Red Cloud McLeese, 2003-08-01 Biography Of The Warrior Chief Who Is Remembered As The Only Native American Chief

To Win A War Against The United States *Fighting Red Cloud's Warriors* Earl Alonzo Brininstool,1926 Oglala Lakota
Chief Red Cloud William R. Sanford,2013-01-01 Red Cloud was the great chief of the Oglala Sioux He was the only Native
American chief to ever win a war against the United States government Beginning in 1863 white settlers and gold miners
swarmed over the Bozeman Trail which cut through the hunting grounds of the Sioux in Wyoming and Montana Red Cloud
realized his people were in danger When the U S Army began to build forts along the trail trouble began Red Cloud,
Sioux War Chief Virginia Frances Voight,1975 A biography of the Sioux Indian who became chief through bravery in battle
rather than through heredity and who tried unsuccessfully to save his people s land **Fighting Red Cloud's Warriors:**
True Tales Of Indian Days When The West Was Young E. A. Brininstool,2015-11-06 THE winning of the West was no
child s play It was war war of the most brutal and inhuman type on the part of both Indians and whites The Indian was
fighting for his home his commissary his lands lands ceded him through solemn treaty with the United States government
and what man of any nation if he is any sort of man will not fight for home and native land The white man fought to advance
the cause of civilization irrespective in most instances of the rights of the Indian and without regard to his future existence
Civilization won and to civilization s shame it was at the cost of unnumbered thousands of lives and the shedding of much
human blood of both whites and reds I am not a believer in the old adage that the only good Indian is a dead Indian My
sympathy is with the red man The early white traders who trafficked with the Indian were as a rule a class of men of little
conscience and few scruples who would stoop to any deceit or trickery to rob the Indian of his furs and pelts It was the early
trader who introduced whiskey among the Indian tribes who through fraud and knavery turned the red man against the
whites of whatever class This was the beginning of the hatred and contempt which made all white men good or bad soon look
alike to the warring savage In this volume of the Frontier Series I have written of a few of the most noted battles between the
red man and the white man As in the previous volume no fiction is employed in these pages Every incident related actually
occurred and is a part of the history of the old West Some biographical sketches of noted frontier characters are included
The chapter on the destruction of the buffalo may well make the present day sportsman pause and reflect **St. Nicholas**
