Reflowering Of The Goddess:

The Reflowering of the Goddess Gloria F. Orenstein, 1990-02-01 *The Reflowering of the Goddess* Gloria Feman Orenstein, 1990-02-01 *The Civilization of the Goddess , Eden and the Fall - the Fallacies of Radical Ecological History*, 1999 Radical ecology claims to be a new movement at the cutting edge of social change offering a solution to current social and ecological problems through the rejection of reformist ecological politics in favour of a radical restructuring of industrial and especially Western society The claim to have discovered the historical cause of current ecological and social problems plays a key role in validating this radical approach Although numerous interpretations of the historical origins of existing social and ecological problems exist within radical ecology three main variants have been identified This thesis critically examines the three main variants of radical ecological history the belief in primal harmony the belief in the civilisation of the goddess and its destruction by a Kurgan invasion and the view that the rise of capitalism and the mechanistic world view was responsible for the ecological and social crises of today In so doing it also examines a number of key questions central to radical ecological history when did violence and hierarchy begin in human history is it possible to argue that today s ecological crisis has a religious cause and can the scientific technological and commercial revolutions be truly described as purely Western phenomena The main findings of this thesis are that each of these variants of radical ecological history is chronically flawed In addition to numerous empirical errors each of these historical interpretations is based on an extremely simplistic Eurocentric reading of the past based on the use of archetypal stereotypes of good and evil that have little or no historical foundation While these interpretations of history vary profoundly they are all based on the same underlying model of history whose origins lie in the Judeo Christian apocalyptic tradition and ultimately in Zoroastrianism While some of the flaws of radical ecological history are a result of poor scholarship it is argued that it is the use of t Living In The Lap of Goddess Cynthia Eller, 1995-12-20 A fascinating introduction to one of the fastest growing religious movements in the United States today Through interviews participant observation and analysis of movement literature Cynthia Eller explores what women who worship the goddess believe how they express those beliefs in private in public and in the political realm and the place of feminist spirituality in the history of American religion **Romancing the Goddess** Marijane Osborn, 1998 Take three exciting medieval romances translate them two for the first time into modern English verse and you ll have only part of Marijane Osborn s Romancing the Goddess Osborn introduces and translates the three tales all dealing with women cast adrift upon the northern and Mediterranean seas then shows how the stories forge a hitherto missing link with worship of a savior goddess in the distant past *Daughters of the Goddess* Wendy Griffin, 1999-11-17 A collection of original essays examining the Goddess Movement in its many facets Daughters of the Goddess explores the ways women have abandoned Western patriarchal religions and have embraced a spirituality based in a celebration of the Goddess and the female body as sacred text Among the first scholars to publish in this area editor Wendy Griffin brings together a group of academics and

practitioners who offer a wide ranging study of this movement from a critique of the patriarchal cult of Princess Diana to a celebration of bellydance as a form of spiritual expression Other essays not only trace women s myriad spiritual journeys but also examine the creation of personal rituals that have led to healing and a new sense of identity for many women An innovative volume *Daughters of the Goddess* serves as an invaluable guide for anyone wishing to gain a thorough introduction to this rapidly growing religious and cultural movement *The Goddess Path* Patricia Monaghan,1999 Now you can find more meaning and joy in your life journey inward find the divine and become transformed when you read *The Goddess Path* by Patricia Monaghan *The Goddess Path* can be your guide to speed you on your spiritual quest Think of this book as a signpost on your spiritual travels designed to help you nurture your own connection to the goddess and share in her boundless wisdom Call her into your life with beautiful and ancient invocations Create your own rituals to honor the lessons she has to teach As you ponder life changing questions and venture on brave new experiments you fan the divine spark into flame and in that fire you are transformed *The Goddess Path* includes myths symbols feast days ancient invocations and suggestions for connecting with the following goddesses for these purposes and more Amaterasu for clarity Aphrodite for passion Artemis for protection Athena for strength Brigid for survival The Cailleach for power Demeter and Persephone for initiation Gaia for abundance Hathor for affection Hera for dignity Inanna for inner strength Isis for restorative love Kali for freedom Kuan Yin for mercy The Maenads for ecstasy The Muses for inspiration Oshun for healing love Paivatar for release Pomona for joy Asule and Saules Meita for family health In *The Goddess Path* Monaghan presents a means to work with the goddess using ancient and modern techniques that will thrill and amaze you *Goddess as Nature* Paul Reid-Bowen,2016-04-15 *Goddess as Nature* makes a significant contribution to elucidating the meaning of a female and feminist deity at the beginning of the twenty first century Bridging the gap between the emergent religious discourse of theology discourse about the Goddess and a range of analytical concerns in the philosophy of religion the author argues that theology is not as incoherent as many of its critics claim By developing a close reading of the reality claims embedded within a range of theological texts one can discern an ecological and pantheistic concept of deity and reality that is metaphysically novel and in need of constructive philosophical theological and scholarly engagement Philosophical theology is in an age concerned with re conceiving nature in terms of agency chaos complexity ecological networks and organicism both an active possibility and a remarkably valuable academic feminist and religious endeavour [Encyclopedia of Goddesses and Heroines](#) Patricia Monaghan,2009-12-18 This two volume set provides a comprehensive guide to the vast array of feminine divine figures found throughout the world Drawn from a variety of sources ranging from classical literature to early ethnographies to contemporary interpretations the *Encyclopedia of Goddesses and Heroines* provides a comprehensive introduction to the ways goddess figures have been viewed through the ages This unique encyclopedia of over thousands of figures of feminine divinity describes the myths and attributes of goddesses and female spiritual powers from around the

world The two volume set is organized by culture and religion exploring the role of women in each culture s religious life and introducing readers to the background of each pantheon as well as the individual figures who peopled it Alternative names for important divinities are offered as are lists of minor goddesses and their attributes Interest in women s spirituality has grown significantly over the last 30 years both among those who remain in traditional religions and those who explore spirituality outside those confines This work speaks to them all
