Redefining Success Working Close To Home:

Redefining Success Philip C. Groce MD, 2005-07 Follow a path cut by a country doctor who examines the lives of men and women who choose to live close to work to pursue a dream a lifestyle or even a practical reality When people make the decision to work close to home they say good bye to the hassles of commuting but along with that all other aspects of life change Family and community become enhanced with a strong sense of belonging through compromises that require a redefinition of success A person finds him or herself frequently in a peer group of one walking a sharper edge and more susceptible to the bipolarities of life Anyone contemplating work closer to home will find much of value in this book See how a community regardless of location functions as a community Enter the intimate lives of these people Crowd them into mind and hold them in thought and discover the courage to do things never thought possible The Tempo of You: Find Your Rhythm, Own Your Time, Redefine Success Helen Haldon, What if time management wasn't about doing more but about doing what matters when it matters most In The Tempo of You discover a revolutionary approach to productivity that doesn't fight against your natural rhythm it works with it Forget rigid schedules overwhelming to do lists and the myth of constant hustle This book helps you tune into your personal pace align your energy with your priorities and create space for what really moves you forward Blending practical strategies with powerful mindset shifts this is time management for real life flexible intuitive and deeply personal Whether you're a morning lark a night owl or somewhere in between The Tempo of You will help you stop racing the clock and start setting the beat **Redefining Success** Landon Winstead, 2011-12-06 Have you ever had a dream dashed by a challenge or mental illness Have you ever felt like giving in or gripped by fear that all is lost Have you defined success in your life or have you let others define it Have you failed to meet someone's expectations Success can be defined in many different ways Or success can be redefined based on current circumstances Part I of this book is about my struggle with mental health issues that challenged a dream and required me to redefine success for my life This book takes you through my journey and also provides tips for succeeding in aspects of everyday life In my work as a Peer Support Specialist I have encountered consumers who have been committed to the largest forensic state hospital in Texas Many of them have been convicted of crimes The mental illness these consumers experience and the crimes they have committed are only part of who they are and do not define them as a person They have dreams like anyone else Their dreams may be on a different scale For them success may come in small steps toward wholeness and reconciliation with self and society My job is to instill hope in their lives as someone who has been through the mental health system and who has emerged from the other side experiencing recovery Part II of this book is a collection of inspirational devotions on the topic of success in different practical areas Some examples include success with anxiety success with depression and success with loneliness They are each based on the Christian Scriptures and are filled with an abundance of relevant illustrations Anyone who has wondered about how their faith is related to real life will be able to identify with these inspirational pieces

Starting Over In The Middle Shanita Poe,2009-08 Starting over in the middle is a book about the journey from ruin to re invention and finally destiny I will take the you on a trip which was my exploration of how to became an over comer through some of the most devastating times of my life The more I had an opportunity to speak with othere about re inventing one self the more I noticed similarities between our experiences This book just explores faith and guiding principles that made us the wonderful people we are today Starting Over In The Middle discusses some of the challenges we face as the 40 generation face in an economically distressed climate This discuss reaching out for public assistance job search and the feeling of helplessness which many are facing for the first time in their lives Not only are the experinces shared but also practical common sense advise to over come

many of the obstacles Be assured you re not alone The journey begins with Faith and end with Faith Closer Together Sophie Grégoire Trudeau,2024-04-23 INSTANT 1 TORONTO STAR and GLOBE AND MAIL BESTSELLER Sophie Gr goire Trudeau invites readers on a deeply personal journey toward self knowledge acceptance and empowerment drawing on the expertise of top psychologists psychiatrists scientists and thought leaders As a passionate advocate for mental health Sophie Gr goire Trudeau believes that in order to know and accept ourselves fully we need to understand why we think and feel the way we do and recognize the experiences attitudes and patterns that may be holding us back And yet all of us are capable of growth and positive change if we re willing to stay open and curious throughout our lives In Closer Together Sophie shares moments from her own journey from her childhood through her struggles with an eating disorder in her teens and early adulthood from a career as a speaker and television host to de facto first lady and mother of three Above all Sophie is a warm and empathetic connector and her book is enriched by exclusive interviews with experts such as Gabor Mat Liz Plank Terrence Real Catherine Price Harville Hendrix and Helen LaKelly Hunt to name just a few as she delves into the science behind brain health and our unique emotional signatures She explores the questions that matter the most for our individual and collective growth and in how we interact with others How does the way we were raised contribute to our sense of self How can we better prepare ourselves to deal with big emotions What do we need from our relationships and what can we contribute to them What role do physical activity and creative pursuits play in mental health How can we let go of what doesn t serve us and nurture what does Drawing on her own mindfulness and yoga practices Sophie also offers journalling prompts and other tools that will guide readers as they explore these questions in their own lives In creating a space for openness playfulness and creativity Sophie inspires us to see that there are more things that bring us together than separate us allowing us to stand in the light of our true potential Integrated Management Robert Sroufe,2018-10-05 An exciting vision of what we can aspire to when sustainability is integrated within strategic practices across enterprise functions systems supply chains and cities The book will enable decision makers to recognize a new era of innovative value creation

Meanings of Mobility Leah Schmalzbauer,2023-07-18 Over the past twenty years elite colleges and universities enacted policies that reshaped the racial and class composition of their campuses and over the past decade Latinos college attendance notably increased While discussions on educational mobility often focus on its perceived benefits that it will ultimately lead to social and economic mobility less attention is paid to the process of making it and the challenges low income youth experience when navigating these elite spaces In Meanings of Mobility sociologist Leah C Schmalzbauer explores the experiences of low income Latino youth attending highly selective elite colleges To better understand these experiences Schmalzbauer draws on interviews with 60 low income Latino youth who graduated or were set to graduate from Amherst College one of the most selective private colleges in the United States The vast majority of these students were the first in their immigrant families to go to college in the U S She finds that while most of the students believed attending

Amherst provided them with previously unimaginable opportunities adjusting to life on campus came with significant challenges Many of the students Schmalzbauer spoke with had difficulties adapting to the cultural norms at Amherst as well as with relating to their non Latino non low income peers The challenges these students faced were not limited to life on campus As they attempted to adapt to Amherst many felt distanced from the family and friends they left behind who could not understand the new challenges they faced The students credit their elite education for access to extraordinary educational and employment opportunities However their experiences while in college and afterward reveal that the relationship between educational and social mobility is much more complicated and less secure than popular conversations about the American Dream suggest Many students found that their educational attainment was not enough to erase the core challenges of growing up in a marginalized immigrant family many were still poor faced racism and those who were undocumented or had undocumented family members still feared deportation Schmalzbeauer suggests ways elite colleges can better support low income Latino students and lower the emotional price of educational mobility including the creation of immigration offices on campus to provide programming and support for undocumented students and their families She recommends educating staff to better understand the centrality of family for these students and the challenges they face as well as educating more privileged students about inequality and the life experiences of their marginalized peers

Meanings of Mobility provides compelling insights into the difficulties faced by low income Latinos pursuing educational and social mobility in America s elite institutions

Armorbearers Gerald Watford, 2014-05-06 There is a desperate need for effective leadership today in our nation in our churches in our families and even in ourselves The Bible uses the term armorbearer to describe leaders who offer help support and strength to those around them These types of servant leaders are needed now more than ever Using Scripture as the guide *Armorbearers* takes readers down a path of self discovery pursuing greatness by developing character that is forged on the anvil of self restraint and tested through the heat of self discipline Packed with inspiring stories and powerful lessons *Armorbearers* reveals the four revolutionary choices every leader must make risking their own significance in order to encounter God in life altering ways Are you ready to become an armorbearer

Zhyahir's Amnesty Nylynne Lynn , 2025-07-15 She rebuilt her life but never stopped feeling the echo of his absence After a soul shattering divorce Nhyshanti rises from the ashes with nothing but grit grace and an unshakable vision From boardroom battles to late night brainstorming sessions she helps build a prestigious financial firm from the ground up grinding her way into a seat at the top But even with the success luxury and respect she s earned one thing lingers in the shadows of her triumph him The one she once loved The one she lost over pride pain and a petty misunderstanding at a millionaire s ranch retreat When fate spins the block and brings their worlds colliding again old wounds reopen passions reignite and forgiveness becomes more than a choice it becomes a battle for the heart As secrets unravel and emotions explode Nhyshanti must choose protect the empire she s built or surrender to the love that never truly died This story is a bold breathtaking

journey of healing hustle and heart a testament to the power of redemption and the kind of love that waits patiently on the other side of forgiveness You can run from your past but not from your purpose or your soulmate Near Birth Dr. Andrea Lilly Ford,2025-03-11 This insightful study of contemporary birthing uses the work of doulas to explore the questions raised near birth What do we value and how do we navigate those values when they are tangled in conflict Pregnancy birthing and infant care offer a microcosm of cultural debates In this ethnography of childbearing in Northern California Andrea Ford examines how people s birthing decisions and experiences relate to and construct the American ideal of the individual through the values of progress experience autonomy equality authenticity immunity and redemption Both an anthropologist and a doula who has observed and participated in dozens of births Ford explores how parents practitioners activists laws technologies media and medical institutions shape the politics of care Near Birth shows that questions about the best way to have a baby concern much more than health procedures In the answers lie often unacknowledged claims about what kinds of personhood matter and what ways of living are valued and valuable Rethinking the Successful Church Samuel D.
