Interior Secretary Stewart Udall whose determination that the Redskins or Paleskins as he called them reflect John F Kennedy s New Frontier ideals led to one of the most high profile contests to spill beyond the sports pages Realizing that racial justice and gridiron success had the potential either to dovetail or take an ugly turn civil rights advocates and sports fans alike anxiously turned their eyes toward the nation s capital There was always the possibility that Marshall one of the NFL s most influential and dominating founding fathers might defy demands from the Kennedy administration to desegregate his lily white team When further pressured to desegregate by the press Marshall remained defiant declaring that no one including the White House could tell him how to run his business In Showdown sports historian Thomas G Smith captures this striking moment one that held sweeping implications not only for one team s racist policy but also for a sharply segregated city and for the nation as a whole Part sports history part civil rights story this compelling and untold narrative serves as a powerful lens onto racism in sport illustrating how in microcosm the fight to desegregate the Redskins was part of a wider struggle against racial injustice in America
