
REEXAMINING THE EISENHOWER PRESIDENCY

Edited by Shirley Anne Warshaw

Foreword by Louis Galambos

Reexamining The Eisenhower Presidency

Richard S. Conley

Reexamining The Eisenhower Presidency:

Reexamining the Eisenhower Presidency Shirley A. Warshaw, 1993-07-28 The most important book on the Eisenhower presidency in over a decade Warshaw's edited collection provides extensive new data to support the view of Eisenhower as an activist hands on involved president The volume focuses on how he used a hidden hand leadership style to direct not only policy development but crisis management With contributions from both historians and political scientists the work supports the current trend in revisionist literature on Eisenhower as an activist president

Re-examining the Cold War:

U.S.-China Diplomacy, 1954-1973 Robert S. Ross, Changbin Jiang, 2020-03-23 The twelve essays in this volume underscore the similarities between Chinese and American approaches to bilateral diplomacy and between their perceptions of each other's policy making motivations Much of the literature on U S China relations posits that each side was motivated either by ideologically informed interests or by ideological assumptions about its counterpart But as these contributors emphasize newly accessible archives suggest rather that both Beijing and Washington developed a responsive and tactically adaptable foreign policy Each then adjusted this policy in response to changing international circumstances and changing assessments of its counterpart's policies Motivated less by ideology than by pragmatic national security concerns each assumed that the other faced similar considerations

A Companion to Dwight D. Eisenhower Chester J. Pach, 2017-04-07 *A Companion to Dwight D Eisenhower* brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower's many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history

Encyclopedia of the American Presidency, Fourth Edition Michael Genovese, 2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind *Encyclopedia of the American Presidency Fourth Edition* is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information

Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more

The Cold War: Cold War espionage and spying Lori Lyn Bogle, 2001 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality

A Conflict Perpetuated Noam Kochavi, 2002-01-30 The first comprehensive account of China policy during the Kennedy years this study profiles John F Kennedy as a man whose inner struggles and disparate characteristics made for an unpredictable foreign policy While he was often a hostage to the Cold War to constrictive perceptions of the domestic climate and to the image of a predatory China Kennedy recognized Washington's finite capacity to shape events on the China Mainland With the possible exception of a preventive strike against China's nuclear installations he was also reluctant to run the risk of a military confrontation with Beijing On the eve of his assassination Kennedy may have even contemplated a China policy departure during his second term A calm appraisal of China's capabilities and intentions constituted the distinguishing feature of revisionist thinking during the Kennedy years The disjointed revisionist effort settled in late 1963 on a pedagogic course which still implied a search for American primacy The revisionist approach did ultimately facilitate the transformation of bilateral relations in the early 1970s From a shorter range perspective however the Kennedy era only added fuel to the fire of Sino American confrontation The Limited Test Ban Treaty accentuated the sense of encirclement and vulnerability in Beijing's psyche and clouds gathered ominously over Vietnam Kennedy does bear some responsibility for the bilateral impasse as he personified a decisionmaker so obsessed with the objective of deterrence as to overlook the security dilemma nonetheless Mao's preference for a radical course independent of Kennedy's conduct contributed as well Neither side was yet ready for a breakthrough

The Presidency, Congress, and Divided Government Richard S. Conley, 2002-11-27 Can presidents hope to be effective in policy making when Congress is ruled by the other party Political scientist Richard Conley brings to this crucial discussion a fresh perspective He argues persuasively that the conditions of divided government have changed in recent years and he applies a rigorous methodology that allows the testing of a number of important assumptions about party control of the legislative process and the role of the president Conley demonstrates that recent administrations have faced a very different playing field than those in the earlier post war years because of such critical developments in electoral politics as decreasing presidential coattails and the lack of presidential popularity in opposition members districts Moreover he identifies several changes in the institutional setting in Congress that have affected both the legislative success rates of

presidents programs and the strategies presidents pursue These institutional factors include more assertive legislative majorities changes in leadership structure and increased party cohesion in voting Conley uses both case studies and sophisticated time series regression analyses to examine the floor success of presidential initiatives the strategies presidents use in working with the legislature and the use of veto power to achieve presidential aims Scholars of the presidency and those interested in the larger American political process will find in this book both food for thought and a model of analytic sophistication

America in the World Michael J. Hogan, 1995 A survey of the historical literature on intelligence and national security during the Cold War

Reconsidering Sputnik Roger D. Lanius, John M. Logsdon, Robert W. Smith, 2013-05-13 This book explores Russia's stunning success of ushering in the space age by launching Sputnik and beating the United States into space It also examines the formation of NASA the race for human exploration of the moon the reality of global satellite communications and a new generation of scientific spacecraft that began exploring the universe An introductory essay by Pulitzer Prize winner Walter A McDougall sets the context for Sputnik and its significance at the end of the twentieth century

The Vietnam War Reexamined Michael G. Kort, 2017-12-14 Going beyond the dominant orthodox narrative to incorporate insight from revisionist scholarship on the Vietnam War Michael G Kort presents the case that the United States should have been able to win the war and at a much lower cost than it suffered in defeat Presenting a study that is both historiographic and a narrative history Kort analyzes important factors such as the strong nationalist credentials and leadership qualities of South Vietnam's Ngo Dinh Diem the flawed military strategy of graduated response developed by Robert McNamara and the real reasons South Vietnam collapsed in the face of a massive North Vietnamese invasion in 1975 Kort shows how the US commitment to defend South Vietnam was not a strategic error but a policy consistent with US security interests during the Cold War and that there were potentially viable strategic approaches to the war that might have saved South Vietnam

The Presidency Then and Now Phillip G. Henderson, 2000 In *The Presidency Then and Now* leading political scientists and historians assess the development of the presidency and its role in today's political landscape The questions addressed in this wide ranging volume include How has the doctrine of separation of powers evolved How have presidential campaigns and presidential oratory influenced the constitutional character of the institution How does the scandal driven press coverage of the post Vietnam and post Watergate presidency compare with the partisan press of the early republic Among other topics the contributors examine the early precedents and modern manifestations of the executive veto executive privilege and presidential use of force doctrine and chart the shift from a constitutionally circumspect and constrained chief executive toward the modern notion of a plebiscitary presidency *The Presidency Then and Now* assesses several key trends in presidential leadership including the recent movement toward a policy centered presidency in which detailed policy development has at times supplanted broad vision and historically informed judgment Other essays address such topics as the transformation of the Cabinet from a body whose members possessed stature equal to the president to a

largely symbolic group that has been replaced in its advisory capacity by the White House staff

The Presidency Then and Now makes a case for returning to constitutional reasoned deliberation and replacing modern fixation on celebrity status with the founders notion of stature By drawing comparisons between the old and the new **The Presidency Then and Now** offers timely and incisive insights that will appeal not only to scholars of the presidency but to historians and general readers interested in the constitutional foundations philosophical debates and key political developments that have affected the presidential office over time

The Truth Is Our Weapon Chris Tudda, 2006-05-01 President Dwight D Eisenhower and his secretary of state John Foster Dulles deployed a tactic Chris Tudda calls rhetorical diplomacy sounding a belligerent note of anti Communism in speeches addresses press conferences and private meetings with allies and with Moscow Yet all the while Tudda discloses the two were confidentially committed to a contradictory course the establishment of a strong system of collective security in Western Europe peaceful accommodation of the Soviet Union and the maintenance of a new albeit divided Germany Tudda explores the Eisenhower administration s pursuit of these two mutually exclusive diplomatic strategies and reveals how failure to reconcile them endangered the fragile peace of the 1950s He builds his argument through three case studies of the administration s badgering the French and their allies to ratify the European Defense Community of its threat to liberate Eastern Europe from Moscow s rule and of its forcing the issue of German reunification By emphasizing the threat from the Soviet Union Eisenhower and Dulles were trying to promote an activist rather than an isolationist foreign policy But their rhetorical diplomacy intensified Cold War tensions with European allies as well as with Moscow and effectively overwhelmed the administration s true diplomatic aims Based on American British Eastern European and Soviet primary sources many only recently unearthed **The Truth Is Our Weapon** is a major contribution to the historiography of Eisenhower s diplomacy and an important statement about the implications of public and private policy making

The American Presidents Tracy Irons-Georges, 2000 The 42 essays are arranged chronologically by administration An Alphabetical List at the beginning of each volume helps readers find a particular entry Essays range from 6 to 40 pages and each includes a sidebar on the vice president and one on the First

Presidency and Domestic Policy Michael A. Genovese, Todd L. Belt, William W. Lammers, 2015-11-17 This book systematically examines the first terms of every president from FDR to Barack Obama and assesses the leadership style and policy agenda of each Success in bringing about policy change is shown to hinge on the leadership style and skill in managing a variety of institutional and public relationships The second edition of this timely book adds chapters on George W Bush and Obama and focuses on the significant domestic policy challenges of their respective times The authors have reconfigured the analytical framework of the book to take into account the dynamic opportunity structure that emerged during the George W Bush administration **The Presidency and Domestic Policy** provides unique insights into contemporary presidential leadership in a highly partisan age

American Journalism, 1996

The Presidency and Domestic Policy Michael A. Genovese, Todd L. Belt, William W. Lammers, 2024-04-15 This book

systematically examines the first terms of every president from FDR to Joe Biden and assesses the leadership style and policy agenda of each. Success in bringing about policy change is shown to hinge on the leadership style and skill in managing a variety of institutional and public relationships. Presidents are evaluated based on the level of opportunity they faced. The third edition of this timely book adds chapters on Donald Trump and Joe Biden and focuses on the significant domestic policy challenges of their respective times. For students of presidential history, leadership and public policy, *The Presidency and Domestic Policy* provides unique insights into contemporary presidential leadership in a highly partisan age. New to the Third Edition: Two new chapters focusing on Trump and Biden showing its policy similarities as well as differences from earlier administrations; A reassessment of the domestic policy legacies of Bill Clinton especially in regard to crime and the financial services industries; A sharper focus on racial politics resulting from both the Clinton and Obama eras; An exploration of administrative approaches to governing domestically and unilateral decision making normally reserved for the foreign policy arena but now applied on the domestic side as well e.g. executive orders; The increasing linkage between domestic and foreign policy issue arenas particularly in the areas of immigration, trade and environmental policy; An assessment of judicial politics in the framework of the four leadership dimensions presidents bring to office and also in terms of the impact on domestic policy outputs.

The Presidency and Domestic Policy William W. Lammers, Michael A. Genovese, 2000. Each president brings to the White House a distinct set of personal characteristics and a preferred leadership style but just how much have individual presidents shaped domestic policy? To understand and assess what factors determine one president's success and another's limited accomplishments it is important to examine both the individual's leadership roles and the circumstances which shape their opportunities for success. This new book systematically examines the first terms of every president from Franklin Delano Roosevelt to William Jefferson Clinton and assesses the leadership style, the policy agenda and the political opportunity of each. Each president's success in effecting landmark legislation and other policy change is measured and evaluated. William W. Lammers and Michael A. Genovese look at how different levels of opportunity affect leadership and how each president played the political hands he was dealt. By dividing presidents along opportunity lines, Lammers and Genovese assess how skillful each president was in the art of presidential leadership, what strategies and tactics they employed to achieve their goals and the policy legacies left by each.

American Presidents Robert P. Watson, Richard Yon, 2006. Presents the life of each American president, discussing the historical background of their time period, the accomplishments of their administration and its impact on subsequent historical events.

Groupthink or Deadlock Paul A. Kowert, 2012-02-01. The danger of groupthink is now standard fare in leadership training programs and a widely accepted explanation among political scientists for policy making fiascos. Efforts to avoid groupthink, however, can lead to an even more serious problem: deadlock. *Groupthink or Deadlock* explores these dual problems in the Eisenhower and Reagan administrations and demonstrates how both presidents were capable of learning and consequently changing their

policies sometimes dramatically but at the same time doing so in characteristically different ways Kowert points to the need for leaders to organize their staff in a way that fits their learning and leadership style and allows them to negotiate a path between groupthink and deadlock *The Evolution of Presidential Polling* Robert M. Eisinger, 2003-01-20 The Evolution of Presidential Polling is a book about presidential power and autonomy Since FDR virtually all presidents have employed private polls in some capacity This book attempts to explain how presidential polling evolved from a rarely conducted secretive enterprise to a commonplace event that is now considered an integral part of the presidency I contend that because presidents do not trust institutions such as Congress the media and political parties all of which also gauge public opinion they opt to gain autonomy from these institutions by conducting private polls to be read and interpreted solely for themselves

Right here, we have countless book **Reexamining The Eisenhower Presidency** and collections to check out. We additionally manage to pay for variant types and afterward type of the books to browse. The enjoyable book, fiction, history, novel, scientific research, as well as various supplementary sorts of books are readily simple here.

Reexamining The Eisenhower Presidency Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reexamining The Eisenhower Presidency PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes

intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reexamining The Eisenhower Presidency PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reexamining The Eisenhower Presidency free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Reexamining The Eisenhower Presidency Books

What is a Reexamining The Eisenhower Presidency PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reexamining The Eisenhower Presidency PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reexamining The Eisenhower Presidency PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reexamining The Eisenhower Presidency PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reexamining The Eisenhower Presidency PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features.

PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
