Reflections On Infinity An Introduction To Kabbalah:

Reflections on Infinity Raoul Nass,1999 To find out more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com **Symbols of the Kabbalah** Sanford L. Drob,1999-11-01 *Symbols of the Kabbalah Philosophical and Psychological Perspectives* provides a philosophical and psychological interpretation of the major symbols of the theosophical Kabbalah It shows that the Kabbalah particularly as it is expressed in the school of Isaac Luria provides a coherent and comprehensive account of the cosmos and humanity's role within it that is intellectually morally and spiritually significant for contemporary life *Kabbalah and Alchemy* Arturo Schwarz,2000 This remarkable and groundbreaking study explores the author's view that there is a close correspondence between the basic tenets of alchemy and those of Jewish esoteric tradition generally known as Kabbalah The author Arturo Schwarz points out that both alchemy and Kabbalah are frequently distorted in popular as well as scholarly literature The real concern of alchemy is not to transmute lead into gold but rather through the investigation of the self to evolve from the state of ignorance symbolized by lead to that of awareness symbolized by gold As Schwarz points out this drive toward self awareness is also basic in the teachings of the major kabbalists Schwarz goes on to explain that in both systems one of the major instruments of understanding our inner self is love both physical and spiritual Through a careful analysis of the use of sexual imagery in both systems Schwarz builds his fascinating and eye opening thesis that alchemy and kabbalistic tradition share profound similarities **Kabbalistic Metaphors** Sanford L. Drob,2000 *Kabbalistic Metaphors Jewish Mystical Themes in Ancient and Modern Thought* places the major symbols of the theosophical Kabbalah into a dialogue with several systems of ancient and modern thought including Indian Philosophy Platonism Gnosticism and the works of Hegel Freud and Jung The author shows how the Kabbalah organizes a series of ancient ideas regarding God cosmos and humanity into a basic metaphor that itself reappears in various guises in much of modern philosophy and psychology Recognition of the parallels between the Kabbalah and modern philosophy and psychology provides us with valuable insight into both the Kabbalah and modern thought and helps pave the way for a new Kabbalah one that is spiritually and intellectually relevant to contemporary man *American Book Publishing Record* ,2000 **AJL Newsletter** Association of Jewish Libraries,1998 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 **Reflections on Jewish Mysticism** Josef Bláha,2013 This book deals with the Kabbalah and also with Hebrew literature and poetry The book also deals with modern issues of philosophy Levinas and Heidegger and the relationship between philosophy and Kabbalah back cover **Choice** ,1999 *Introduction to the Book of Zohar, Volume 1* Yehudah Ashlag,Michael Laitman,2005-01-01 The Science of Kabbalah Pticha is the first in a series of texts that Rav Michael Laitman Kabbalist and scientist designed to introduce readers to the special language and terminology of the Kabbalah Here Rav Laitman reveals authentic Kabbalah in a manner that is both rational and mature Readers are gradually led to an understanding of the logical design of the Universe and the life whose home it is The Science of Kabbalah a revolutionary

work that is unmatched in its clarity depth and appeal to the intellect will enable readers to approach the more technical works of Baal HaSulam Rabbi Yehuda Ashlag such as Talmud Eser Sefirot and Zohar Although scientists and philosophers will delight in its illumination laymen will also enjoy the satisfying answers to the riddles of life that only authentic Kabbalah provides Now travel through the pages and prepare for an astonishing journey into the Upper Worlds

Fuel your quest for knowledge with Learn from is thought-provoking masterpiece, Explore **Reflections On Infinity An Introduction To Kabbalah** .
