Red Strawberry Leaf Selected Poems 1994 2001:

Red Strawberry Leaf John Peck, 2005 The poems in *Red Strawberry Leaf* speak in a voice unique in American letters moving effortlessly beyond arbitrary city limits and national borders transcending trends continents and eras to connect individual states of mind to the whole of Western culture Written over seven years *Red Strawberry Leaf* meditates on the spirit's engagement with the world in an allusive personal style in which neither the personal nor the tribal holds pride of place Scattered touches of apocalypse and dark collective inventories serve only to highlight moments of burnished lyric brilliance These challenging poems will reward readers many times over *At the Barriers* Joshua Weiner, 2009-08-01 Maverick gay poetic icon Thom Gunn 1929 2004 and his body of work have long dared the British and American poetry establishments either to claim or disavow him To critics in the UK and US alike Gunn demonstrated that formal poetry could successfully include new speech rhythms and open forms and that experimental styles could still maintain technical and intellectual rigor Along the way Gunn's verse captured the social upheavals of the 1960s the existential possibilities of the late twentieth century and the tumult of post Stonewall gay culture The first book length study of this major poet *At the Barriers* surveys Gunn's career from his youth in 1930s Britain to his final years in California from his earliest publications to his later unpublished notebooks bringing together some of the most important poet critics from both sides of the Atlantic to assess his oeuvre This landmark volume traces how Gunn in both his life and his writings pushed at boundaries of different kinds be they geographic sexual or poetic *At the Barriers* will solidify Gunn's rightful place in the pantheon of Anglo American letters *The Complete Euripides* Peter Burian, Alan Shapiro, 2010-06-30 Based on the conviction that only translators who write poetry themselves can best re create the celebrated and timeless tragedies of Aeschylus Sophocles and Euripides the Greek Tragedy in New Translations series offers new translations that go beyond the literal meaning of the Greek in order to evoke the poetry of the originals The tragedies collected here were originally available as single volumes This new collection retains the informative introductions and explanatory notes of the original editions with Greek line numbers and a single combined glossary added for easy reference The volume collects Euripides *Electra* an exciting story of vengeance that counterposes suspense and horror with comic realism *Orestes* the tragedy of a young man who kills his mother to avenge her murder of his father *Iphigenia in Tauris* a delicately written and beautifully contrived Euripidean romance and *Iphigenia at Aulis* a compelling look at the devastating consequence of man's inhumanity to man *Contradance* John Peck, 2011-08-01 In a country where much of the prominent poetry seeks to affirm the fleeting present and its changing values John Peck's poetry comes as an important if unlikely gift Peck's verse deals the cards of the fragmentary ideogramic juxtapositional and elliptical through the deck of normally discursive syntax Echoing late high Modernism Peck's work in the words of novelist Joseph McElroy is a way of seeing things confident in the packed vividness of the referential Avoiding the narrow identity or group specific viewpoint of some of his contemporaries Peck invites us to enter the larger humanscape

and unearth with him unnoticed connections to our shared past and to one another In Contradance his ninth collection Peck's passion for inquiry and historical reflection has never been stronger or more beautifully embodied **Agni** ,2005 *Poetry* Harriet Monroe,2007 *Los Angeles Magazine* ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Los Angeles Magazine** ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian Children's Books in Print ,1993 **The Canadian Who's who** ,2001
