Woman Jerry D. Sisson, 2011-05-05 Have you ever wondered what the American Continent was like before the Native Americans discovered that Columbus was lost A time before alcohol guns and other mechanized New World inventions The horse came onto the scene with the arrival of the Spanish Explorers in the Sixteenth Century Before the Natives were introduced to the horse all travel was by walking Though many Native tribes were highly sophisticated societies technology was still very primitive This story takes the reader to a time of scant historical traces left by a people who believed it was honorable to leave no footprints upon the Mother during ones lifetime The story itself is an obscure legend that has had reality interwoven with folklore so as to duplicate as closely as possibly the life and times of these people whose culture was wonderfully rich and colorful This story tells of how the ancient peoples upon the Continent lived before recorded history What they ate What they believed in How they survived Their politics and social life My goal is to create a feeling in my readers of having traveled to this interesting and intriguing time and place To have met the characters in their own environment where they are dealing with their personal concerns and survival

Eagle Voice Remembers John G. Neihardt, 2021-02 Eagle Voice Remembers is John Neihardt s mature and reflective interpretation of the old Sioux way of life He served as a translator of the Sioux past whose audience has proved not to be limited by space or time Through Neihardt s writings Black Elk Eagle Elk and other old men who were of that last generation of Sioux to have participated in the old buffalo hunting life and the disorienting period of strife with the U S Army found a literary voice What they say chronicles a dramatic transition in the life of the Plains Indians the record of their thoughts interpreted by Neihardt is a legacy preserved for the future It transcends the specifics of this one tragic case of cultural misunderstanding and conflict and speaks to universal human concerns It is a story worth contemplating both for itself and

Last Days of Salton Academy Entangling Alliances Susan Zeiger,2010-03-01 Throughout the twentieth century American male soldiers returned home from wars with foreign born wives in tow often from allied but at times from enemy nations resulting in a new official category of immigrant the allied war bride These brides began to appear en masse after World War I peaked after World War II and persisted through the Korean and Vietnam Wars GIs also met and married former enemy women under conditions of postwar occupation although at times the US government banned such unions In this comprehensive complex history of war brides in 20th century American history Susan Zeiger uses relationships between American male soldiers and foreign women as a lens to view larger issues of sexuality race and gender in United States foreign relations Entangling Alliances draws on a rich array of sources to trace how war and postwar anxieties about power and national identity have long been projected onto war brides and how these anxieties translate into public policies particularly immigration **Mineral Exploration and Development Act of 1991** United States. Subcommittee on Mining and Natural Resources,1992 New Sources of Indian History, 1850-1891 Stanley Vestal,2015-07-15 More than a century has passed since that winter morning in 1890 when the Indian police killed Sitting Bull and destroyed the power of his great Sioux Nation Yet only recently were the facts about Sitting Bull and the Sioux being sifted from the fables that have grown up in the interim In New Sources of Indian History Stanley Vestal traced scores of historical threads obtained firsthand which helped reveal the fabric of Sioux life warfare and relations with the whites from 1850 to 1891 This miscellany brings together the many phases of existence the Sioux knew when buffalo still roamed the shores of the Missouri cultural aspects they lost when Indian agencies and military posts replaced the council fire More than a series of episodes hung on the thread of time this book portrays a many colored pattern of American Indian personalities from Sitting Bull the leader of a mighty warrior society to Black Bull the Indian trickster who would have sold Sioux lands to whites by the pound For readers of Vestal s Sitting Bull 1932 this volume presents proof of the facts set forth in that remarkable biography
