Reflections On A Long Journey:

Long Journey to the Border Vincent O'Sullivan, 2011 John Mulgan was part of a gifted yet uneasy group of young New Zealanders who made their mark between the wars men such as Ian Milner James Bertram Dan Davin and Geoffrey Cox An Oxford graduate he worked as a publisher at Oxford University Press before leaving for the front in World War Two Fascinated but sometimes troubled by his home country Mulgan saw New Zealand as a place of challenge and austere demands a land that produced men more practical than cultivated In his famous novel *Man Alone* he depicted it as a tough often heartless country characterised by the solitary figure who has come to symbolise the male New Zealand psyche He wrote more warmly of the place and the people in the poignant memoir *Report on Experience* published after his death Mulgan was a glamorous figure handsome gifted and good at anything he attempted His last years were spent fighting in the Allied cause in Egypt and Greece where he distinguished himself But there were darker threads too which culminated in his decision to take his own life in Cairo just after the end of the war and aged only 33 In this penetrating biography Vincent O Sullivan draws on a large collection of personal papers official records and contemporary memoirs to paint a vivid portrait of a man who came to represent so much about his country and his time

Decades Frank Morgan,2012-12-18 This informative and loving memoir about the life and times of author Frank Morgan tells the story of his years in East Africa with his beloved wife But the story is even much richer than that in that it also covers twelve decades of time in an area of the world most can only dream about Now age 88 and retired the author has always wanted to share his East African adventures as well as his work for the British government in the development of the region Morgan also tells of his ancestors involvement in East Africa and the Seychelles that began in 1830 His epic story takes readers up to the year 1958 Reflections of Twelve Decades is a fascinating mixture of what ifs and what could have been **Reflections on Old Age** Cornelius F. Murphy,2015-04-07 The English writer E M Forster described old age as a seductive combination of increased wisdom and decaying powers to which too little intelligence is devoted This book is a response to that criticism It explains how old age has been considered throughout the ages by philosophers poets and other literary figures and explores how the extraordinary increase of life expectancy that began in the last century has been sustained by science and medicine Unfortunately the general public still prefers to keep the elderly out of sight and especially out of mind To overcome this marginalization I call for the emergence of a more inclusive humanism one that is welcoming to persons of all ages To overcome the pervasive isolation of the elderly requires a new dialogue across all the living generations Echoing the sentiments of Cicero in his classic study of old age I also call for a reflective maturity to develop among the elderly one that reaches deeply into themselves and increases their understanding of the world around them

Spiritual maturity demands growth in virtue and charity in the advance of years A reaching out to all in the pursuit of justice and the common good is strongly recommended The book concludes with some reflections upon hopes for personal immortality as well as the qualities of divine justice and mercy **Rolling Reflections** Barrett
