Dickerson,2019-08-01 Biblical narratives are not simply sacred stories for religious communities They are stories that provide transformative insight into cultural biases By putting historical criticism and reception history into dialogue with womanist biblical hermeneutics Luke Widows Judges and Stereotypes offers a provocative reading of Jesus parable about a widow who confronts a judge and obtains what she seeks by means of physical threat Rather than simply reading the widow as the model for one who prays always and does not lose heart Luke 18 1 Dickerson shows that read in the context of Luke s wider narrative the widow domesticated and robbed both of her agency and moral ambiguity is more likely demanding vengeance instead of justice Likewise rather than simply reading the judge as one who neither feared God nor had respect for people Luke 18 2 Dickerson argues that the judge is both an ideal man and one who compromises standards of ancient masculinity Then reading both the widow and judge through African American stereotypes Mammy Jezebel Sapphire Cool Black Male Master Pastor and Foolish Judge that are used to degrade debase and control and reading them into and in light of the parable Dickerson demonstrates how the parable calls into question these stereotypes thereby producing new liberative readings **The American Library Annual**
