Red Poppies Margaret Munsterberg, 1915 Blood on the Wild Red Poppies A R Kingston, 2013-02-11 *Blood on the Wild Red Poppies* is a fictional murder mystery novel containing a multitude of twists and revelations Set in Steepleford an imaginary sleepy village in Suffolk England the story focuses on how a horrific accident in 1974 changes the lives of five school boys forever The main plot is complemented by a number of subplots that link to the final outcome and ultimately the disclosure of the murderer s identity As secrets and new information are revealed the reader will continue to change their mind about who committed the murderous crimes and is highly unlikely to be sure of their final choice until the very last page and will still be left in shock at the ending **Red Poppies in the Wheat** John Richard Moreland, 1921 **The Opium Poppy and Other Poppies** United States. Bureau of Narcotics, 1944 **The Poppy Maiden** Pasquale De Marco, 2025-04-24 *The Poppy Maiden* is an enchanting odyssey into the world of poppies where dreams and aspirations intertwine with the delicate petals of this captivating flower Through a series of poignant essays and evocative prose the author embarks on a journey to unravel the secrets of the Poppy Maiden a mystical figure embodying the poppy s ethereal beauty and enigmatic allure As the pages unfold readers will discover the rich history and symbolism of the poppy tracing its journey from ancient civilizations to its profound impact on modern culture They will explore the healing power of the poppy its medicinal properties and its role in rituals and ceremonies throughout time With each turn of the page readers will immerse themselves in the poppy s embrace surrendering to its gentle touch and intoxicating fragrance They will witness the poppy s dance with life and death its ability to soothe and to heal to inspire and to comfort Through the eyes of the Poppy Maiden readers will discover the poppy s enduring legacy its influence on art literature and music They will marvel at its timeless beauty its ability to transcend boundaries and touch the hearts of people from all walks of life As the journey concludes readers will find themselves transformed by the poppy s magic imbued with a deeper appreciation for the delicate balance between life and death beauty and pain hope and despair *The Poppy Maiden* is an extraordinary adventure where the boundaries of reality blur and dreams take flight If you like this book write a review on google books Field of Poppies Carmel Bird, 2019-11-01 Keen to escape the pressures of city life Marsali Swift and her husband William are drawn to Listowel a glorious historic mansion in the seemingly tranquil small town of Muckleton There is time to read garden decorate play chess and befriend the locals Yet one night Listowel is robbed and soon after a neighbour is murdered The violent history of the couple s adopted Goldfields town is revealed and plans for a new goldmine emerge Subtle and sinister details unnerve the novels that are studied at book club echo disappearances and colonial transgressions a treasured copy painting painting of Monet s *Field of Poppies* recalls loves and dreams but also times of war Atmospheric and beguiling this is a novel the seduces the reader with mysteries and beauties but also speaks of something much larger The planet is in trouble but is the human race up to the challenge Are Marsali and William walking blindfold into a hostile world It celebrates the human

catastrophe with grace and charm It takes years of experience for a writer to be able to pull off this kind of sorcery Michael McGirr Carmel Bird has a gift for distilling the essence of her characters and locations and bringing them together in wonderfully unexpected ways Her distinctive voice and lightness of touch shine in this penetrating and evocative novel Michael Sala *Poppy* Andrew Lack,2016-11-15 Few weeds have been more successful throughout history than the poppy Hated by farmers for its stubbornness the poppy has been a favorite of artists and poets due to its distinct and brilliant color and it has functioned symbolically as everything from a war memorial to an emblem of the exotic cultures of the East In this book Andrew Lack explores all the aspects of one of our most familiar flowers combining biology history and culture to paint a bright portrait of this fascinating plant Lack looks deep into the past of the poppy s ancient history before it seemed to inhabit only ditches and cornfields and examines the biology that gives it its unique coloring He analyzes the poppy s many members of this beautiful family including the opium poppy which is the source of one of the world s oldest and most ravaging narcotics He describes how the poppy came to be associated with war and remembrance and he looks at how they have been used to commemorate everything from weddings to funerals Beautifully illustrated the book will appeal to gardeners or anyone fascinated by the way plants have so powerfully figured in human culture and traditions

Remembrance Today Ted Harrison,2013-02-15 Each November Americans celebrate Veterans Day a holiday that honors our armed services and that marks the anniversary of the signing of the armistice that ended World War I Veterans Day roughly coincides with Remembrance Day in Canada Australia and the United Kingdom where millions of people wear poppies a flower that bloomed across the battlefields of Flanders and became emblematic of the war and observe a period of silence at war memorials For many countries around the world this day is meant to thank those who give their lives to defend liberty and freedom but as Ted Harrison reveals in *Remembrance Today* the day and the poppies people wear were originally meant as a dedication to the intention that war must never happen again Raising questions that are too often ignored Harrison explores what it means to be heroic and what glory means in the context of military service Most important he asks what the purpose of Remembrance is outside honoring the fallen and comforting those who mourn their loss He contends that if the prime function of holidays like Remembrance Day and Veterans Day is not to serve as a warning against war and a reminder to pursue peaceful solutions then these days are futile An examination of how our ideas of heroism duty and grief have lost their way *Remembrance Today* is a powerful argument to focus again on the meaning behind this poignant holiday

The Poppy Nicholas J. Saunders,2013-10-01 In the aftermath of the horrific trench warfare of the First World War the poppy sprouting across the killing fields of France and Belgium then immortalised in John McCrae s moving poem became a worldwide icon Yet the poppy has a longer history as the tell tale sign of human cultivation of the land of the ravages of war and of the desire to escape the earthly realm through inspired Romantic opium dreams or the grim reality of morphine drips This is a story spanning three thousand years from the ancient Egyptian fights over prized medicinal potions to the addicted

veterans returning home from the American Civil War from the British political machinations during the Opium Wars with China to the struggle to end Afghanistan's tribal narcotics trade Through it all there stands the transformative poppy Nicholas J Saunders brings us the definitive history of this ever enduring but humble flower of the fields a story that is at turns tragic eye opening and most essentially life affirming a gift to us all The Poppy Lady Heather Johnson, 2023-01-05

Madame Anna Gu rin is the fascinating personality behind the title The Poppy Lady Her idea of the Inter Allied Poppy Day gave work to women and children in the devastated areas of France in addition to offering support for First World War veterans Born in 1878 she was an early feminist becoming financially independent During the First World War and the immediate years after the Armistice many people knew of Madame Gu rin's reputation as a selfless fundraiser for French and American charities Her speeches inspired many people to make generous donations Having had her name lost in the mists of time this is the first biography of Madame E Gu rin The book follows her extraordinary story as The Poppy Lady a woman born before her time but confined to anonymity for too long
