Reform And Punishment

Bruce F. Adams

Reform And Punishment:

Reform and Punishment Sue Rex, Michael Tonry, 2012-12-06 In this book a group of leading authorities in the field address the key issues surrounding the future of sentencing in Britain in the light particularly of the highly influential Halliday Report. These proposals for reform amount to the single most ambitious and comprehensive set of proposals for reconstituting the sentencing system of a common law country and include proposals to replace existing sentencing statutes, the establishment of a sentencing commission and sentencing guidelines and the creation of a sentence review function in the judiciary. As well as addressing the major issues of the Halliday Report, the chapters in this book go beyond this to explore the broader set of policy problems and implications which are raised, drawing upon experiences of reform in other jurisdictions and contexts, particularly that of the USA. This book will be essential reading for anybody with an interest in the future of sentencing or the future direction of the criminal justice system as a whole. **Reform and Punishment** Michael H. Tonry, Franklin E. Zimring, 1983 *The Humane Review*, 1903 The Open Court, 1887 The Politics of Punishment Bruce F. Adams, 2019-09-15 Bruce F. Adams examines how Russia's Main Prison Administration was created, the number of prisoners it managed in what types of prisons and what it accomplished. While providing a thorough account of prison management at a crucial time in Russia's history, Adams explores broader discussions of reform within Russia's government and society, especially after the Revolution of 1905 when arguments on such topics as parole and probation boiled in the arena of raucous public debate. *Punishment in Latin America* Luiz Dal Santo, Máximo Sozzo, 2024-11-21 Challenging the Northern-centric approach that has dominated the literature on punishment and society, this collection draws on innovative theoretical perspectives to make sense of punishment, penal trends, institutions and practices in peripheral settings, taking Latin American countries as its case studies. The History of the Popes Ludwig Freiherr von Pastor, 1924 *Criminal Law* David C. Brody, James R. Acker, Wayne A. Logan, 2001 Criminal Justice Law Enforcement **Crimes and Punishments** James Anson Farrer, 1880 **Report of the Board of State Commissioners for the General Supervision of Charitable, Penal, Pauper, and Reformatory Institutions** Michigan.
