Red Army Resurgent:

Red Army Resurgent John Shaw, 1979 Tells the suffering of the Russians and how they turned the tide *Red Army Resurgent World War 2*, **World War II**. John Shaw, Gerald Simons, 1979 World War II John Shaw, Time-Life Books, 1979 A set of 39 volumes covering the history of World War II from 1939 to 1945 Few Returned Eugenio Corti, 1997-05-28 After World War II more than one hundred books appeared that dealt with the experience of the Italian army in Russia and particularly the terrible winter retreat of 1942 1943 Few Returned I piu non ritornano is the only one of these that is still regularly reissued in Italy Eugenio Corti who was a twenty one year old second lieutenant at the time found himself together with 30 000 Italians and a smaller contingent of Germans encircled on the banks of the River Don by enemy forces who far outnumbered them To break out of this encirclement these men undertook a desperate march across the snow with constant engagements and in temperatures ranging from 20 to 30 degrees Fahrenheit Whereas supplies were air dropped to the Germans the predicament of the Italians was far more difficult lacking gasoline they were compelled to abandon their vehicles and to proceed without heavy arms equipment ammunition or provisions Even the wounded had to be abandoned though it was well known that the soldiers of the Red Army enraged by the brutality of the German invasion killed all the enemy wounded who fell into their hands After twenty eight days of encirclement only 4 000 of the 30 000 Italians made it out of the pocket Why is it that Corti's book which was first published in 1947 continues after fifty years to be reprinted in Italy Because as Mario Apollonio of the University of Milan said when the book first appeared It is a chronicle but it is much more than that behind the physical reality there is the truth about man at his most tragic hour Apollonio adds The power of the writing immediately transforms the document into drama the result is a novel poem drama history The philosopher Benedetto Croce found in Corti's book the not infrequent gleam of human goodness and nobility Few Returned is a classic of war literature that succeeds in bringing home the full hatefulness of war Eugenio Corti began writing his diary at a military hospital immediately after being repatriated from the Russian front When in September 1943 Italy found itself cut in two by the Armistice Corti loyal to his officer's oath joined up with what remained of the Italian army in the south and with those few troops participated in driving the Germans off Italian soil fighting at the side of the British Eighth and the American Fifth Armies *Hitler's Commanders* Samuel W. Mitcham (Jr.), 2012 Now in an expanded edition that includes biographies of the generals of Stalingrad and a new chapter on the panzer commanders this book offers rare insight into the men who ran Nazi Germany's war machine Going beyond common stereotypes Samuel W Mitcham and Gene Mueller recount the compelling lives of a varied group of army navy Luftwaffe and SS men Weaving in dramatic stories of tank commanders fighter pilots in aerial combat and U Boat aces the authors bring the battlefields of World War II to life *The Organization and Order of Battle of Militaries in World War II* D. Pettibone Charles D. Pettibone, Charles D. Pettibone, 2009-11 *Fighting for Freedom*, 1990 Grossdeutschland Division 1937-45 Michael Manning, 2013-01-12 Grossdeutschland Division the

premier German WW2 formation fought on the Eastern Front from 1941-45 with campaigns against the Red Army at Moscow Rzhev Dnieper Kursk Belgorod East Prussia Memel and Pillau where the Division was decimated *Cautious Crusade*
Steven Casey, 2001 This title explores how Americans viewed Nazi Germany during World War II the extent to which the public opposed the president's vision for planning both Germany's defeat and future and how opinion and policy interacted as the Roosevelt administration grappled with various aspects of the German problem during this period
