Cinema of Contradiction Sally Faulkner, 2006-02-22 A key decade in world cinema the 1960s was also a crucial era of change in Spain A Cinema of Contradiction the first book to focus in depth on this period in Spain analyses six films that reflect and interpret these transformations The coexistence of traditional and modern values and the timid acceptance of limited change by Franco's

authoritarian regime are symptoms of the uneven modernity that characterises the period. Contradiction, the unavoidable effect of that unevenness, is the conceptual terrain explored by these six filmmakers. One of the most significant movements of Spanish film history, the New Spanish Cinema, art films explore contradictions in their subject matter yet are themselves the contradictory products of the state's protection and promotion of films that were ideologically opposed to it. A Cinema of Contradiction argues for a new reading of the movement as a compromised yet nonetheless effective cinema of critique. It also demonstrates the possible contestatory value of popular films of the era, suggesting that they may similarly explore contradictions. This book therefore reveals the overlaps between art and popular film in the period and argues that we should see these as complementary rather than opposing areas of cinematic activity in Spain.

Contemporary Spanish cinema and genre Jay Beck, Vicente Rodríguez Ortega, 2021-06-15 This volume is the first English language collection exclusively dedicated to the study of genre in relation to Spanish cinema. Providing a variety of critical perspectives, the collection gives the reader a thorough account of the relationship between Spanish cinema and genre, drawing on case studies of several of the most remarkable Spanish films in recent years. The book analyses the significant changes in the aesthetics, production and reception of Spanish film from 1990 onwards. It brings together European and North American scholars to establish a critical dialogue on the topics under discussion while providing multiple perspectives on the concepts of national cinemas and genre theory. In recent years, film scholarship has attempted to negotiate the tension between the nationally specific and the internationally ubiquitous, discussing how globalisation has influenced film making and surrounding cultural practice. These broader social concerns have prompted scholars to emphasise a redefinition of national cinemas beyond strict national boundaries and to pay attention to the transnational character of any national site of film production and reception. This collection provides a thorough investigation of contemporary Spanish cinema within a transnational framework by positing cinematic genres as the meeting spaces between a variety of diverse forces that necessarily operate within but also across territorial spaces. Paying close attention to the specifics of the Spanish cinematic and social panorama, the essays investigate the transnational economic, cultural and aesthetic forces at play in shaping Spanish film genres today.

The Americanization of Europe Alexander Stephan, 2006 Using Germany as a case study of the impact of American culture throughout a period characterized by a totalitarian system, two destructive wars, ethnic cleansing and economic disaster, this book explores the political and cultural parameters of Americanization and anti-Americanism.

Youth Culture in Global Cinema Timothy Shary, Alexandra Seibel, 2009-01-27 Coming of age is a pivotal experience for everyone. So it is no surprise that filmmakers around the globe explore the experiences of growing up in their work. From blockbuster U.S. movies such as the Harry Potter series to thought-provoking foreign films such as *Bend It Like Beckham* and *Whale Rider*, films about youth delve into young people's attitudes, styles, sexuality, race, families, cultures, class, psychology and ideas. These cinematic representations of youth also reflect perceptions about youth in their respective cultures as well as young people's worth to

the larger society Indeed as the contributors to this volume make plain films about young people open a very revealing window on the attitudes and values of cultures across the globe Youth Culture in Global Cinema offers the first comprehensive investigation of how young people are portrayed in film around the world Eighteen established film scholars from eleven different national backgrounds discuss a wide range of films that illuminate the varied conditions in which youth live The essays are grouped thematically around the issues of youthful resistance and rebellion cultural and national identity including religion and politics and sexual maturation including gender distinctions and coming of age queer Some essays engage in close readings of films while others examine the advertising and reception of films or investigate psychological issues The volume concludes with filmographies of over 700 youth related titles arranged by nation and theme *Spanish Cinema in the Global Context* Samuel Amago,2013-09-11 Across a broad spectrum of media markets and national contexts self reflexivity continues to be a favored narrative mode with wide ranging functions In this book Amago argues that in addition to making visible industry and production concerns within the film text reflexive aesthetics have a cartographic function that serves to map the place of a film geographic and cultural within the global cinemascapes and thus to bring into sharper relief images of the national Focusing on films in the contemporary Spanish context that in some way reflect back on themselves and the processes of their own production that purposefully blur the distinction between reality and fiction or that draw attention to the various modes of cinematic exhibition and reception Amago proposes ways in which these movies can be employed to understand Spanish national cinemas today as imbedded within a dynamic global system

Postmodern Paletos Nathan E. Richardson,2002 When Spanish dictator Francisco Franco legalized internal immigration in 1947 he unwittingly inaugurated the greatest period of urban expansion and rural depopulation that Spain had known During the next two decades nearly four million citizens would move from Spain's traditional pueblos perdidos to overburdened urban metropolises Along with wooden trunks and baskets of chickens the immigrants or paletos as they were often called bore on their journey the weight of centuries of ideological meaning tied to the geographic regions they were traversing To abandon rural Spain had come to signify a rejection of manhood wealth Christian values and even Spanishness itself Paletos however innocent they may have appeared were not ideologically neutral In the coming decades the weight and complexity of the meanings behind immigration the country and the city would only grow as Spain advanced from economic underdevelopment social ignorance and political reaction to full fledged participation in global economics and politics activities that would reshape what it meant to be an immigrant and paleta both within and across the geographic border that had traditionally defined the Spanish nation BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Pedro Almodóvar** Marvin D'Lugo,2023-02-03 Perhaps the best known Spanish filmmaker to international audiences Pedro Almodóvar gained the widespread attention of English speaking critics and fans with the Oscar nominated *Women on the Verge of a Nervous Breakdown* and the celebrated dark comedy *Tie Me Up Tie Me Down* Marvin D

Lugo offers a concise informed and insightful commentary on a preeminent force in modern cinema. D Lugo follows Almodóvar's career chronologically tracing the director's works and their increasing complexity in terms of theme and the Spanish film tradition. Drawing on a wide range of critical sources, D Lugo explores Almodóvar's use of melodrama and Hollywood genre film, his self-invention as a filmmaker and his on-screen sexual politics. D Lugo also discusses what he calls geocultural positioning that is Almodóvar's paradoxical ability to use his marginal positions in terms of his class, geographical origin and identity to develop an expressive language that is emotionally recognizable by audiences worldwide. Two fascinating interviews with the director round out the volume. An exciting consideration of an arthouse giant, Pedro Almodóvar mixes original interpretations into an analysis sure to reward film students and specialists alike.

Historical Dictionary of Spanish Cinema Alberto Mira Nouselles, 2010-04-28 Emerging as one of the most exciting, fascinating and special kinds of filmmaking in the world, Spanish cinema has been producing excellent directors, actors and films for decades, including during the dark times of the Franco regime. With directors Pedro Almodóvar, actors and actresses Javier Bardem and Penelope Cruz, and films *Abre los ojos* and *Alatriste* amassing popularity, the outlook for Spanish cinema appears brighter than ever, and it is deservedly winning numerous fans abroad. *The Cinema of Spain and Portugal* Alberto Mira, Alberto Mira Nouselles, 2005 Providing an overview of Spanish and Portuguese cinema, this title contains 24 essays, each on a separate seminal film from the region, profiling work from the likes of Pedro Almodóvar and João César Monteiro.

Following Franco Duncan Wheeler, 2020-10-15 The transition to democracy that followed the death of Spanish dictator Francisco Franco in 1975 was once hailed as a model of political transformation. But since the 2008 financial crisis, it has come under intense scrutiny. Today a growing divide exists between advocates of the Transition and those who see it as the source of Spain's current socio-political bankruptcy. This book revisits the crucial period from 1962 to 1992, exposing the networks of art, media and power that drove the Transition and continue to underpin Spanish politics in the present. Drawing on rare archival materials and over three hundred interviews with politicians, artists, journalists and ordinary Spaniards, including former prime minister Felipe González (1982-96), *Following Franco* unlocks the complex and often contradictory narratives surrounding the foundation of contemporary Spain.

A History of Spanish Film Sally Faulkner, 2013-04-11 *A History of Spanish Film* explores Spanish film from the beginnings of the industry to the present day, by combining some of the most exciting work taking place in film studies with some of the most urgent questions that have preoccupied twentieth-century Spain. It addresses new questions in film studies like prestige film and middlebrow.
