romance crown so well that horticulturists even named a rose after him And the love god has certainly lived up to his reputation indulging in a string of affairs and one night stands whilst remaining happily married to his first love Patricia Forty years on from his early hits Enge is still at the very top selling out concerts across the world representing the UK at the 2012 Eurovision Song Contest and topping the charts in all the major markets Inspired by the warmth of his millions of affectionate fans and the endless support of his wife Engelbert shares his incredible life story with openness humour and astonishing honesty *History Plays* Charles Mee, 2018-03-05 sheer subversive bravado The New York Times Here are six enthusiastically received history plays by Charles Mee The Life of George Washington Full Circle The War to End War Vienna Lusthaus Gone and Requiem for the Dead The War to End War is engrossing as it spins its arguments brilliant even in its detours and diversions When the lights came back up it was clear Mee had blown the collective mind of the audience By sheer force of intellect and provocation he had violated nearly all rules of theater making and playwriting in an evening that was never boring If there were more smart theater like this more smart people would go to see theater theater2k com The titillating eeriness of impending doom is exploited so gorgeously in Vienna Lusthaus that you can understand how civilizations become complicit in their own demise A seamless amalgam of dance music and drama is set before World War I in Vienna where Freud and Hitler overlapped which it presents in a delicately surreal fashion as a hothouse of sensuality and incipient Nazism The New York Times Through the ages the tale of the judgment of the chalk circle has been told many times by many authors but never ever not once in a blue moon has it been told with the abundant imagination and affirmation of Charles Mee's Full Circle at Steppenwolf Theatre This is as its final stage picture so beautifully shows a play of hope one that believes some good may someday come from our turbulent times Rarely has that hope been expressed with such passion such strength such joy Chicago Tribune **Circus** Frederic Weinstein, 2006-12 A tour de force of astonishing power and poetry Circus uses the mystic panorama of a traveling mud show as a metaphor for the neverending cycle of life Dwarves and roustabouts clowns and elephants freaks and puppet shows snakes and ringmasters talking beasts and a single elusory beauty all parade before a silently observant child over the course of a single day engaging him as well as the reader with humor ribaldry and prophetic wisdom A testament to the mystery of creation Circus challenges and inspires To read it is to celebrate everything majestic and terrible about the world the firmament and mankind's precarious place in it [A Time of Transition](#) Paul Glen, 2014 A professional man in his 50s and in a 2d career is sent to a former communist country to help it make the transition to free market management In the country he is requested to teach businessmen with the help of Gabriela a skilled translator Gradually they become very close and together enjoy many pleasant adventures but complications of family and distance interfere with their relationship **Sky**

Hawk Gerit L. Fenega,2014-03-13 This book is a firsthand account of the Vietnam conflict as it unfolded before a midlevel career military officer In a first person account it does not portend to be a microcosm of that war but rather what it was like for one year at one place to participate and ultimately lead an attack squadron in combat This an upbeat anecdote filled historically accurate but nonscholarly tale of events seen or taken part in by the author The book aims for a wide audience that likes aviation adventure and insight into leadership It forcefully brings home the lessons we as a country should learn from such turmoil This is no memoir to justify the action or inaction of a midlevel manager but a month by month account of controlled mayhem and high humor among professionals in the maelstrom of battle **Billboard** ,1951-04-07 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Noose** Bill James,2013-12-01 James who may be one of Britain s most underrated crime fiction writers produces a shocker packed with menace and very black humor Booklist starred review Britain 1956 A young actress seemingly tries to commit suicide over a tangled love affair but is taken to the hospital and her life saved The story is just the sort of thing that journalist Ian Charteris likes to cover a poignant mix of near tragedy possible thwarted romance and glamour needing sensitive but of course dramatic treatment It should be a routine assignment a welcomed assignment It would be if it weren t for the identity of the young woman She may just may be Ian s sister The unwelcomed reminder of the past drags Ian back into memories of places and events he d rather forget As far as Ian is concerned the past is a foreign country And not just foreign Fundamentally and cantankerously hostile Vengeful war torn dangerous It is impossible to escape the past the noose is already around Ian s neck and every step he takes tightens it And this is not the only noose James spins an effective psychological tale of a man whose past shapes his future Publishers Weekly
