Reflections On My Journey:

Reflections From My Journey: Stories Worth Repeating Ed Hearn, 2019-09-17 My third book *Reflections from My Journey Stories Worth Repeating* includes a variety of short stories taken from my adult life. They reflect a mature person's thoughts and contain more seriousness and reflection than the first two books in the series. *Integrated Experiential Coaching* Lloyd Chapman, 2018-03-08 Coaching is growing across the globe as a viable and useful intervention to help executives deal with the complexity they face day to day. In response to this increased demand, many coaches have presented their model of coaching to the world of business, and a number of these have made it into print. Few are based on a rigorous development process or have provided the reader with an insight into their development. The Author wanted to offer to the readers of our professional coaching series the opportunity to engage with a practitioner who had been through a journey of learning built on their experience, the literature, and research. This book meets the need identified for a clear and rigorous account by an experienced coach of the development of their model within the scientist-practitioner framework. *My Journey From Warrior to Gypsy* Yeager Thomas, 2017-05-16 *My Journey from Warrior to Gypsy* is a collection of poems written by Tom Yeager. This book is his story of going into the unknown and discovering more of the world and of himself. He is able to laugh at how life sometimes hands us chicken and sometimes hands us feathers. Tom captures the humor, warmth, and wisdom of a heart opening. The chapter of poems on love and romance describes the pain and joy of being with someone special. These poems show how he has slowly learned to open his heart and let love come in. He ends one of his poems with when people ask what happened to me, I say that I am trusting life's greatest mystery. The chapter of poems on riding and jumping horses shows his love and connection with horses. His poems reflect how much he has learned from riding these magnificent creatures. One of his favorite quotes is from Winston Churchill who said No hour of life is wasted that is spent in the saddle. The chapter of poems on travel reflects his experiences and insights from traveling to over thirty countries in the world and seeing five of the seven wonders of the world. For example, he writes about facing the unknown in his climb to the summit of Mt. Fuji. With each adventure, he realizes the truth of Rumi who said Travel brings love and power back into your life. The chapter of poems on facing adversity is about finding the inner strength to face our fears. Tom believes that adversity teaches us about patience, honesty, and courage. He ends one poem with the Vietnamese proverb in the dark, one has only one's lamp to show the way. Pondering the Reflections of Life and the Reflections of Love Patricia Louise, 2011-07-29 This book is a voice of hope in an unhinged world. It is a candid, genuine guide for those who took as Robert Frost wrote The Road Less Traveled. Alfred Lackey, PhD, Holistic Counseling Service. Patricia Wilson has a ninety-chord love song to fuel the required emotional nutrients that we need. Surely within her book lies a distinctive Rhema for all of us. Connie Lackey, founder of the Ladies Tea Ministry. As I read Patricia's book, it enlightened me as to what God would intend us to do. The Lord said Write the vision and make it plain upon tablets that he may run that readeth it. Hab 2:2 Dick Halloran, Director, Life Abundant Bible
