Reformed and Catholic Charles Yrigoyen Jr., George H. Bricker, 1979-01-01 THEOLOGICAL PUBLISHERS 2 PICKWICK PRESS 1974 1980 PICKWICK PUBLICATIONS 1982 by Dikran Y Hadidian Upon my return in September of 1973 from my sabbatical year in Beirut where I had time to think through the initial plan of publishing dissertations I approached the president of a local commercial printing company who also happened to be a friend He after several days of consideration gave me the green light to go ahead and plan publications of theological monographs at the company's expense I served as general editor fully responsible in all decisions to negotiate with authors translators and editors of collected essays on the possible publication of their works Thus BULLETIN ABTAPL VOL 2 NO 7 13 MARCH 1990 in 1974 the Pickwick Morcroft Company began to publish monographs under the name of Pickwick Press The first series was called the Pittsburgh Theological Monograph Series together with two other series namely Pittsburgh Reprint Series and Pittsburgh Original Texts and Translations Series These continued until 1980 when the president of Pickwick Morcroft suffered a stroke and his successor was not interested in continuing the previous arrangement Dikran Y Hadidian Editor and Publisher Pickwick Publications

Catholic and Reformed Anthony Milton, 2002-05-09 Religious controversy was central to political conflict in the years before the English Civil War Where earlier historians have focused more narrowly on the doctrine of predestination Dr Milton analyses the broader attitudes which underlay notions of religious orthodoxy Through the first comprehensive analysis of how contemporaries viewed the Roman and foreign Reformed churches in the early Stuart period Milton demonstrates the way in which an author's choice of a particular style of religious discourse could be used either to mediate or to provoke religious conflict This study challenges many current historical orthodoxies It identifies the theological novelty of Laudianism but also exposes areas of ideological tension within the Jacobean Church Its wide ranging conclusions will be of vital concern to students of early Stuart religion and the origins of the English Civil War

Fifty Motives for Being a Reformed Catholic, and for Not Being a Roman Catholic, Suggested by the Duke of Brunswick's Fifty Reasons for Being a Roman Catholic. By a Member of the Catholic and Apostolic Church of England, 1838 John Owen

Carl R. Trueman, 2021-11-18 John Owen is considered one of the sharpest theological minds of the seventeenth century and a significant theologian in his own right particularly in terms of his contributions to pneumatology christology and ecclesiology Carl Trueman presents a major study of the key elements of John Owen's writings and his theology Presenting his theology in its historical context Trueman explores the significance of Owen's work in ongoing debates on seventeenth century theology and examines the contexts within which Owen's theology was formulated and the shape of his mind in relation to the intellectual culture of his day particularly in contemporary philosophy literature and theology Examining Owen's theology from pneumatological political and eschatological perspectives Trueman highlights the trinitarian structure of his theology and how his theological work informed his understanding of practical Christianity With the current resurgence of

interest in seventeenth century Reformed theology amongst intellectual historians and the burgeoning research in systematic theology this book presents an invaluable study of a leading mind in the Reformation and the historical underpinnings for new systematic theology Letters of a Reformed Catholic Edward Churton, Reformed Catholic, Walter Farquhar Hook, 1838

Reformed Catholicity Michael Allen, Scott R. Swain, 2015-01-13 Can Christians and churches be both catholic and Reformed In this volume two accomplished young theologians argue that to be Reformed means to go deeper into true catholicity rather than away from it Their manifesto for a catholic and Reformed approach to dogmatics seeks theological renewal through retrieval of the rich resources of the historic Christian tradition The book provides a survey of recent approaches toward theological retrieval and offers a renewed exploration of the doctrine of sola scriptura It includes a substantive afterword by J Todd Billings **A Reformed, Evangelical, Catholic Theology** Alan P.F. Sell, 1998-05-13 The story of twentieth century theology remains incomplete writes author Sell if due attention is not paid to the Christian ecumenical bodies and their theological work He has therefore compiled this theological history of the World Alliance of Churches the first detailed analysis of the theological contribution of any major Christian world communions *Catholic and Reformed* Charles Yrigoyen, George H. Bricker, 1978-01-01 The place of the Mercersburg Theology in American religious history has been widely recognized It is usually viewed as one of the unique movements in 19th century American Protestantism principally because it challenged many of the prevailing theological ideas and practices of the time Two surveys of American religious history have described it as a theologically and liturgically creative high church movement Robert T Handy and as the most creative manifestation of the Catholic tendency Sydney E Ahlstrom among 19th century American Protestants **A Reformed Catholic** William Perkins, 2021 Today Christians think of the Roman Catholic church as the oldest most ancient form of Christianity Evangelicals are often apathetic about their Christian heritage and see little difference between themselves and Roman Catholics In Reformed Catholic Puritan theologian William Perkins both shows that it is possible to genuinely respect Christian tradition and to disagree with the errors of Roman Catholicism This book is not a debate over subtle points of doctrine but over issues that continue to divide Christians to this day These are truths worth fighting for Book jacket **Catholic and Ecumenical** Frederick M. Bliss, 2007-04-18 Ecumenical consciousness has not always been part of the Catholic experience Frederick M Bliss S M traces how the concern for ecumenism came about _from uneasy tension to confidence in the true grace of catholicity This new edition follows significant developments in dialogues with the Catholic Church up to 2006 and suggests likely trends of continuing change It studies the forces that had an impact on the Second Vatican Council forces that continue to steer the church into relationships with other Christian communities other religions and the world
