**Feminist Perspectives on Politics** Chris Corrin,2014-07-10 Feminist Perspectives on Politics considers how feminist perspectives have considerably broadened the scope of what is considered political Themes and issues covered range from nineteenth century debates around women s equality and liberation to twentieth century arguments and activities towards

gaining a more nuanced understanding of women's differences and diversity. Difference remains a key term in contemporary feminisms and the author examines debates engendered from women's liberation politics to open up discussion of Black feminisms, lesbian politics and disabled feminist agendas. Formal political participation and the impact of women's movement politics are assessed in global comparisons as are the debates surrounding discourses on development and transnational politics and the influence of women at local, national and international levels. The book will be essential reading for students at all levels across the fields of Politics, Women's Studies, Sociology, History, Cultural Studies, Political Economy and Development Studies more generally such as in studies concerned with anti-racism, gender, social policy and the history of ideas within educational institutions, local government and voluntary organisations.

**The Morality of Gay Rights** Carlos Ball, 2014-04-08. In *The Morality of Gay Rights* Ball presents a comprehensive exploration of the connection between gay rights and political philosophy. He discusses the writing of contemporary political and legal philosophers including Rawls, Walzer, Nussbaum, Sandel, Rorty and Dworkin to evaluate how their theoretical frameworks fit the specific gay rights controversies such as same sex marriage and parenting by lesbians and gay men that are part of our nation's political and legal debates.

***Lesbian Step Families*** Ellen Cole, Esther D Rothblum, Janet M Wright, 2013-11-12. *Lesbian Step Families: An Ethnography of Love* explores five lesbian step families' definitions of the step parent role and how they accomplish parenting tasks, cope with homophobia and define and interpret their experiences. An intensive feminist qualitative study, the book offers guidelines for counselors and lesbian step families for creating healthy functioning family structures and environments. It is the first book to concentrate exclusively on lesbian step families rather than on lesbian mothering in general. In *Lesbian Step Families: An Ethnography of Love* you'll explore in detail the different kinds of step relationships that are developed and what factors may lead to the different types of step mothering in lesbian step families. The book helps you understand these relationships and parent roles through in-depth discussions of how a step mother and legal mother who live together negotiate and organize parenting and homemaking tasks, how members of lesbian step families define and create the step mother role, strategies family members use to define and cope with oppression, how sexism is transmitted within the family and how mothering may limit and/or contribute to female liberation, the opinions and viewpoints of the children of these families. The findings in *Lesbian Step Families: An Ethnography of Love* challenge traditional views of mothering and fathering as gender and biologically based activities; they indicate that lesbian step families model gender flexibility and that the mothers and step mothers share parenting both traditional mothering and fathering tasks. This allows the biological mother some freedom from motherhood as well as support in it. With insight such as this you will be prepared to help a client, a loved one or yourself develop and maintain healthy family relationships.

***Connecting, Rethinking and Embracing Difference*** Anthony Gambrell, Debora Osborne, Lawrence Buttigieg, 2019-01-04. This volume was first published by Interdisciplinary Press in 2016. The chapters in this volume explore some uncomfortable territories, spaces where desires and

practices remain taboo pathologised or invisible Unveiled are premises under which citizenship can be constructed and the ways that persons can be made valid or invalid as cultural artefacts This book speaks loudly to our cultural and collective identities A number of crucial debates that surround relationships between and among gender sexuality and identity within a global context are discussed across an eclectic array of disciplines professions and vocations The result challenges perspectives and provides new and innovative possibilities for future development The authors international perspectives illuminate practices that continue to discriminate and marginalize those identities behaviours and desires that are seen to sit outside hegemonic cultural norms

**Rethinking Transgender Identities** Petra L. Doan, Lynda Johnston, 2022-03-24 This volume explores the diversity and complexity of transgender people s experiences and demonstrates that gendered bodies are constructed through different social cultural and economic networks and through different spaces and places Rethinking Transgender Identities brings together original research in the form of interviews participatory methods surveys cultural texts and insightful commentary The contributing scholars and activists are located in Aotearoa New Zealand Brazil Canada Catalan China Japan Scotland Spain and the United States The collection explores the relationship between transgender identities and politics lived realities strategies mobilizations age ethnicity activisms and communities across different spatial scales and times Taken together the chapters extend current research and provide an authoritative state of the art review of current research which will appeal to scholars and graduate students working within the fields of sociology gender studies sexuality and queer studies family studies media and cultural studies psychology health law criminology politics and human geography
