Red Adam:

Red Adam's Lady Grace Ingram, Elizabeth Chadwick, 2018-03-01 The fair Lady Julitta has a problem She is not wealthy She prizes her virginity And her liege whom she despises is intent on rape Red Adam is the lord of Brentborough castle young impetuous scandalous a twelfth century hell raiser On one of his nights of drunken revelry he abducts Julitta Though she fends him off keeping her virginity he has sullied her honor Then to the astonishment of all he marries her Red Adam's Lady is a boisterous bawdy tale of wild adventure set against the constant dangers of medieval England It is a story of civil war and border raids scheming aristocrats and brawling villagers daring escapes across the moors and thundering descents down steep cliffs to the ocean Its vivid details give the reader a fascinating and realistic view of life in a medieval castle and village And the love story in it is an unusual one since Julitta won't let Adam get closer than the length of her stiletto Long out of print though highly acclaimed Red Adam's Lady is a true classic of historical fiction along the lines of Anya Seton's Katherine and Sharon Kay Penman's Here Be Dragons

The Girl in Red Christina Henry, 2019-06-18 From the national bestselling author of Alice comes a postapocalyptic take on the perennial classic Little Red Riding Hood about a woman who isn't as defenseless as she seems It's not safe for anyone alone in the woods There are predators that come out at night critters and coyotes snakes and wolves But the woman in the red jacket has no choice Not since the Crisis came decimated the population and sent those who survived fleeing into quarantine camps that serve as breeding grounds for death destruction and disease She is just a woman trying not to get killed in a world that doesn't look anything like the one she grew up in the one that was perfectly sane and normal and boring until three months ago There are worse threats in the woods than the things that stalk their prey at night Sometimes there are men Men with dark desires weak wills and evil intents Men in uniform with classified information deadly secrets and unforgiving orders And sometimes just sometimes there's something worse than all of the horrible people and vicious beasts combined Red doesn't like to think of herself as a killer but she isn't about to let herself get eaten up just because she is a woman alone in the woods
