Reflections of Courage on D-Day & the Days That Followed Marcia Moen, Margo Heinen, 2025-01-15 The personal account of Charles Ace Parker a World War II Ranger on the European Front **D-Day General** Noel F. Mehlo, 2021-05-15 Omaha was the make or break Allied beach on D Day in perhaps the make or break campaign of World War II If American soldiers couldn't gain a foothold there then D Day was unlikely to succeed On June 6 1944 U S troops on Omaha suffered the worst casualties of any of the five Allied invasion beaches so many casualties and so much tactical difficulty that Omaha almost didn t succeed One big reason why Americans gained a foothold on Omaha was Gen Norman Dutch Cota A graduate of the West Point class of 1917 alongside famous classmates Matthew Ridgway Mark Clark and Lightning Joe Collins Norm Cota played football with Dwight Eisenhower who graduated two years earlier From March 1941 to February 1943 Cota served with the famous 1st Infantry Division the Big Red One as division intelligence officer plans training officer and finally chief of staff He performed so well in the North Africa campaign that he was sent to England to help plan D Day After laying the tactical groundwork for the amphibious landings Cota was made assistant division commander of the 29th Infantry Division On the eve of D Day he told his men You re going to find confusion The landing craft aren t going in on schedule and people are going to be landed in the wrong place Some won t be landed at all We must improvise carry on not lose our heads On June 6 1944 under heavy fire Cota landed with the second wave of the 29th Infantry Division on Omaha Beach about an hour after the start of the invasion He personally rallied the survivors of the landings and led the opening of one of the first exits off Omaha Cota seemed to be everywhere that day Coming upon a group of Rangers the general told them Rangers lead the way hence the Rangers motto He is also known for saying Gentlemen we are being killed on the beaches Let us go inland and be killed And to a captain uncertain how to proceed I ll tell you what captain You and your men start shooting at them I ll take a squad of men and you and your men watch carefully I ll show you how to take a house with Germans in it Having demonstrated the task Cota asked the officer Do you understand Do you know how to do it now I won t be around to do it for you again I can t do it for everybody Great guips which American military history will always remember and which show the character in every sense of Dutch Cota Cota was a fighter a fighting general a D Day general and his contribution to D Day will remain his rallying of demoralized troops and his blazing the trail toward the breakout and victory on Omaha Ted Roosevelt Jr who landed at Utah Beach has always received credit as the D Day general like Cota Roosevelt also demanded that he land on D Day and then died of a heart attack a month later but Cota is the hero general of the day having landed early on D Day on bloody Omaha Portrayed by Robert Mitchum in the grand D Day film The Longest Day Cota has not yet received his due and there s a campaign now afoot to award him a belated Medal of Honor His story cries out to be told Now with the cooperation of the Cota family Noel F Mehlo Ir tells the compelling story Dutch Cota on Omaha Beach revealing new information and never before seen photos Rudder Thomas M. Hatfield, 2011-04-21 Rudder From Leader to Legend

The clash of the two determined forces was one of the bloodiest and most costly encounters of World War II Castle Hill the imposing 1320 foot mini mountain the American Rangers simply called Hill 400 was the gateway to a desperate Nazi Germany Several entire American divisions had already been repulsed by the last hill s dug in defenders as unknown to the Allies the height was the key to Adolf Hitler's last minute plans for a massive counterattack to smash through the American lines in what would become known to history as the Battle of the Bulge Thus the stalemate surrounding Hill 400 could not continue For Supreme Allied Commander Gen Dwight Eisenhower there was only one solution Call in Rudder's Rangers Of the 130 special operators who stormed captured and held the hill that December day only 16 remained to stagger back down its frozen slopes The Last Hill is replete with unforgettable action and characters a rich and detailed saga of what the survivors of the 2nd Ranger Battalion would remember as our longest day Reflections of Courage on D-Day and the Days that Followed Ace Parker, Marcia Moen, Margo Heinen, 1999 The Follow Up: 21 Days of Accountability Joél L. Joseph Mpa, 2020-12-27 Changing Your Paradigm and Shifting your Mindset in 21 Days By Joel L Joseph MPA Most textbooks of this nature go through the theory and inundate the reader with historical perspectives and unrelated information to fill up space I have learned that KISS Keep it Simple Sweetie is something that works better when trying to reach a larger group of people The Follow up 21 Days of Accountability power packs knowledge practice and application in a manner that is palatable and inspiring to the intended audience Overview Being that this is my 3rd Book 1st The Sweat off My Back 2nd Journey 2 Greatness I wanted to do something different I wanted to create a book that addressed the gaps that many of us have and that is with commitment and follow through I myself have had to gain an accountability partner or partners that were on the same path with me trying to attain similar goals to keep me on track This book s caveat statement of disclaimer is that I do NOT try and present a perfect solution There are no perfect solutions because we are not perfect people In fact no book can guarantee your success without YOU putting the work or effort in to produce the results that you desire Many experts and top consultants can agree that there are no shortcuts to success In fact the journey to the place in which the person inside of you becomes the very best

version of you experts say that it takes 21 days to change a behavior or form a new habit I encourage you to take that as a challenge to look at the next 21 days and thereafter as a time to put in the arduous work that it takes to change your lifestyle As a producer of change you must know that the process of change takes accountability and the ability to measure your progress This is how you will adjust stabilize or reduce those things that are necessary to promote the BEST results At the end of this book I suggest that you look deeply at what you have accomplished and judge it heavily don t be easy on yourself Don't let yourself off the hook take the tough approach to be honest about the change that you need to make and simply do it Journaling is an important part of any process So purchase a journal or the detailed journal for this book which is available at www iljoseph com and reflect as much as possible of the journey Enjoy the results reflect on the ups and down and celebrate D-Day: A Chronicle of Triumph Pasquale De Marco, D Day A Chronicle of Triumph is a gripping and comprehensive account of the D Day landings in Normandy during World War II This meticulously researched and engagingly written book takes readers on a chronological journey through this pivotal event from the meticulous planning and preparation to the daring airborne landings the amphibious assaults on the beaches and the fierce battles that followed Beyond the military history D Day A Chronicle of Triumph delves into the personal stories of those who witnessed participated in and were forever changed by this momentous event Through poignant firsthand accounts and meticulously documented facts the book sheds light on the immense sacrifices made by the Allied soldiers sailors and airmen as well as the innocent civilians caught in the crossfire This book examines the lasting impact of D Day both on the course of World War II and on the world stage It explores how this single operation influenced the outcome of the war hastened the liberation of Europe and laid the foundation for the postwar order The book also investigates D Day's enduring legacy in popular culture from its portrayal in films and literature to its commemoration in museums and memorials around the world D Day A Chronicle of Triumph is a powerful and moving tribute to the bravery sacrifice and determination of those who fought on D Day It is a testament to their enduring legacy and a reminder of the fragility of peace and the importance of standing up to tyranny This book is an essential read for anyone interested in military history World War II or the human spirit's capacity for courage and resilience in the face of adversity Within these pages readers will find A gripping narrative that brings to life the drama and tension of D Day from the planning stages to the final victory Personal accounts from soldiers sailors airmen and civilians offering a unique perspective on this momentous event A comprehensive analysis of the military strategy and tactics employed by both sides shedding light on the complexities of this massive operation An exploration of the lasting impact of D Day both on the course of World War II and on the world stage A tribute to the bravery and sacrifice of those who fought and died on D Day ensuring their legacy lives on If you like this book write a review **The Americans at D-Day** John C.
