Barbara and I have had the privilege to know. *Big 50: Cincinnati Reds* Chad Dotson, Chris Garber, Marty Brennaman, 2018-04-15 The Big 50 Cincinnati Reds is an amazing full color look at the 50 men and moments that made the Reds the Reds. Experienced sportswriters Chad Dotson and Chris Garber recount the living history of the Reds counting down from No. 50 to No. 1. Big 50 Reds brilliantly brings to life the Reds remarkable story from Johnny Bench and Barry Larkin to the roller coaster that was Pete Rose to the team's 1990 World Series championship and Todd Frazier's 2015 Home Run Derby win. Interactive Storytelling Ido A. Iurgel, Nelson Zagalo, Paolo Petta, 2009-11-24 The rich programme of ICIDS 2009 comprising invited talks, technical presentations and posters, demonstrations and co-located post-conference workshops clearly underscores the event's status as premier international meeting in the domain. It thereby confirms the decision taken by the Constituting Committee of the conference series to take the step forward out of the national cocoons of its precursors ICVS and TIDSE and towards an itinerant platform reflecting its global constituency. This move reflects the desire and the will to take on the challenge to stay on the lookout, critically reflect upon and integrate views and findings and experiences and to promote interdisciplinary exchange while ensuring overall coherence and maintaining a sense of direction. This is a significant enterprise. The challenges sought are multifarious and must be addressed consistently at all levels. The desire to involve all research communities and stakeholders must be matched by acknowledging the differences in established practices and by providing suitable means of guidance and introduction, exposition and direct interaction at the event itself and of lasting and increasingly living documentation of which the present proceedings are but an important part.
