 graduating High School Class She loved acting in her drama classes and was told that she was good A sense of humor was
 also present and is shown within the context of her story When mother reached her forties she developed a brain tumor
 which eventually disfigured her Her thoughts and feelings are described here along with her descriptions of God's loving
 nature Her final trial was the dreaded Alzheimer Disease She will describe in her own words how she felt when she realized
 that she had this disease God shows His goodness compassion love and comfort throughout her life and my wish is that
 through my mother's story the reader will also be blessed and comforted **Wearing My Mother's Heart** Sophia
