Teaching in the Middle and Secondary Schools Richard Dean Kellough,Jioanna Carjuzaa,2009 This practical performance based methods text for middle and second school pre service teachers is organized around four developmental components Why gives the rationale to support the components that follow What what you will be teaching How how you will teach it How well how well you are teaching it Organized into four parts that are then split up into ten modules the text begins with a history of education going back to colonial times The modules then cover the many and varied aspects of teaching pre and early adolescents such as teaching students with exceptionalities classroom management diversity instructional planning using technology in the

classroom assessing student achievement and self assessment and continued professional development The authors contend that the best teacher is one who has an eclectic style and can monitor their own progress and make changes and adapt their strategies if they are not succeeding The ninth edition has been carefully updated to reflect the diversity and current topics in the field today The book is a valuable resource for students today and as a reference for many years to come New To This Edition NEW Improved balance of content between middle and secondary schools this emphasizes that middle school is uniquely different from both high school and the traditional junior high school and that pre and early adolescence is different from late adolescence NEW Technology has been integrated throughout every module of the book New features including Teaching Scenarios Activities and Technology Rich features were added to all modules NEW Contributions from pre service and in service middle and secondary school teachers teacher educators and educational researchers have been added to strengthen the tie between theory and practice *Teaching Young Adolescents* Richard Dean Kellough, Noreen G.

Kellough, 2003 Everything future teachers of young adolescents need to know is here covered thoroughly and presented in a down to earth manner that emphasizes the practical as well as the theoretical These authors encourage future teachers to take an eclectic approach to teaching one that actively engages the adolescent in his or her own learning and gives every student an equal chance to participate learn grow and succeed A wealth of examples and exercises model the book's tenets while the authors' keen understanding of their subject keeps content to the point Coverage includes the characteristics of young adolescents planning for their instruction implementing instruction and assessing their learning For professionals in the field of teaching **El-Hi Textbooks & Serials in Print, 2003**, 2003 HSSC TGT Science Exam Book (English Edition) | Haryana Staff Selection Commission : Trained Graduate Teacher | 15 Practice Tests (1500 Solved MCQs)
