Reflections On Reading From Gcse To A Level Reflections On Practice:

Teaching Literature in the A Level Modern Languages Classroom Katherine Raithby, Alison Taylor, 2019-07-02 This book provides essential support and advice on using literature in the A level modern languages classroom addressing key concerns such as ways to approach this task and how to maximise the benefit to students There are strategies for understanding works of different genres as well as ways to analyse plot characterisation themes and style all presented in a logical way that allows existing teaching methods to be built upon Including a step by step approach to all aspects of planning resourcing and teaching literature in modern languages at advanced levels this book covers essential topics such as Why teaching and studying literature is important How to choose the text Preparing and introducing the literary text Understanding the characters themes style and structure Writing examination essays Ways to spark creative language use before and beyond the set text Based on the latest A level modern languages syllabus this practical book will help both new and experienced teachers approach teaching literature with more confidence which will enrich their students language learning and inspire their creativity beyond examination requirements

Learning to Teach Modern Languages in the Secondary School Norbert Pachler, Ann Barnes, Kit Field, 2013-11-19 Learning to Teach Modern Foreign Languages in the Secondary School has established itself as the leading textbook for student teachers of modern foreign languages in the UK The practical focus of the book is underpinned by a theoretical perspective and students are encouraged to develop a personal approach to modern foreign language teaching An account is also taken of relevant statutory frameworks This fully revised third edition has been thoroughly updated to take account of recent policy and curriculum changes And with the recent increased emphasis on teachers as researchers and the alignment of many PGCE courses with Masters Level criteria reference to important concepts and theoretical positions have been strengthened with strong reference to their relevance in the context of professional practice and a new chapter discussing the findings of research on Second Language Acquisition and Foreign Language Learning has been added Other chapters cover a wide range of relevant topics including teaching methods and learning strategies teaching in the target language and developing cultural awareness the teaching of grammar differentiation and assessment the use of ICT in modern foreign language teaching

Effective Language Learning Suzanne Graham, 1997 This book investigates some of the learning processes of students of French and German as they begin language learning at an advanced level a stage which is frequently problematic By looking at the learning strategies employed by both successful and less successful language students the author elucidates some of the key cognitive and affective processes which facilitate advanced level language learning The implications of this for the classroom are discussed in detail leading to practical recommendations for learning and teaching strategies A central theme is the need to teach explicitly the proficient use of learning strategies and suggestions are made as to how this may be achieved in the language classroom

Social Work in Education and Children's Services Steve Krawczyk, Nigel Horner, 2006-08-10 In light of the

profound changes confronting the Child Welfare landscape social work practitioners are expected to understand both the current and anticipated inter relationships between social work and education A clear introduction to social work in an educational setting this book supports students on the social work degree course and builds on the success of the Transforming Social Work Practice series which is based on common learning principles *Learning to Teach History in the Secondary School* Terry Haydn, Alison Stephen, James Arthur, Martin Hunt, 2012-11-12 In some hands history can be an inspirational and rewarding subject yet in others it can seem dry and of little relevance The aim of this textbook is to enable student teachers to learn to teach history in a way that pupils will find interesting enjoyable and purposeful It incorporates a wide range of ideas about the teaching of history with practical suggestions for classroom practice This is the third edition of a textbook that has established itself as the leading text for student teachers of history It has been thoroughly updated with a revised chapter on the use of ICT in history teaching and major new sections in the areas of inclusion resources assessment and professional development It provides an array of references and materials that give a sound theoretical foundation for the teaching of history including weblinks to further resources A range of tasks enable students to put their learning into practice in the classroom The book also provides reference and access to a wide range of recent and relevant research in the field of history education which will be of use to student teachers pursuing courses that have a Masters Level component In all it is an invaluable resource for student and beginning history teachers *Strategies to Promote Inclusive Practice* Richard Rose, Christina Tilstone, 2003-08-29 This book considers current issues in the development of policies to promote inclusive education for pupils with special educational needs By examining issues from the perspective of individual pupils schools and local education authorities it raises critical commentary on the ways forward for a co ordinated approach to inclusion Strategies to Promote Inclusive Practice draws upon the experience and expertise of teachers policy makers and researchers who explore the many factors which need to be addressed in the development of a more inclusive education system The authors explore the link between theoretical perspectives and the production of policy as well as the potential for translating this into good classroom practice They provide examples of approaches which have proved successful in enabling pupils to become better equipped to address the needs of a wide range of pupils In considering the impact of recent policy legislation and research the authors suggest that several models of inclusion may be necessary in order to become an inclusive education system This book will be of interest to students teachers policy makers and researchers who are concerned to advance the debate on inclusion towards a more pragmatic approach to providing for all pupils with special needs It is a companion text to Promoting Inclusive Practice edited by Christine Tilstone Lani Florian and Richard Rose RoutledgeFalmer 1998 which was the joint winner of the 1999 TES NASEN Academic Book Award **Becoming A Reflective English Teacher** Green, Andrew, 2011-06-01 This book builds firm bridges between theory and practice through exploring evidence based practice and pursues what this means for new English teachers **Successful Teaching**
