Erased Anna Malaika Tubbs, 2025-05-20 The new book from the New York Times bestselling author of *The Three Mothers* In *Erased* Anna Malaika Tubbs recovers all that American patriarchy has tried to destroy Patriarchy has oppressed women and denied their contributions worldwide but the United States of America has its own unique gendered hierarchy Dr Anna Malaika Tubbs applies her signature blend of approachable yet rigorous analysis in this definitive and groundbreaking history of American patriarchy She proves that humanity in the United States is determined by gender in a limited and flawed binary that is also always tied to whiteness Tubbs shows how a fabricated hierarchy became so deeply ingrained over time that it now goes unnoticed along with everything it intentionally conceals From the founding fathers to the current Supreme Court justices from the treatment of enslaved women to the American maternal health crises from the exclusion of women in the Constitution to the continued lack of an Equal Rights Amendment Tubbs brings together academic research the stories of freedom fighters both past and present and her own experiences to reveal what is erased in the wake of American patriarchy The system has survived by hiding the tools that are necessary to dismantle it But Tubbs beautifully reminds us that those tools including our intuition courage ancient wisdom and power are still well within our reach *Erased* is the story of the United States from a new perspective one where the people who shaped this country who have been oppressed and whose contributions have been denied are at the center reminding us that we can restore what has been strategically kept from us Once again Dr Anna Malaika Tubbs has written a book that will be a touchstone for conversations on gender race and equity for years to come
