Volkman, 2008-01-01 Featuring the work of 15 Viet Nam War veteran writers this anthology of poems stories and essays looks through the lens of past and present perspectives and defines how modern warfare affects the lives of those who lived it and their families

Reflections on the Vietnam War United States. Dept. of the Army. Center of Military History, 1979 **Reflections on Vietnam** R. G. Clarke, 2021-03-27 The war in Vietnam impacted more than just the lives of those who were there it toppled governments forced changes to national policy and forever altered lives But what of those who were there Reflections on Vietnam lays bare the real life experiences of some of those who were there giving insight to the effect of those experiences on those who lived through it **Vietnam & Beyond** Jenny La Sala, Jim Markson, 2014-09-18 Vietnam and Beyond is a collection of wartime letters written home by Jim Markson from March 1967 to March 1968 Jim carried sadness and boxed up memories from Vietnam Perhaps if it were not for the general divided and oppositional public opinion of the Vietnam War at that time the soldiers returning home might have been able to open up and begin the healing process Instead those soldiers returning from Vietnam were afraid to tell their story These fears bound each soldier to the other We are very proud to embrace all veterans and include stories of veterans of all wars including WWII Korea Vietnam Iraq and Afghanistan to show the similarities of war and the soldier from one generation to another *Triumph or Tragedy Reflections on Vietnam* Richard N. Goodwin, 1966 **What They Know: Reflections of Vietnam** Rebecca Dean, 2021-08-11 In a 1980s junior college classroom in western Florida a young English professor assigns the first paper Her students of whom many are of Vietnamese origin are unsure of what to write about The professor offers one piece of advice Write about what you know This book is a collection of essays written by Vietnamese refugees who vividly depict their memories of fear danger hope and strength as they escaped Vietnam during one of the darkest periods of the twentieth century Their stories provide a glimpse into this period that is grossly underemphasized by historical curricula and remind us of the resilience of the human spirit in dangerous situations In addition to the essays the book includes a new introduction by the instructor who reflects on the lessons she learned from her Vietnamese students that stayed with her for the rest of her life Peace liberty and freedom can be achieved on our planet but only through communication understanding and empathy between different peoples The people of the United States do not know nearly enough about the Vietnamese people for and against whom we battled so many years We have not heard the voices the thoughts the experiences and the attitudes of this population Perhaps because we have not listened **Vietnam Reflexes and Reflections** Anthony F. Janson, National Vietnam Veterans Art

Museum,1998-10 The long overlooked art of Vietnam War veterans offers a unique perspective on a momentous event in American history Nearly 200 works in a wide ranges of mediums are highlighted from the extraordinary collection at the National Vietnam Veterans Art Museum in Chicago 307 illustrations 123 in color **Reflection of Home Letters from Vietnam** Leo Dubois,2007 In 1965 Master Sergeant Leo Dubois was ordered to Vietnam Seventeen years in the Air Force 37 years old with five soon to be six children he moved his family to Jacksboro Texas for the year and then departed for the airbase at Da Nang Every day or two he exchanged letters with his beloved wife Don Leta Her letters from home are gone but Leo s letters survive They tell stories of tumult on a rapidly expanding military base and the trials and humor of leading the young men under his supervision And the letters reveal life at home not directly but indirectly as if in reflection From beginning to end and deeply they reveal the tender affection and abiding devotion of a husband for his wife 344 pages 77 photographs and illustrations **Reflections on the Vietnam War** Cao Van Vien,Dong Van Khuyen,1989-04-01

cannot escape the war's insane grasp Catastrophic events in Vietnam and on the home front along with the dawning awareness of suicides among his fellow veterans prompt him to seek answers to the questions that haunt his daily life Why did America go to war in Vietnam How could we lose Why did so many people have to suffer in vain His quest leads him to the unveiling of the Vietnam Veterans Memorial in Washington D C where painful memories and powerful emotions merge to initiate a healing process for the author his fellow veterans and the country at large

The American Experience in Vietnam Grace Sevy,1991-07-01 Essays discuss America's strategy during the Vietnam War what it was like to fight there the role of the press the antiwar movement and American guilt over the war

My Vietnam War Dave Morgan,2014-08-05 My Vietnam War is Dave Morgan's story A typical 20 year old he was forced into extraordinary circumstances in Vietnam Far from his carefree youth the Vietnam War would expose Dave to an atmosphere of ever present danger and sheer terror that would impact him forever His return to a divided Australia would isolate him further During his service Dave wrote home to his mother from Vietnam tracking the days and the events In 1992 after his mother passed away he found all of his letters with his own recollections and diary entries and the short stories of seven other veterans to capture the unbelievable danger and horror that these young men experienced in Vietnam He also describes how Vietnam established life long feelings of intense loyalty trust and mateship between the men that served there Dave's story focuses on his time as a soldier and his return psychologically exhausted to a divided nation

Reflections Into My Soul Francine N. D'Aprile,2009-03 Through my journey in life I have met many people Everyone has a story to tell sometimes our lives take us into so many directions that at the end of the journey you look back and wonder where have all the years gone by The pathway that led me to this book took me in many directions in my life Writing Poetry has always been a passion of mine As I take you into my soul you will come to realize that deep within ourselves we are all the same From my years in Hawaii to the love of a United States Marine Corps Vietnam Vet I continue Along Life's Journey and then I hit the lowest point in my life My poetry continues with a mixture of inspirational thoughts and other poems At the end of the day may you be inspired by Reflections into My Soul and write your own poetry of life

The Battle of Ap Bac, Vietnam David M. Toczec,2001-04-30 Toczec provides the first description of the entire battle of Ap Bac and places it in the larger context of the Vietnam War The study thoroughly examines the January 1963 battle complete with detailed supporting maps Ironically Ap Bac's great importance lies in American policymakers perception of the battle as unimportant for all their intelligence and drive senior American government officials missed the early warning signs of a flawed policy in Southeast Asia by ignoring the lessons of the defeat of the South Vietnamese Army ARVN on 2 January 1963 The outcome of Ap Bac was a direct reflection of how the U S Army organized equipped and trained

the ARVN With all the ARVN officer corps s shortcomings the South Vietnamese Army could not successfully conduct an American combined arms operations against a smaller less well equipped enemy American leadership both military and civilian failed to draw any connection between ARVN s dismal performance and American policies toward South Vietnam Although certain tactical changes resulted from the battle the larger issue of American policy remained unchanged including the structure of the advisory system Vietnam, 1964-1973 ,1990
