Reeves and Mortimer Bruce Dessau,1999-07-01 **A National Joke** Andy Medhurst,2007-09-18 Comedy is crucial to how the English see themselves This book considers that proposition through a series of case studies of popular English comedies and comedians in the twentieth century ranging from the *Carry On* films to the work of Mike Leigh and contemporary sitcoms such as *The Royle Family* and from *George Formby* to Alan Bennett and Roy Chubby Brown Relating comic traditions to questions of class gender sexuality and geography *A National Joke* looks at how comedy is a cultural thermometer taking the temperature of its times It asks why vulgarity has always delighted English audiences why camp is such a strong thread in English humour why class influences what we laugh at and why comedy has been so neglected in most theoretical writing about cultural identity Part history and part polemic it argues that the English urgently need to reflect on who they are who they have been and who they might become and insists that comedy offers a particularly illuminating location for undertaking those reflections

Me Vic Reeves,2007-06-01 Vic Reeves retells a series of childhood memories Taken together they paint a picture of ordinary 60s and 70s life as Vic grew up in Darlington and eventually fleeing to London in his late teens as the lure of Carnaby Street the 100 Club and the Marquee proved too strong to resist

[The North East of England on Film and Television](#) James Leggott,2021-06-28 This book analyses the representation of North East England in film and television It is a response to the way a number of important British films and programmes for example *Get Carter* 1971 *Whatever Happened to the Likely Lads* 1973-74 *Our Friends in the North* 1996 and *Billy Elliot* 2000 have used this particular setting to explore questions of class identity and history It argues for the significance and coherence of a North East corpus of film and television through a series of case studies relating to specific eras or types of representation These include regional writers working for television in the 1970s the achievements of the workshop movement in the 1980s and works produced within the genres of documentary crime drama comedy period drama and reality television The book discusses how the communities and landscapes of the region have been used to explore processes of cultural change and legacies of de-industrialisation

Reeves & Mortimer Bruce Dessau,1998 Reeves and Mortimer are the comic sensation of the 1990s This twosome has become a household name with a unique style of turbo-charged comedy which is also a living history of modern humour On the one hand they seem to have the ability to tap into the British appreciation of the completely puerile and on the other hand they can create comedy as clever and sophisticated as anything by the Pythons Spike Milligan or Jacques Tati The book of the *Big Night Out* sold 250 000 copies *The Smell* of Reeves and Mortimer won a Silver Rose at Montrose *Shooting Stars* is the most popular TV show on BBC2 pulling in nearly 6

million viewers and they now tour 2000 seat theatres But like all success it s not been a fairy tale and the pair can be difficult to work with They are known for using support acts and dropping them if they get good Their working methods are punctilious and professional sometimes to a fanatical degree

Different Times David Stubbs,2023-07-27 They don t make comedy like they used to From the slapstick comedy of Charlie Chaplin and Stan Laurel the surrealism of Spike Milligan and Monty Python and the golden age of political incorrectness helmed by Benny Hill to the alternative scene that burst forth following the punk movement the hedonistic joy of Absolutely Fabulous the lacerating scorn of Jimmy Carr Ricky Gervais and Jo Brand and the meteoric rise of socially conscious stand up today comedy can be many things and it is a cultural phenomenon has come to define Britain like few others In *Different Times* David Stubbs charts the superstars that were in on the gags the unsung heroes hiding in the wings and the people who ended up being the butt of the joke Comedians and their work speak to and of their time drawing upon and moulding Britons relationship with their national history reflecting us as a people and simply providing raucous laughs for millions of people around the world *Different Times* is a joyous witty and insightful paean to British comedy

Keeping Quiet Julian Dutton,2015-07-23 *Keeping Quiet* is a love letter to the modern sight gag on film and television tracing the history of physical clowning since the advent of sound Taking up the story of visual humour where Paul Merton s *Silent Comedy* leaves off Julian Dutton charts the lives and work of all the great comedians who chose to remain silent from Charlie Chaplin who was determined to resist the talkies right through to the slapstick of modern day performers such as Rowan Atkinson Matt Lucas and Harry Hill This fascinating chronicle spanning nine decades shows how physical comedy at first overshadowed by dialogue films in the 1930s reinvented itself and how this revival was spearheaded by a Frenchman Jacques Tati Julian Dutton draws on his own experience as a comedy writer and performer to give an expert analysis of the screen persona and the comedy style of dozens of the screen s best loved performers including Laurel Hardy Buster Keaton Harpo Marx Norman Wisdom Jerry Lewis Benny Hill Peter Sellers Eric Sykes Ronnie Barker Marty Feldman and many more This book will appeal both to the serious student of film television and theatre including those aspiring to write or perform comedy and to the general reader and comedy fan
