Fowler, 2010-07-01 For pastors and congregations caring for those who are grieving is a very important but difficult job Gene Fowler believes that the church needs a theological understanding of bereavement that can inform the ministry of caring for grieving people The heart of The Ministry of Lament addresses the relationship between bereavement and the Christian faith in the service of caring ministry Throughout the book Fowler brings the psalms of lament into dialogue with a contemporary understanding of mourning so that the entire grief process can be addressed theologically

The Ministry of Lament Gene Fowler, 2022-05-17 Through his own hard won wisdom as a pastor who is thoroughly acquainted with grief Gene Fowler shows how these biblical and contemporary understandings of lament provide invaluable guidance for the pastor who knowing that the grieving of irrevocable losses is an ever present reality in the life of the congregation seeks realistic and reliable guidance in how to care for the bereaved and how to enable the congregation to become a genuine community of fellow mourners Donald Capps Princeton Theological Seminary Gene Fowler skillfully maneuvers the winding road of bereavement with the psalms of lament as accompaniment With attention to the terrain of individuality as well as the congregational setting Fowler traverses new territory in a twenty first century approach to caring for grieving people Unlike an interstate with its clear ramps markers and exits the valley of the shadow of death is uneven with hidden crevices detours and dimly lit passages Challenging the traditional understanding of grief as a series of universal stages unfolding according to a preconceived timetable Fowler draws from psychotherapists and theologians to ground a new relationship between spirituality and grief Jeanne Stevenson Moessner Perkins School of Theology SMU While making a compelling case for how notions of care have been hijacked truncated and curtailed Gene Fowler expands the ability of caregivers and congregations to provide the long term acts of faithful healing that deep loss requires The book is given particular clarity through examples of movies books stories and Psalms that help healers see anew their task to compassionately and creatively encourage the bereaved as they rewrite the story of their lives Andrew L McDonald Senior Pastor Westminster Church Lincoln Nebraska
