Redemption In Black Theology By Moyd Olin P:

Defining Salvation in the Context of Black Theology James T. Murphy, Jr., 2012-08 An initial introduction to the study of Christian theology is both exciting and invigorating for students of its discipline One can become enameled in the classic perspectives of theology without any consideration of a possible alternative Defining Salvation in the Context of Black Theology is an exit from the classic conviction that trumpets the doctrine of soteriology attributing its substance to the posture of eternity while ignoring the importance of salvation in the existential Careful not to reject the question of eternal life but examining the nuances of the term salvation empowers this work to present the like manner essential that having salvation is just as much about now than it is in the here after **Methodologies of Black Theology** Frederick L. Ware, 2008-02-01 Frederick L Ware provides a classification and criticism of methodological perspectives in the academic study interpretation and construction of black theology in the U S from 1969 to the present and establishes and recognizes three different schools of academic black theology The Black Hermeneutical School The Black Philosophical School The Human Sciences School Similarities and differences are delineated in the identification of each school s representative thinkers and their views on the tasks content sources norm method and goals of black theology *The Cambridge Companion to Black Theology* Dwight N. Hopkins, Edward P. Antonio, 2012-07-26 This volume discusses normative theological categories from a black perspective and argues that there is no major Christian doctrine on which black theology has not commented Part One explores introductory questions such as what have been the historical and social factors fostering a black theology and what are some of the internal factors key to its growth Part Two examines major doctrines which have been important for black theology in terms of clarifying key intellectual foci common to the study of religion The final part discusses black theology as a world wide development constituted by interdisciplinary approaches The volume has an important role in bringing Christian thought into confrontation with one of the central challenges of modernity namely the problem of race and racism This Companion puts theological themes in conversation with issues of ethnicity gender social analysis politics and class and is ideal for undergraduate and graduate students *Sisters in the Wilderness* Dolores S. Williams, 2013-10-01 This landmark work first published 20 years ago helped establish the field of African American womanist theology It is widely regarded as a classic text in the field Drawing on the biblical figure of Hagar mother of Ishmael cast into the desert by Abraham and Sarah but protected by God Williams finds a proptype for the struggle of African American women African slave homeless exile surrogate mother Hagar s story provides an image of survival and defiance appropriate to black women today Exploring the themes implicit in Hagar s story poverty and slavery ethnicity and sexual exploitation exile and encounter with God Williams traces parallels in the history of African American women from slavery to the present day A new womanist theology emerges from this shared experience from the interplay of oppressions on account of race sex and class Sisters in the Wilderness offers a telling critique of theologies that promote liberation but ignore women

of color This is a book that defined a new theological project and charted a path that others continue to explore **Practical Theology for Black Churches** Dale P. Andrews, 2002-01-01 Exploring the concept of church as refuge offers a way to bridge the gap between black theology with its social and political concerns and black churches with their emphases on pastoral care and piety

Critical Readings on Global Slavery Damian Alan Pargas, Felicia Roşu, 2017-12-05 The study of slavery has grown strongly in recent years as scholars working in several disciplines have cultivated broader perspectives on enslavement in a wide variety of contexts and settings Critical Readings on Global Slavery offers students and researchers a rich collection of previously published works by some of the most preeminent scholars in the field With contributions covering various regions and time periods this anthology encourages readers to view slave systems across time and space as both ubiquitous and interconnected and introduces those who are interested in the study of human bondage to some of the most important and widely cited works in slavery studies

The Oxford Handbook of African American Theology Katie G. Cannon, Anthony B. Pinn, 2014-07-01 Named an Honor Book for Nonfiction by the Black Caucus of the American Library Association African American theology has a long and important history With modern roots in the civil rights movements of the 1960s African American theology has gone beyond issues of justice and social transformation to participate in broader dialogues of theological inquiry The Oxford Handbook of African American Theology brings together leading scholars in the field to offer a critical and comprehensive analysis of this theological tradition in its many forms and contexts Using an interdisciplinary approach this Oxford Handbook examines the nature structures and functions of African American Theology The volume surveys the field by highlighting its sources doctrines internal debates current challenges and future prospects in order to present key topics related to the wider palette of Black Religion in a sustained scholarly format This formative collection presents current scholarship on African American Theology and scripture eschatology Christology womanist theology sexuality ontology the global economy and much more The contributors represent a diverse set of faith perspectives adding to the layered discourses within the volume These essays further important discussions on the pressing debates and challenges that shape black and womanist theologies

African American Preaching Gerald Lamont Thomas, 2004 Four centuries of African American preaching has provided hope healing and heaven for people from every walk of life Many notable men and women of African American lineage have contributed through the art of preaching to the biblical emancipation and spiritual liberation of their parishioners In African American Preaching The Contribution of Dr Gardner C Taylor Gerald Lamont Thomas offers a historical overview of African American preaching and its effect on the cultural legacy of black people noting the various styles and genius of pulpit orators The book s focus is on the life ministry and preaching methodology of one of this era s most prolific voices Dr Gardner C Taylor and should be read by everyone who takes the task of preaching seriously

Black Theology USA and South Africa Dwight N. Hopkins, 2005-12-01 Black theology continually poses a challenge to Christian witness and faith Through a critical analysis of leading religious thinkers Dwight N

Hopkins explores the fundamental differences and similarities between black theology in the United States and black theology in South Africa and asks What is the common denominator between the two Part I examines the historical political cultural and theological background of contemporary black theology in both countries Hopkins delves into the distinctive situation of each country focusing on civil rights black power and related political cultural and theological themes in the United States and on civil disobedience black consciousness the unity of politics and culture and political cultural theological themes in South Africa Through interviews with leading black religious scholars Part II explores these theologies in depth Contrasting the cultural theological trend with the political theological trend in the USA Hopkins explores the ideas of theologians Albert B Cleage James H Cone J Deotis Roberts William R Jones Gayraud S Wilmore Charles H Long Cecil W Cone and Vincent Harding In Part III Hopkins examines the same two trends cultural theological and political theological in South Africa Here the focus is on the impact of black consciousness and Soweto and the works of Manas Buthelezi Allan Boesak Simon S Maimela Frank Chikane Bonganjalo C Goba Itumeleng J Mosala Takatso A Mofokeng and Desmond M Tutu Part IV brings black theology USA and black theology South Africa into dialogue Hopkins locates the common denominator between the two theologies that they both claim the Christian gospel as the gospel of liberation for black people struggling against racism and for a holistic humanity physically and spiritually politically and culturally He concludes by looking toward future areas of development and collaboration arguing that an effective black theology of liberation must integrate politics and culture insuring that the two are equal and complementary two tributaries within the same current

Integrative Theology Gordon R. Lewis, Bruce A. Demarest, 2010-09-21 Integrative Theology is designed to help graduate students in a pluralistic world utilize a standard method of fruitful research Each chapter on a major doctrine 1 states a classic issue of ultimate concern 2 surveys alternative past and present answers and 3 tests those proposals by their congruence with information on the subject progressively revealed from Genesis to Revelation Then the chapter 4 formulates a doctrinal conclusion that consistently fits the many lines of biblical data 5 defends that conviction respectfully and finally 6 explores the conclusion's relevance to a person's spiritual birth growth and service to others all for the glory of God Why the title Integrative Theology In each chapter steps 2-6 integrate the disciplines of historical biblical systematic apologetic and practical theology
